## From the Principal's Desk ....

The magazine committee has relentlessly worked hard to design and conceptualize **Akalan - 2019**, annual Magazine of Kirti College. I personally feel excited and overwhelmed to write the Principal's message with fall of the joys of spring. This magazine reflects a spirit of team work and dedication. The magazine committee has worked at fever pitch to get this year's magazine which is named as **Akalan**. Henceforth the magazine will bear the name 'Akalan' which denotes the philosophical Principles of truth, belief and justification of righteousness. The usage of the

word 'Akalan' reasonably corresponds to the contemporary period wherein educational system is undergoing tremendous change and there is a greater demand for professionalism.

The academic year 2018-19 has been wonderful since our society made new appointments at the administrative level and the new incumbents assumed new responsibilities. After serving this college for more than thirty five years as a faculty and spending five years in this campus as a students, I got the opportunity to serve this institution as a Principal. Having crossed the rubicon, there is no going back, as Kirti college is making a steady progress in all spheres of education.

This year the college management appointed three new Vice-Principals. Dr. R. B. Kawade, Dr. Seema Purohit and Prof. Vitthal Sontakke. Dr. Minal Mapuskar is entrusted with the responsibility of Life member of Deccan education society. On behalf of the entire college staff including myself I congratulate the new office bearers from the bottom of my heart. After executing the duties of a Principal of this college for more than twenty six years our Principal Dr. V. N. Magare officially retired from this college. He is really an epitome of hard work, scholarship and erudition. I wish to acknowledge his credentials and contribution towards shaping this institution and earning 'A' grade from NAAC in 3 cycles.

In this age of digital Marketing and information technology we have successfully transmogrified our administrative system. The new ERP system not only caters to the need of our student community, but has also eased the work of administrative staff and even took out exam related drudgery from exam committee members. The ERP team is really truly of praise and appreciation.

The introduction of ERP system in examination has virtually separated the wheat from the chaff. The exam system and the process of distribution of the results has now become absolutely paperless, without having to depend on outsourcing. I can proudly say that we are slowly and steadily becoming self reliant in true sense of the term. The ERP system has not only Proved to be cost - effective but has also developed a solid edifice upon which the ideal of Good-Governance can be achieved. This is an outstanding development, especially at a juncture where our institution is inching towards acquiring the status of autonomy. Last but certainly not the least, I would like to acknowledge the co-operation of teachers and the non teaching staff for extending their support in executing my duties. Finally I would like to congratulate the magazine committee for their painstaking efforts and reasonable consistency. I hope all the readers will definitely welcome and appreciate the Kirti College Annual 'Akalan' - 2019

# Editorial

'Akan' 2019 is a genuine effort to entail the activities and the achievements of our college. Delineating the rapidly moving Kaleidoscope of the events of the academic year 2018-19 is not an easy task. The magazine committee worked hard to bring out the different facets the of the college's accomplishments during 2018-19.

Kirti College presently is in the midst of institutional transformation. It is poised to break new ground by preparing for its autonomous status. Our college has moved in the right direction to achieve a decentralized system of education, that will definitely help in achieving excellence in higher education.

Every year our magazine team selects a specific theme and encourage writers to contribute towards the College annual. This year instead of thematic presentation of Magazine's content the committee decided to give a free hand to the students to write articles of their own choice. This paid dividend and the students wrote the articles of their preference and on varied topics.

Magazine committee decided to name Kirti College annual Magazine as 'Akan' with a broader objective to give a facelift and set a solid background to allow magazine to develop an independent identity. Magazine committee in consultation with our office bearers and under the able guidance of our Principal, unanimously decided to bear the name 'Akan' for our magazine. Henceforth our college magazine will be known as **Akan Annual magazine of Kirti college**. The word Akan aims to retell and offer admirable description of a system of intellectual enquiry. Living up to this expectation, one can say that, our magazine's new appellation raised new expectations from magazine to be a first vintage to guide students on each aspect of pedagogy. Akan is an attempt to enable our stakeholders to recognise the quintessential character of our college.

The contents of this magazine Akan 2019, represent circumstantial narrative construct of teaching and learning process. It aims to analyze the nature of knowledge, and how it is connected with the values of truth, faith, belief and justice. 'Akan' therefore sets in motion the epistemology terrain of a particular discipline as a whole. 'Akan' is set to unravel the new horizons of learners and explore the study of knowledge and their professional skills in a broader educational context. The ebb and flow of different articles, interviews and book reviews are exceptionally in tune with the magazine title.

The design of the cover page is in consonance with the title of our magazine. It represents the teaching & learning process, research, innovation and a will to compete at global level. Mr. Nilesh Bhuskute's acquiesce to all our demands and expectations positively resulted in designing the cover page of the magazine. We sincerely thank him for his artful craftsmanship. The back cover page literally verbalises the entire structure of Kirti College with the institution's map on it. SYBA students of Geography department made effective utilisation of mobile GPS surveying technology, to lay out our college map. This is a first attempt by any group of students to sketch a map of our college. I personally congratulate the students as well as the Geography teacher for their collective efforts. On behalf of the magazine committee, I thank our Principal Dr. D. V. Pawar and also ex - I/C Principal Dr. Seema Saple for relentlessly encouraging all of us to bring out the best.

### सांस्कृतिक विभाग

आपल्या महाविद्यालयाचा सांस्कृतिक विभाग हा दरवर्षी विविध स्पर्धांमध्ये सक्रियपणे सहभाग घेतच असते आणि यामुळे महाविद्यालयांचे नाव लौकिक वाढवत असतो. ह्या वर्षी देखील संस्कृतीक विभाग आंतरमहाविद्यालयीन उपक्रमांमध्ये सक्रिय राहिला आहे. विद्यार्थ्यांना सर्व प्रकारचे मार्गदर्शन करणे तसेच त्यांना प्रोत्साहन देण्याचे काम महाविद्यालयांचे सांस्कृतिक विभाग प्रमुख डॉ. बी. आर. कांबळे नेहमीच करतात. या वर्षी आपल्या कीर्ती महाविद्यालयाला तीन संगीत क्षेत्रात, नेतृत्व गुण संपन्न विद्यार्थी, काम करणारे नवयुवक लाभले. कॉन्टीनजेंट लीडर (CL) “ऋषीकेश आनंद मोरे”, असिस्टेंट कॉन्टीनजेंट लीडर (ACL) “निखील लक्ष्मण जाधव” व ज्युनियर कंटीजेंट लीडर (ACL) अजय सर्जेराव रणपिसे, या तिघांच्या नेतृत्वाखाली आपल्या सांस्कृतिक विभागाने एक वेगळीच उंची यावर्षी गाठली आहे.

प्रत्येक वर्षी सांस्कृतिक विभागामधील विद्यार्थी नवीन मुलांना संधी मिळावी यासाठी झटत असतात. विविध इव्हेंट्स मध्ये सहभागी होण्यासाठी, त्यांच्यातील कलागुणांना वाव देण्यासाठी कायम तत्पर असतात. नृत्य, गायन, निरनिराळे बॅन्ड्स म्हणजेच वाद्यवृंद, तसेच विविध प्रकारचे फॅशन-शो, मेहंदी, रांगोळी, नेल-आर्ट, एग-पेंटिंग, टी-शर्ट पेंटिंग, तसेच विविध डिझायनिंग आर्ट्स, फोटोग्राफी इत्यादी अनेक इव्हेंट्स घेतले जातात. समिधा महाडिक, श्रद्धा पडियार, दीपेश जाधव, साहील तळेकर, ऋषिकेश मोरे, निखील जाधव, अजय रणपिसे यांच्या मार्गदर्शनाखाली सांस्कृतिक विभागाने या वर्षी विविध स्पर्धांमध्ये भाग घेऊन नेत्रदीपक कामगिरी बजावली आहे.

कीर्ती महाविद्यालयाच्या सांस्कृतिक विभागाने ह्या वर्षी ‘सी टाऊन’ (लाला लजपत राय महाविद्यालय), स्पार्कलर्स (एस.आय.ए. महाविद्यालय), ‘पल्स’ (डि. वाय. पाटील महाविद्यालय), ‘महाराष्ट्रउत्सव’ (एलफिन्सटन महाविद्यालय) अशा अनेक अंतर महाविद्यालयीन स्पर्धांमध्ये सहभाग घेतला. या स्पर्धांमध्ये अनेक प्रतिस्पर्धी महाविद्यालयांमध्ये जिंकण्यासाठी अटीतटीची झुंज होते. यामध्ये सर्व स्पर्धक जिंकण्यासाठी आपआपल्या परिने जीव तोडून प्रयत्न करत असतात. आपल्या कीर्ती महाविद्यालयाच्या सांस्कृतिक विभागाने या अटीतटीच्या स्पर्धेत दैदिप्यमान विजय संपादन केला या सर्व आंतरविद्यालयीन स्पर्धांमध्ये महाराष्ट्रउत्सव गाजवणे हेच एक आमचे ध्येय होते.

‘महाराष्ट्र उत्सव’ म्हणजे महाराष्ट्राची शान वाढवणारा एक आनंदोत्सव! तरुण पिढील आपल्या अंगातले कलागुण सादर करण्याचे एक उत्कृष्ट मंच. यावर्षी एलफिन्सटन महाविद्यालयाच्या महाराष्ट्र उत्सवात ५३ महाविद्यालयांनी सहभाग घेतला. महाराष्ट्रातील विविध सण, उत्सव, संस्कृती, पाककृती तसेच पोशाख यांची माहिती आजच्या तरुण पिढीला द्यावी यासाठी या उत्सवात विविध इव्हेंट्स घेतले जातात. यासर्व इव्हेंट्समध्ये आपल्या महाविद्यालयाने बाजी मारली आहे.

दरवर्षी महाराष्ट्रउत्सवाची उत्कृष्ट कॉलेजची ट्रॉफी मिळवण्यासाठी सर्वच महाविद्यालयांमध्ये अटीतटीची स्पर्धा होते. हा मान पटकवण्यासाठी सर्वच विद्यार्थी कंबर कसून मेहनत घेतात. दरवर्षी निरनिराळ्या महाविद्यालयात ही ट्रॉफी जात असल्याने हा मान प्रचंड मोठा असतो. सर्वच विद्यार्थी मनात जिद्द आणि ही ट्रॉफी जिंकण्याचे स्वप्न घेऊन येतात. हा बहुमान मिळवण्यासाठी प्रचंड जल्लोषाने स्पर्धा झाली आणि अखेरीस हा मान आपल्या महाविद्यालयाने पटकावला. विविध कलांमध्ये पारंगत असणाऱ्या विद्यार्थ्यांनी मेहनत घेतली. यावर्षीच्या सर्व यशावर महाराष्ट्रउत्सवाची ही ट्रॉफी मानाचा तुरा म्हणूनच उभी आहे.

### Bachelor of Management Studies (BMS)

The driving force behind our institution has always been to achieve more than what has thought to be possible. The Sanskrit word 'EKYAM' means UNITY, which is the key Ideologies pervading into the name of our intercollegiate fest 'EKYAM'. The tag line for which is 'ONE FOR ALL, ALL FOR ONE'. This year our theme was 'Digital India' and we tried our best to minimise the usage of paper. Most brochures & posters were circulated digitally in form of pdf. QR codes were generated for each brochure, which were downloadable brochures when scanned. We had cultural, sports & management events conducted at this fest on 4th & 5th January 2019, where participants from over 20 colleges had gathered. We also saw a huge response from the students of Kirti College. On 4th January, we had the inauguration ceremony. The Dy. Mayor of Mumbai Mrs. Hemangi Worlikar was our Chief Guest & Guest of Honour was Mr. Pushkar Jog, renowned Marathi Actor. We witnessed a huge response at the inauguration ceremony.

#### Industrial Visit

**Industry:** International Tractors Ltd (Sondlika),

**Date:** 23rd Feb 2019

**Place:** Hoshiarpur Punjab.

Industrial visit has its own importance in a career of a student who is pursuing a professional degree. The objective of an industrial visit is to provide an insight to our students regarding internal working of companies. We understand that theoretical knowledge is not enough for a successful professional career. With an aim to go beyond academics, IV provides our students a practical perspective of the work place. It provided them with an opportunity to learn practically through interaction, working methods and employment practices. It gives them an exposure to current work practices as opposed to possible theoretical knowledge being taught at college. The session began with a seminar on the industrial development in Punjab region since the pre-independence era. Students were also given details of various foreign collaborations for technology over the past few decades. A well guided tour for students in groups of 12, around the factory in the sequence of assembly line further enhanced the experience. A scrumptious meal at their training centre & a token of remembrance was arranged for each student. It was indeed a life time experience for our keen learners.

### **Envisage: Youth Forum**

A youth forum has been formed at BMS Dept. The objective is to enhance the culture and instil the values of entrepreneurship and the formation of ideas and habits of cooperation among students. Regular brainstorming sessions, B-Plan discussions & visits to various conclaves & seminars were undertaken.

The whole programme was organized by students and faculties under the guidance of Dr. Smita Jadhav. 30 Students of FY BSc biotechnology participated in various departmental festival like Eminence, Nivesh , Ekyam, Horizon and Kirti Antarang 2018-19 in rangoli, quiz, tug of war, treasure hunt etc. Amongst students Akanksha Jadhav was winner of quiz competition and memory game and Vaishnavi Shelar was the winner for pipetting out competition in Eminence. Shubham Sakpal was the winner for PUBG held in Eminence. Akshay Gajbhiye was the winner of PUBG in Ekyam festival F.Y BSc students sachin Jadhav, Akanksha Jadhav, Hiral, Utkarsh Pisal, Sagar Pukhle were also winner of treasure hunt held in horizon festival and shubham Sakpal, Akshay Gajbhiye, Tanvi Namrata Jadhav where also treasure hunt winners in Ekyam. 20 students of SY participated in various Events of Kirti M Dangers college such as Eminence, Moksh, Horizon, and inter collegiate festival Jaytra by Khalsa college. Among the S Y Students Sannidhi P. Shetty had won 3<sup>rd</sup> prize in elocution competition and consolation prize in debate. In Kirti Antarang she also won 3<sup>rd</sup> prize in pipeting out and first prize in glamocracy in eminence. Rushikesh R. Kale had won the consolation prize in debate in Kirti Antarang and 2<sup>nd</sup> prize in PUBG Suyash B. Phadtare won 1<sup>st</sup> prize in quiz in eminence and 1<sup>st</sup> prize in treasure hunt in Moksh. Rucha Mayekar won 2<sup>nd</sup> prize in glamocracy quiz in Eminence. T.Y.BSc biotechnology students organized Eminence festival Volunteers such as Minal Patil, Divya Chavan, Divya Deshmukh, Shivani Khot, Kirti Humane, Sneha Shinde, Shruti Jadhav, Shreya Salvi, Pooja Pednekar, Bhakti Manjrekar, Mithilesh Ghadigoawkar, Vinay Sawant, Rushikesh Shelar, Vaibhav Chavan and Siddesh Bandre who worked for the event to be success. 11 Students attended a seminar at Tata hospital on 8 July 2018. 2 students attended chimera in Ruia college.

### 5) TEACHERS PARTICIPATION

1) Prof Alisha Milind Pimple

● Attended Induction Program held at Indian Institute of Science Education and Research (IISER ) Pune from 1st May to 26th May 2018. Attend one day workshop on How to be an Entrepreneur at NMITD.

● Participated in STEM Teacher Teacher Training Workshop on Research Based Pedagogical Tool (Level 1) held from 23 rd September to 26 th September,2018 at Kolkata, West Bengal. It was Organised and sponsored by Department of Biotechnology (DBT), Government of India, The British Council and Centre of Excellence in Science and Mathematics Education (CoESME), IISER PUNE (supported by the Ministry of Human Resource Development, Govt. Of India). It was Conducted by a team of experts from Sheffield Hallam University, UK. Participated in level 2 of STEM Teacher Training Workshop on Research based Pedagogical Tools (RBPT) held from 17th to 19th January 2019 at Indian Institute of Science Education and Research (IISER) Pune. The workshop was jointly sponsored bu Department of Biotechnology (DBT), Government of India; Newton Bhabha Fund of British Council; Centre of Excellence in Science and Mathematics Education at Indian Institute of Science Education and Research (IISER) Pune. It was conducted by a team of experts from the Centre for Science Education (CSE), Sheffield Hallam University , Uk. Invited as a Judge for Flora fest 2019 for the events such as Floral Rangoli and Floral Decoration organised by Department of Botany Kirti M Doongursee college, Dadar Mumbai 28.Acheviement-Appointed as a Coordinator of the Department of Biotechnology on 20th June 2018.2)Prof:Poojapravinkamble-Participation-Attended Induction Program held at Indian Institute of Science Education and Research (IISER ) Pune from 12st nov to 8th dec 2018.Achievement: Qualified CSIR-UGC national eligibility test for assistant professor ON 9<sup>TH</sup> may 2018. Qualified MH-SET for assistant professorship on 24<sup>TH</sup> MAY 2018. Cleared MU-PET(phD entrance test on 31<sup>st</sup>jan 2019.)

3) Prof: Ankita Milind Raul - Participation Worked as evaluator for Science project of NCSE-2018 at district level on 11th October 2018. Took a visit of T Y Students at Tata memorial hospital for visit to cancer institute

4) Prof: Rashmi Yatish Borse - Participation : 1) I have participated in poster presentations North Maharashtra university sponsored one day multi disciplinary national conference on Business opportunities for tribal of India 2018

2)Attended multidisciplinary national conference organised by N.N.C college Kusumba Dist. Dhule Jan. 2019 Achievement : I have qualified PET (PhD entrance test ) 2019 conducted by Mumbai university.

5) Prof Sunita S Raste - Participation : Attended Induction Program held at Indian Institute of Science Education and Research (IISER ) Pune from 1st May to 26th May 2018. Achievement : I have qualified PET (PhD entrance test ) 2019 conducted by Mumbai university.

## Botany

- **Parents' teachers meeting:-** The Parents teachers meet for T.Y.B.Sc. Botany students was organized on 21/07/2018. Staff members discussed about the departmental working for the benefit of students appearing for their University examination in the year 2018 - 19. Mrs. Sathe V.P. discussed about overall functioning of department. Dr. Mrs. U.S. Sarkar briefly discussed about the excursions & field work which is an unavoidable part of the course content. Dr. S.P. Jadhav briefed about the Project Work & Organoleptic tests. Dr. P.C. Thomas made them aware about the importance of discipline, planning of work during the course and the test series related with examinations.
  - **Celebration of Gurupournima** - The students of Botany organized a wonderful PPT on comparison of teachers with plants as a tribute to their teachers on the auspicious occasion of Gurupournima. This program inaugurated by watering plants as plants are considering first Guru on 27/07/2016
  - **FLORA-FEST** - Department of Botany under the association 'Daffodils' organized Flora fest on 31st January 2019. Various competitions conducted under the Flora Fest like Floral Rangoli, Flower arrangement, Feel the aroma, Glow with herb, Capture the nature, Fruit and Vegetable carving / salad decoration, Nature with teacher and herbo-quest for FY, SY and TYBSc students. Following events were organized in this Flora Fest.
    - Valley of flower** - Flower arrangement and Floral Rangoli competition- In this competition students decorated the rangoli with the different colourful flower petals and each Rangoli title by beautiful slogans. 30 students were participated in this competition.
    - Glow with herb** - In this interesting competition students prepared the herbal cosmetic products and presented in front of the judges.
    - Fruit and vegetable carving / salad decoration competition** - In this creative competition student craved fruits and vegetables and prepared different theme.
    - Nature with teacher** - In this competition students presented the power point presentation based on time spent with teachers during excursion & study visits to the different places.
    - Capture the nature** - This event was photograph competition, where students showed their photography skills by capturing nature around the college campus and then they developed their photos and the photos were displayed on the board
    - Feel the aroma** - Feel the aroma was about testing the fragrances where students recognised different aromatic odours blindfolded.
    - Herbo-quest** - This event is shared by different surprising questions related to the subject. The winners won the surprising gifts.
- Event was started with various competitions and all competitions judged by Ms. Alisha Pimple, Ms. Teja Vazkar, Ms. Pooja Patil, Mr. Sushanto Sarkar and Mr. Jayraj.
- For the flora fest volunteers decorate the college campus eco-friendly by using waste plastic

bottles they have prepared vertical wall garden. Informative flex regarding nature awareness were prepared by the students and displayed in potted plants. The entry of college was beautifully decorated by Landscape model, prepared by Mr. Mukul Bandivadekar Horticulturist & alumni of department of Botany, Kirti College.

Flora fest event concluded in 0.8 class room. The chief guest of the event was Mrs. Shilpa Tavade who is Aroma therapist and NCC ex-student of Kirti college. She shared her experience with students in her speech. She motivated the students from her talk. The program continued by some students dance performance. The final round of Herbo-quest was held in front of chief guest, Principal and Vice principal of the college. Finally winners of all events are awarded by chief guest. Following is the list of the prize winner students.

- **Inter-collegiate / Intra-collegiate participation** – Students from department of Botany motivated to participate in inter-collegiate / Intra-collegiate competitions and some of them secured prizes as follows.

No.	Students attended	College name	Date	Competition	Prize secured
1	Aarti Arde	Khalsa College	08/02/2019	Best out of waste	–
2	Mital Mohite Aarti Arde	Kirti College- Antarang	14/12/2018	Ecorangoli	1st prize
3	Aditya Kuvar	Kirti College- Antarang	13/12/2019	Dance	Consolation
4	Pranay Mane	Kirti College- Antarang	13/12/2019	Poster Making- Save Water	-
		Chem-O-Joy	04/02/2019	Food Technology	

- **Participation of students in 'Earn while learn' program**-Students of the Department of Botany participated in Exhibition cum sale of home made products prepared by students, organized by WDC and Economics Dept. of Kirti College, on 1st Feb. 2019. Summarized in the following table.

Group No.	Name (Class T.Y.B.sc.)	Product	Sale in Rs.
1	Aarti Arde Mital Mohite	Puranpoli Canapes	2000/-
2	Manasi Baraskar Harshada Padave	Veg. Manchurian	620/-
3	Ishwari Khatate Prachi Chavan	Sev Puri	580/-

• **Excursions/Field Work/Exhibitions:-**

1. Excursion to Ambarnath -F.Y.B.Sc 11th Oct. 2018.
2. Excursion to BPT garden - T.Y.B.Sc: on 16th Aug. 2018
3. Excursion to Bangalore - Lalbaugh garden and Vrundavan garden Mysure - T.Y.B.Sc: from 28th Nov. - 3rd Dec.2018.
4. Excursion to Palghar - 'Gawand Agro-farm'- S.Y.BSc students on 18th Aug. 2018.
5. Excursion to Bardi- S.Y.BSc students on 28th - 29th Jan 2019.
6. Visit to Horticulture Exhibition organized by BMC at Jijamata Udyan Bhyculla on 2nd Feb. 2019.
7. Visit to 'Nisarg' krishi Paryatan. – F. Y. BSc on 17th Jan. 2019

- **Social Responsibility – Vidnyanvari-** project conducted by Marathi Vidnyan parishad. This project was started to make science more experimental than being theoretical to BMC school children's. College students were trained for this project. Group of two students conducted lectures in school for std 7th and 8th on topics like Air, Sound, Refraction and Reflection of light, Electromagnetism, Center of mass, Turbidity, Force, Work, Motion and Physical Chemistry. Following students of T.Y.BSc Botany participated in this project and conducted sessions in different BMC schools.

## Teacher's contribution –

### Dr. Vandana P. Sathe

- Invited as Guest for delivering lecture and conducting practical demonstration on 'Bottle garden' at Birla College on 1st Dec. 2018.

2. Appointed as a Chairperson of T.Y.BSc Botany theory for Semester Vth examination of University of Mumbai.

**Dr. Smita Prashant Jadhav :**

1. Resource person for guest lecture at H. Somani College of Arts and Science on 25th September 2018.
2. Worked as evaluator for Science project at selection and scrutiny level for Greater Mumbai District on 2nd October 2018 at Vidya Nidhi High School.
3. Worked as evaluator for Science project of NCSE-2018 at district level on 11th October 2018
4. Worked as Judge for Tarabai Modak Bal Vaidyanik Purskar on 4th January 2019 at Shishuvihar School, Dadar (East).

**Dr. U.S. Sarkar :**

1. Resource person for Scopes of Horticulture on 2nd August 2018 at Bandodkar College Thane.
2. Invited t for open Viva-test of PhD evaluation to Rashtriya Sant Tukdoji Maharaj Nagpur University on 29th Sept 2018

**Mrs. Harshala Desai :**

1. Invited as Judge for Tarabai Modak Bal Vaidyanik Purskar on 4th January 2019 at Shishuvihar School, Dadar (East).

**Miss. Ankita M. Raul :**

1. Qualified and selected for Ph.D. degree in Botany under the guidance of Sashirekha Sureshkumar at Mithibai College, Vile Parle (West).

**Mr. Surendra R. Sawardekar**

Resource person for NSS camp at Durgadevi Saraf Junior College of Arts, Science and Commerce, Malad

1. Session conducted on 'Martial Arts Skill and its Scriptures'
2. Session conducted on 'Self Defense'
3. Session conducted on 'Self Defense'
4. Session conducted on 'Exercise, Yoga and Meditation'
5. Session conducted on 'Disaster Management' : Lectures and Practicals on
  - a) Rescue Methods.
  - b) First-aid and CPR
  - c) General Disaster Management
6. **Resource person for Following events of NCC day**
  - a) Demonstration of NCC Cadet girls on Self Defense Techniques
  - b) Demonstration of NCC Cadet girls on Fighting skills and combinations
  - c) Demonstration of NCC Cadet girls on Dagger and Knife fights.
  - d) Demonstration of NCC Cadet girls on War ground fighting stability skills.

## Chemistry

The activities of the chemistry department started with 'Srujan'. From 4th-8th September 2018 Kirti college celebrated academic week 'Srujan'. As a part of 'Srujan', the chemistry department arranged a programme under chemistry association on Thursday 6 sept 2018. Prin. Dr. Chandra Maurya, K.L.E. College, Kalamboli, Navi Mumbai was the chief guest and the special guest was Mr. Kuldeep Mishra from Reliable Industries Laboratory Pvt. Ltd., Thane. The programme was well attended all staff members and students. Principal Dr. Seema Sapale presided over the function. Prin. Dr. Chandra Maurya motivated the students on how to get good score and class in university examination. Mr. Kuldeep Mishra emphasized on preparation of the students to enter the corporate world, which he could give through his company. He also encouraged the students on entrepreneurship and small start-up business.

National Conference on "Recent Trends in Advanced Materials and their Applications" (RTAMA-19) was organized by Department of Physics and Chemistry in association with Luminescence Society of India on January 12, 2019.

The conference was inaugurated by Principal Dr. Seema Sapale. The occasion was graced by Prof. K. Ramanujachari, Rowan University, USA as chief guest. The guest of honor for the function was Dr. K. V. R. Murthy, Chairman, Luminescence Society of India. The aim and scope of conference was presented by Prof. Milind Jog, Convener RTAMA-19. The august gathering was addressed by the chief guest Prof. K. Ramanujachari.

The valedictory function was chaired by Dr. Seema Sapale. The chief guest for the function was Prof. S. J. Dhoble. Prof. K. Natarajan graced the occasion by accepting the chair of guest of honor. After the address given by Dr. Dhoble, the formal vote of thanks was extended by Dr. R. B. Kawde. He announced that the conference was over with the permission of chair.

The conference was successful in serving its aim as 96 participants all over India from various research fields in material sciences registered and contributed to the proceeding of the conference. On 4th February 2019 colorful and memorable fest Chem-O-Joy was organized by chemistry department. It was a one-day inter-collegiate event at our campus. Dr. Samadhan Khamkar, Director NMITD from neighbouring institute was the Chief guest. Vice Principal Charuta Kulkarni briefed about Chem-O-Joy. Dr. Samadhan Khamkar motivated the students to join corporate world and professional courses. Various events such as chem-quiz, chemrangoli, cricket, football, poster-making, etc. were organized. The event was enjoyable and a learning experience for the students.

The chemistry department also organized small workshop on soaps and detergents. Students prepared the soaps and detergents on their own and got a hands-on training on the preparation. It was conducted by Dr. Chetna Nagori assisted by Dr. Charu Kulkarni and Mr. Supe.

The Chemistry Department in association with BOS Chemistry, University of Mumbai organized a Writers Meet, a first-of-its-kind in chemistry, for Text Book Writing of FYBSc at Kirti College, Mumbai on 3rd and 4th June 2019. It was well attended by around 20 authors from all the zones of Mumbai University. Staff members of the chemistry department are active in the administration of the college. Dr. R. B. Kawde was appointed as Vice-Principal on 1st March 2019. Dr. Seema Sapale, our HOD was appointed as Incharge of Self-finance Courses.

I thank all the staff members and supporting staff for participating and giving their valuable contribution in all activities of Chemistry Department.

### INDIVIDUAL ACHIEVEMENTS:

#### 1) Dr. S. R. Sapale

##### Resource Person-

One day workshop on **Revised Syllabus of T. Y. B. Sc. Physical Chemistry (CBCS)** jointly organised by BOS in Chemistry, University of Mumbai and V. K. Krishna Menon College, Mumbai on 30<sup>th</sup> July 2018

##### Member of Syllabus Committee-

- Revised Syllabus of T.Y.B.Sc. (Physical Chemistry) of University of Mumbai.

##### Paper Presentation:

- Presented research paper in the National Conference 'Recent trends in Advanced Materials and their applications' **RTAMA-19** organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai - 28 and Luminescence Society of India on 12<sup>th</sup> January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai

##### Organising Committee member-

- Chairman and member of Editorial board in the National Conference 'Recent trends in Advanced Materials and their applications' **RTAMA-19** organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai-28 and Luminescence Society of India on 12<sup>th</sup> January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai
- 'Chem-O-Joy' inter and intra collegiate festival organised by Chemistry department of Kirti M. Doongursee College, Dadar (W), Mumbai on 04/02/2019.
- **Participated in the DST -FIST presentation meet 2018, organised by DST, Govt. of India and Sanatana Dharma College Alappuzha, Kerala on 27/10/2019 at Ramada Hotel, Alleppey**
- Participated in seminar 'CAS Rule under 7<sup>th</sup> Pay' held on 20<sup>th</sup> March 2019 at Kirti M. Doongursee College, Dadar, Mumbai.

##### At College level:

- In-charge principal from 1/11/2017 to 28/2/2019

## 2) Dr. Charruta Kulkarni :

- 1) Organising Secretary and member of Editorial board in the National Conference 'Recent trends in Advanced Materials and their applications' RTAMA-19 organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai-28 and Luminescence Society of India on 12th January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai
- 2) 'Chem-O-Joy' inter and intra collegiate festival organised by Chemistry department of Kirti M. Doongursee College, Dadar (W), Mumbai on 04/02/2019.
- 3) Attended one-day workshop on "Ethical Hacking" on 20th February 2019 at JSK Business School, DES Campus Kirti College.
- 4) Incharge of Placement for DES Campus.

## 3) DR.R.B.KAWDE

### Resource Person-

One day workshop on **Revised Syllabus of M.Sc. Sem. III and Sem. IV Physical Chemistry(CBCS)** jointly organised by BOS in Chemistry, University of Mumbai and Wilson College, Chowpatty, Mumbai on 02/08/2018

### Member of Syllabus Committee-

- M.Sc. II (Physical Chemistry) Sem.III and Sem.IV of University of Mumbai.

### Subject Expert-

- V.C. nominee on the Screening Cum Evaluation Committee for promotion of Assistant Professor from Stage-1 to Stage-2 and Stage-2 to Stage-3 at Smt. C. H. M. College of ACS, Ulhasnagar(W) on 01/7/2018.
- V.C. nominee on the Screening Cum Evaluation Committee for promotion of Assistant Professor from Stage -1 to Stage -2 at JansevaShikshanMandal's , ShantarambhouGholap Arts and Science and GotirambhouPawar Commerce College, Gandhi Camp, Shivle Tal.-Murbad dist.-Thane on 28/08/2018

### Paper Presentation:

- Presented research paper titled "**Novel synthesis and characterisation of 2 -(5-Fluoro-2-Methyl-1H-Inden-3-yl)-N'-(1-(5-Oxo-1,3-Diphenyl-4,5-Dihydro-1H-Pyrazol-4yl) Propylidene ) Acetohydrazide**" in the National Conference 'Recent trends in Advanced Materials and their applications' **RTAMA-19** organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai-28 and Luminescence Society of India on 12<sup>th</sup> January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai
- Presented research paper titled "**Stability Constant of ligand FIMFMPH and its metal complexes**" in the National Conference 'Recent trends in Advanced Materials and their applications' **RTAMA-19** organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai -28 and Luminescence Society of India on 12<sup>th</sup> January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai

## Workshop participation-

- Participated in one day workshop on revised syllabus of T.Y.B.Sc. Chemistry (CBCS) jointly organised by BOS University of Mumbai and K.M. Agrawal College of Arts, Commerce and Science, Kalyan (w) on 27/07/2018

## Organising Committee member-

- Organising Secretary and member of Editorial board in the National Conference 'Recent trends in Advanced Materials and their applications' RTAMA -19 organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai-28 and Luminescence Society of India on 12<sup>th</sup> January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai
- 'Chem-O-Joy' inter and intra collegiate festival organised by Chemistry department of Kirti M. Doongursee College, Dadar (W), Mumbai on 04/02/2019.
- **Participated in the DST -FIST presentation meet 2018, organised by DST, Govt. of India and Sanatana Dharma College Alappuzha , Kerala on 27/10/2019 at Ramada Hotel, Alleppey**

Attended and worked as a resource person for one day workshop on Revised syllabus of T.Y.BSc.Chemistry in Applied Components Drugs/Dyes for A.Y.2018-2019 held on 30/07/2018 at Pillai HOC College of Arts Science and Commerce at Rasyani, Panvel Raigad 410207.

Attended one day Workshop on Revised Syllabus of T.Y.BSc.Chemistry(3&6Units) as a Convener, organized by department of chemistry Bhavans College, Munshi Nagar Andheri(W), Mumbai-400058.

Attended one day workshop as a resource person on Revised Syllabus for T.Y.BSc.Chemistry (Semester V&VI) on 27/07/2018 at K.M.Agarwal College of Arts Science & Commerce, Kalyan.

7) Appointed and worked as a Convener of Unfair Means Committee, Kirti College.

9) Member of Special Cell Committee for SC/ST, Kirti College.

10) Organising Committee member-

Worked as Organizing committee member in the capacity of a treasurer in National Conference 'Recent trends in Advanced Materials and their applications' RTAMA-19 organized by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai-28 and Luminescence Society of India on 12th January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai.

11) Appointed as a Coordinator for Writing F.Y.BSc. University Textbook of Chemistry Concise Graduate Chemistry-III.

12) Worked as coordinator in F.Y.BSc. University Textbook of Chemistry Concise Graduate Chemistry Writers Meet was jointly organized by Chemistry Department Kirti College and Board of Studies in Chemistry, University of Mumbai at JSKB Hall Kirti Campus on 3rd & 4th June 2019

### 5) DR. C. M. ZAVERI:

1) Organising Secretary and member of Editorial board in the National Conference 'Recent trends in Advanced Materials and their applications' RTAMA-19 organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai-28 and Luminescence Society of India on 12th January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai

2) Chem-O-Joy' inter and intra collegiate festival organised by Chemistry department of Kirti M. Doongursee College, Dadar (W), Mumbai on 04/02/2019.

3) Attended one-day workshop on " Ethical Hacking" on 20th February 2019 at JSK Business School, DES Campus Kirti College.

4) Member of Internal Complaint Committee.

**6) DR. D. V. PATIL:**

- 1) Presented research paper titled "Novel synthesis and characterisation of 2-(5-Fluoro-2-Methyl-1H-Inden-3-yl)-N'-(1-(5-Oxo-1,3-Diphenyl-4,5-Dihydro-1H-Pyrazol-4yl) Propylidene )Acetohydrazide" in the National Conference on 'Recent trends in Advanced Materials and their applications' RTAMA-19 organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai-28 and Luminescence Society of India on 12th January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai
- 2) Presented research paper titled "One-pot three component synthesis of biologically active functionalized thiazolidinones" in the National Conference 'Recent trends in Advanced Materials and their applications' RTAMA-19 organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai-28 and Luminescence Society of India on 12th January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai
- 3) Presented research paper titled "Stability Constant of ligand FIMFMPPH and its metal complexes" in the National Conference 'Recent trends in Advanced Materials and their applications' RTAMA-19 organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai-28 and Luminescence Society of India on 12th January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai
- 4) Worked as Co-convenor for the National Conference on 'Recent trends in Advanced Materials and their applications' RTAMA-19 organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai-28 and Luminescence Society of India on 12th January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai
- 5) Published a research paper titled "Deep Eutectic Solvent mediated one pot synthesis of 1-Aryl-1H,3H-Thiazolo[3,4A]Benzimidazole" in International Journal of Research and Analytical Reviews(IJAR), E-ISSN 2348-1269, P-ISSN 2349-5138, Volume 6, Issue 1, Page No. 435-439, March 2019
- 6) Published a research paper titled "Synthesis of Thiazolo[3,2-A]Pyridines using affordable and biodegradable Deep Eutectic Solvent" in International Journal of Research and Analytical Reviews(IJAR), E-ISSN 2348-1269, P-ISSN 2349-5138, Volume 6, Issue 1, Page No. 440-444, March 2019
- 7) 'Chem-O-Joy' inter and intra collegiate festival organised by Chemistry department of Kirti M. Doongursee College, Dadar (W), Mumbai on 04/02/2019.
- 8) Attended one-day workshop on "Ethical Hacking" on 20th February 2019 at JSK Business School, DES Campus Kirti College.
- 9) Member of Library Committee.
- 10) Member of Research Promotion Committee.
- 11) TYBSc Chemistry Practicals paper setter, University of Mumbai.

### 7) DR. P B SHELKE :

- 1) Completed a Short Term Course in H. V. Desai College, Pune during 18th-24th June 2018.
- 2) Presented a research paper titled " Novel Methodology for the synthesis of 3,3'-diindolylmethanes by using Chitosan hydrochloride and water" in National Conference on " Recent Trends in Advanced Materials and their Applications" on 12th January 2019 at Kirti College, Dadar, Mumbai-400028.
- 3) Held sessions in National Conference on " Recent Trends in Advanced Materials and their Applications" on 12th January 2019 at Kirti College, Dadar, Mumbai-400028.
- 4) Worked in Organizing Committee for National Conference on " Recent Trends in Advanced Materials and their Applications" on 12th January 2019 at Kirti College, Dadar, Mumbai-400028.
- 5) Minor Research Project (Rs.25000/-) sanctioned by Kirti College in March 2019.
- 6) Participated in seminar 'CAS Rule under 7th Pay' held on 20th March 2019 at Kirti M. Doongursee College, Dadar, Mumbai.

### 8) DR. P. V. GHORPADE:

#### Paper Presentation:

- Presented research paper titled "**Role of conducting polymers in green chemistry**" in the National Conference ' Recent trends in Advanced Materials and their applications' **RTAMA-19** organized by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai -28 and Luminescence Society of India on 12<sup>th</sup> January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai
- Presented a paper entitled "Graphene oxide promoted oxidative bromination of anilines and phenols in water" in two day international conference "Convention On Colorants -2019" Organized by The dyestuffs Manufacturers Association of India, Department of Chemicals & Petrochemicals, Ministry of Chemicals and Fertilizers, Government of India, and Dyestuff Technology Department, Institute of Chemical Technology on February 28 and March 01, 2019 at The Club, Andheri, Mumbai.

#### Workshop participation-

- Participated in one day workshop on revised syllabus of T.Y.B.Sc. Chemistry (CBCS) jointly organized by BOS University of Mumbai and K.M. Agrawal College of Arts, Commerce and Science, Kalyan (w) on 27/07/2018
- Participated in one day workshop on revised syllabus of Organic Chemistry for M. Sc. Sem. III & IV held on Friday, 3<sup>rd</sup> August 2018 at V. G. Vaze College of Arts, Science & Commerce, Mulund (E), Mumbai.

### Organising Committee member-

- Member of organising committee and member of Editorial board in the National Conference 'Recent trends in Advanced Materials and their applications' RTAMA-19 organised by Dept. of Physics and Chemistry, Kirti M. Doongursee College of ASC, Dadar(W), Mumbai -28 and Luminescence Society of India on 12<sup>th</sup> January, 2019 at Hotel Kohinoor Park, Opp. Siddhivinayak Temple, Prabhadevi, Mumbai
- 'Chem-O-Joy' inter and intra collegiate festival organized by Chemistry department of Kirti M. Doongursee College, Dadar (W), Mumbai on 04/02/2019.
- Judged intercollegiate competition "Chem - Speak 2018" at SIES College, Sion, Mumbai on 15/12/2018.

### At College level:

- Executive Chairman, Central instrumentation facility center committee
- Member, Research Promotion Committee
- Member, Admission Committee
- Member, Discipline Committee

### 9) MR. A. B. DALVI:

- Worked as NSS Program officer for the year 2018-19 at Kirti M. Doongursee College NSS Unit.
- Worked as NSS Area Coordinator for District Mumbai City under NSS, University of Mumbai for the year 2018-19
- Worked as Organizing Committee member in 'Two Days Workshop on Competitive Examinations' held on 5th & 6th Sep 2018 at Kirti M. Doongursee College, Dadar, Mumbai
- Worked as Judge at 'Intercollegiate Streetplay Competition' at Police Training Centre, Marol, Mumbai, on the occasion of 'Police Shahid Din' on 18th, 19th & 20th Oct 2018.
- Participated in National level, 'National Integration Camp' sponsored by Government of India Ministry of Youth Affairs & Sports, organized by NSS Regional Directorate, Pune at Shivaji University, Kolhapur from 15th Dec 2018 to 21st Dec 2018.
- Has participated in the National Conference RTAMA-19 & worked as organizing committee member on 12th Jan 2019.

- Attended the annual Evaluation Session of NSS activities on 12th March 2019 at R D & S H National College, Bandra(W), Mumbai.
- Participated in seminar 'CAS Rule under 7th Pay' held on 20th March 2019 at Kirti M. Doongursee College, Dadar, Mumbai

### 10) DR. S. D. JADHAV:

Examination Admin (ERP): Leading role in the implementation of Examination Module of ERP in Kirti College for systematic computerized processes of all steps of examination and result without

outsourcing. i.e. Form filling of ATKT exams, hall tickets, seating arrangement, prompt messaging via mobile, subject wise blank mark sheet printing, flow for entering marks in the system, displaying online results and printing of Grade cards for Regular and ATKT of all aided and unaided courses in Kirti College.

- Successfully Completed UGC Sponsored Interdisciplinary Refresher Course in 'e-Learning and e-Governance' with 'A' grade organized by Human Resource Development Center, Jawaharlal Nehru University (JNU), New Delhi during 23rd July to 17th Aug 2018.
- A Research paper published in International Journal 'Journal of Molecular Structure' (Elsevier Publisher) titled "Effect of methoxy group on NLOphoric properties of fluorescent 7-arylstyryl-2-methoxyphenylimidazo[1,2-a]pyridine - solvatochromic and computational method". Issue No. 1173, Page No. 349-365. ISSN 0022-2860. (IF 2.011). <https://doi.org/10.1016/j.molstruc.2018.07.010>
- A research paper (under review) submitted to International Journal "Computational and Theoretical Chemistry" (Elsevier Publisher) titled "Investigations of the Electronic Structures and NLO properties of fused heterocycles having  $\pi$ -excessive pyrrole and  $\pi$ -deficient pyridine"
- Sanctioned Minor Research Project of Rs. 25,000/- for the academic year 2018-19 by Research Promotion Committee of Kirti College titled "Nonlinear optical properties study of some novel fluorescent 2-chloroimidazo[1,2-a]pyridine Derivatives".
- Sanctioned Minor Research Project of Rs. 40,000/- for the academic year 2018-19 by University of Bombay Titled "Linear and Nonlinear Optical properties study of some novel fluorescent imidazo[1,2-a]pyridine Derivatives".
- A Research Paper titled "Push-Pull effect of hyper conjugative methyl group and electron withdrawing groups on NLO properties of imidazo[1,2-a]pyridine derivatives" presented in National Conference on 'Innovative trends in Commerce, Humanities and Sciences (ITCHS-2019)' on 20th Feb 2019 organized by Bhavans College Chowpatty, Mumbai.
- F.Y.B.Sc. Incharge - Worked to complete the preparation and arrangement of students for First Year B.Sc. class to smooth conduction of practical.
- Worked as a Judge for District / Zonal Round of 13th Intercollegiate Avishkar Research Convention 2018-19 for Zone 4 (Palghar District) organized on December 14, 2018 at Dandekar College, Palghar for UG, PG, PPG and Teacher level.
- Worked as Organizing Committee Member (Registration Committee) to successful arrangement of National Conference on 'Recent Trends in Advanced Material & Their Applications' organized by Kirti M. Doongursee College and Luminescence Society of India on 12th January 2019.
- Worked as Organizing Committee Member (Registration Committee) to successful arrangement of Seminar on 'CAS Rules under 7th Pay' organized by Kirti M. Doongursee College on 20th March 2019.
- Worked as District Level Judge for National Children Science Congress (NCSC) in Bombay Cambridge International School, Chakala, Andheri held on 11th Oct 2018.
- Participated in the Workshop on "Start ups" organized jointly by Kirti M. Doongursee College and Navinchandra Mehta Institute of Technology and Development on 2nd Dec 2018.
- Different programs arranged under Convenorship of Chemistry Association: for UG and PG

students. Association Inauguration by Prin. Dr. Maurya C. B. (KLE College), Interaction with Research Scholar: Dr. Deepak Boraste (Research Fellow, Center for self-assembly and Complexity, Institute of Basic Science, Pohang University of Science and Technology, South Korea), Lectures of Prof. Aditya P. Singh (IIT-B, M.Sc.) and Prof. Kailash Chavan (NIT-B.Tech.), Relsie Sher, (M.Ed.) Master of Education, Bachelor of English Language Arts (4421, Elmhurst Rd, Toledo, OH 43613, USA) and Austin Kutin, Bachelor in Biomedical Engineering (213, DE 19701 USA), TED Talk Discussion and Notice Board display.

- Member of IQAC, Magazine Committee, RUSA Committee, NSS Advisory Committee, ERP Implementation Committee, Member Acting Board of Kirti Credit Society, DBT-Star Committee, Autonomy Committee, PRO in Parliamentary election 2019.

### 11) MR. N. A. BORADE:

- 1) Participated in HRDC Pune University sponsored FDP "Use of ICT as tool in Teaching and Learning from 16th July 2018 to 22nd July 2018 at T.C. College Baramati.
- 2) Commissioned as an Associated NCC Officer after completing three months PRCN-165 at Officer's Training Academy, Kamptee from 26th November 2018 to 23rd February 2019.

### 12) MR. Y. U. MAKANDAR:

- 1) Has participated in the National Conference RTAMA-19 & worked as organizing committee member on 12th Jan 2019.
- 2) Participated in seminar 'CAS Rule under 7th Pay' held on 20th March 2019 at Kirti M. Doongursee College, Dadar, Mumbai.
- 3) Completed Refresher Course in 'Cyber Security and Cyber Law [Interdisciplinary]' conducted under RUSA at Mumbai University from 1st April to 20th April 2019.

## Department of Commerce

Everyone enjoys doing the kind of work for which he is best suited. An artist loves to work with paints, a craftsman with his hands, a writer loves to write. Those with less definite talents have their preferences for certain fields of business and industry. We teachers emphasise on certain things for the benefit of our students through organising different activities and arranging the best guest lectures of experts from different fields. Students are benefitted in shaping their careers as per their desires in their life.

By organising such career based lectures we try to find their talent and capabilities and also plan gainful means of giving services as well as attaining overall development.

Keeping in view the above things we organised "SRUJAN – FEST 2018" of the students. Under aegis of srujan we conducted following activities in –

Guest lecture on : How to make career in the new age Finance sector across India and world?

It was organised on 07th September, 2018 Mr. Rohan Gawande, Manager, Proexcellous was resource person. The programme was chaired by Principal Dr. Seema Saple. Students from FY, SY & T. Y. B.Com attended it. Our second programme was on career opportunities. Mr. Abdullah Manihar, Academic Manager, SAHANI Group, Mumbai was invited to give a talk on career opportunities in Banking. This lecture was organised on 8th Sept. 2018.

### **Other Guest Lectures :**

#### **Animation in film and editing and cinema**

On 12th October, 2018, a lecture titled "Animation in film editing and cinema" was organised Mr. Mahesh Sawardekar, Arena Animation Ltd, Dadar Mumbai was invited on chief guest. Dr. Sapale Madam Chaired the session.

#### **Following is the list of regular activities.**

11th January, 2019 Mr. Vikas Tripathi, Academic Head, Keerti Computers, on gave a talk on "Career opportunities in Accounting, Finance & Taxation." on 16th January, 2019, a lecture on "How to develop Job Opportunities in Media?" was organised On 17th January, 2019 Mr. Pratik Narwekar, Business Manager, IEIBS AKADEMIA, Mumbai, was invited to give a talk on Career Risk Management. We would like specially thanks and mention our Principal Dr. Seema Saple, for her kind support. We also thank Dr. D.V. Pawar, Vice - Principal & Dr. Charu Kulkarni, Vice - Principal for their kind co-operation and guidance thanks are also due to our IQAC – co-ordinator Prof. Mathew Sir for his neat & smart co-ordination and providing all necessary requirements.

### **Individual Achievements**

#### **a) Prof. M.G. Kamble**

- 1) Appointed as a subject expert to conduct interview for the post of Assistant Professor by the Sasmira's Institute of Commerce & Science, Worli, Mumbai on 11th October, 2018
- 2) Appointed as a paper setter of T.Y.B.Com Examination Oct/Nov 2018 in the subject of MHRM by University of Mumbai
- 3) Appointed as a subject expert in commerce for CAS stage 1 to 2 by N.G. Acharya Maratha College of Commerce, Arts & Science, Chembur, Mumbai on 5th December, 2018

#### **b) Dr. B.R. Kamble**

- 1) Appointed as a subject expert for an of interview for the post of Assistant Professor by the

- Sasmira's Institute of Commerce & Science, Worli, Mumbai on 11th October, 2018.
- 2) Participated in One-Day Workshop on Revised Syllabus for TYBCOM in the subject of Commerce conducted by Smt. M. M. K. College of Commerce and Economics, Bandra, Mumbai – In association with University of Mumbai. Dated 25th June, 2018.
  - 3) Participated and Presented paper titled "Recent Trends in Online Marketing" in a One Day National conference on "IMPROVING GLOBAL COMPETITIVENESS. Organised by Reena Mehta College of Arts, Science, Commerce and Management Studies, Bhyender. Dated 29th September, 2018.
  - 4) Participated in One Day State Level Seminar on "ROLE OF INTELLECTUAL PROPERTY RIGHTS & PATENTS IN FACILITATING TRADE CAPACITY OF INDIA". Organised by University of Mumbai in Cell operation with Lala College of Commerce and Economics, Mumbai. Dated 5th October, 2018.
  - 5) Appointed as a Subject Expert for the Interview of "Assistant Professor – BMS & Commerce by Sasmira' Institute of Commerce and Science, Worli, Mumbai. Dated 11th October, 2018.
  - 6) Participated, Published paper titled "Study of Frustration among Working and Non-Working Women" with ISSN 2277 – 5730 Impact Factor – 5.5 in One Day National Level Conference, Organised by Parle Tilak Vidyalaya Association's PTVA's Institute of Management. Dated 12th October, 2018.
  - 7) Appointed as a Chairperson at One Day National conference on "CONTRIBUTION OF EDUCATION IN TRANSFORMING INDIA AS A GLOBAL LEADER SINCE 1990". Organised by Seth Hirachand Mutha College of Arts, Commerce & Science, Kalyan. Dated 20th October, 2018.

## Computer Science & Information Technology

The Information Technology field allows students to bring their general computer knowledge into a variety of specialized niches. The world of Information Technology is always growing and changing, so learning how to keep up with the pace of technology is one of the most important things students learn during the time of their enrolment for the degree and post-graduation program.

Staying current on trends in technology and the changing online environment can increase job security and upward mobility. The increasing role played by information technology in the development of society calls for increasing number of seats for professional courses like Computer Science and Information Technology.

### ❖ Academic :

- CS-IT Department is known as an incubator for up-coming IT talents with an objective of unraveling new minds, placements and research development. This year 50 students participated in the Infosys, IGATE, Accenture, CAPGEMINI and Tech Mahindra career fair.

- Department has encouraged students of FY, SY and TY (BSc CS and BSc IT) to visit various NGOs to sensitize them about the social issues faced by the society. Also they had been encouraged to read books on different genres and conducted an activity of book review in order to develop their analytical thinking and communication skills.
- We also initiated LA Espera Campus drive on 22nd Feb 2019.
- Prof. Apurva Yadav, Prof. Akshata Nayak and Prof. Prabha Kadam attended Faculty Development Program on Data Analysis with R, Python and SPSS, 18th and 19th Jan 2019.
- Prof. Prabha Kadam attended a workshop on Game Programming on 08th Aug 2018.
- Prof. Prabha Kadam attended a workshop on TYCS Revised Syllabus.

## ❖ Students Achievement:

Sr no.	Name of Student	Class	Achievement
1	Sail Sudesh Waingankar	TYIT	1) 3 <sup>rd</sup> (Bronze medal) in Maharashtra State Level Boxing championship which was held at Akola in 2018. 2) 4 <sup>th</sup> place in University Boxing tournament held at Thakur College on 3 <sup>rd</sup> to 7 <sup>th</sup> Feb 2019
2	Rohan Tanaji Borode	TYCS	1) 4 <sup>th</sup> in Maharashtra State Level Boxing championship which was held at Akola in 2018. 2) 3 <sup>rd</sup> (Bronze medal) in University Boxing tournament held at Thakur College on 3 <sup>rd</sup> to 7 <sup>th</sup> Feb 2019

### Economics

In order to groom students' personality and inculcate financial literacy among them, the department of Economics undertakes several students' centric activities. Academic and co-curricular activities of the department in the year 2018-19 are as follow:

**Library Orientation :** Prof. Ms S.V. Parab took the library orientation session for TYBA Economics students on 20th June, 2018 in the library hall. This activity was undertaken to orient students at beginning of academic year regarding reference books in library and also to encourage them for daily reading of newspaper in college premise.

**Participatory Teaching and Learning:** Regular classroom seminars are arranged particularly for TYBA class wherein students make presentation in the class followed by discussion and question answer session for the papers of Microeconomics-III and Environmental Economics. Students covered many topics like Monopoly Market, Price Discrimination, Oligopoly Market, Cournot's Model, Sustainable Development Goals, Rio Declaration, Kyoto Protocol etc. TYBA Economics students Mansi Tare, Sahil Desai, Rasika Mulik, Disha Mhatre, Kajal Pandey, Prachi Kathe and Ekta Bansode made presentation and interacted with the students.

**54th A.D. Shroff Memorial Elocution Competition:** The department of Economics organises A.D. Shroff Memorial Elocution Competition every year in collaboration with Forum of Free Enterprise, a non profit organisation, Mumbai. The Cash Prize worth Rs. 5000/- ( for first three speakers) and certificates to first five best speakers are sponsored by the Forum. The basic objective of this competition is to encourage college students to think and speak on economic and related subjects, besides enabling them to demonstrate their speaking abilities.

This year the competition was organised on 13th Oct. 2018, in which 11 students of degree college participated as speakers and approximately 60 students and 10 teachers as the audience. Participants had to speak for five minutes in English in any one of the chosen topics. Prof. Dr. Subhash Donde, Zoology department, Dr. Harshad Bhosale and Prof. Minal Mapuskar, department of Political Science were the members of jury; worked relentlessly and adjudicated 11 students for about 60 minutes. Anjali Balsakra (FYBA), Hetvi Patel (SYBSc. IT) and Anjali Awasthi (TYBMM) were the 1st, 2nd and 3rd winners respectively.

Principal Dr. Seema Saple was the chief guest and Dr. D.S. Manwar, Head, Department of Economics presided over the competition. Both of them praised the efforts of our students and congratulated the organisers and the department for providing platform to the students to express their views. Prof. V.S. Sontakke and Prof. S.V. Parab, Faculty, Department of Economics also addressed the students, made some critical assessment and gave constructive suggestions for improvement of the eloquence in future. Jury Members gave their reflections and suggestions. Prof. In-charge, Prof. C.M. Joshi coordinated with the Forum and participants and gave a brief introduction about the competition. The ideas shared by the participants were well received by the audience which made it a learning and fruitful exercise. Our TYBA students worked as volunteers. Prof. S.V. Parab proposed the vote of thanks.

**BSE Visit:** The department of Economics organised students' visit to Bombay Stock Exchange (BSE) on 31st January 2019. ## Geography

During the year 2018-19 Dr. Ranjana Naik, HOD, Department of Geography retired on 30th September 2018 after putting a long service of 30 years. As part of Geography day celebration two different programs were conducted on 9th January 2019 a guest lecture by Mr. Pranav Raut on "Global Navigation Satellite System and Surveying Techniques" based on Mobile application was organized in which hands on training was given to the students. 48 students took part in it and found it very interactive. They carried out the survey on the college ground and went three times to the ground, on their own, to rectify the errors.

1. The students being inspired by the above GPS Survey training, decided to prepare a Map of the college campus by using aids such as Handheld GPS receiver (GARMIN GPS 72H) and GPS DATA – an android application, Operated in smartphones. A team of ten students from F. Y. B. A. & S. Y. B. A. worked rigorously for collecting the survey points and now have successfully completed the Map both in Digital and Print format.

On 14th January 2019 another interactive session on the topic "Environmental Crisis" was taken by guest lecturer Mr. Shirish Medhi. 60 students of both Arts and Commerce participated in the program.

2. New innovative ideas introduced from second half of this academic year :

- a) Preparation of posters – to develop interest in the subject viz. Climatology and Oceanography, more than 25 posters were prepared by students, which are now being used as an important teaching act.
- B) Weather Information chart displayed in the department, which is maintained by the students regularly.

In the rapidly developing world, DATA is considered as a 'New Currency'. Concerning this, new career avenues are being generated, where geography students can grab those opportunities as they learn to build a spatial insight, which is much needed here. In view of this, on 4th February 2019, a career guidance lecture on "Building Skills in Emerging Data Science Technologies" was organized by JSK Business School in collaboration with IBM wherein the resource person was Mr. Dixit Kothari.

As a part of the newly updated syllabus of T.Y.BA., a paper on Bio-geography has been introduced. Marine Biogeography & Marine Ecosystem is an integral part of it. In this connection an excursion to Coastal and Marine Biodiversity Centre, Airoli, was organized on 7th February 2019 in collaboration with Department of Zoology. 10 students participated in the excursion. On 8th February 2019, Dr.H. M. Pednekar, Principal, Onde Arts Commerce and Science College, Vikramgad and Former HOD, Department of Geography & Vice Principal of Kirti College enlightened the students on

various topics like Time and Stress Management, Concentration while preparing for examination and also highlighted the impact of Positive Thinking.

Teachers and students of Geography Department had given technical guidance to Department of Botany regarding the use of GPS handset and Mobile applications for mapping vegetation in the College Campus on 14th February 2019 in an interdisciplinary activity organized by both the Departments.

This year geography students overwhelmingly participated in various intra and intercollegiate events and some of them also bagged prizes.

## Women Development Cell

In attainment of the directives of Mumbai University Kirti College has set up Women Development Cell (WDC) with the aim of providing and maintaining a noble and amiable environment for women including students teaching and support staff where they can study, work and discover their potential to the fullest. With the dream of maintaining and escalating the status of Women, WDC organizes theme based activities and events concerned with significant issues of women arising from social concern. This report appraises the same.

In response to the Vishaka Judgment passed by the Supreme Court in 1997, the University of Mumbai set up the 'University Women Development Cell (UWDC)' in 2001 with the key purpose of making the University a gender-sensitive space. The University also directed all its affiliated colleges to set up a 'Women Development Cell' at college level. In compliance to this WDC organised series of lectures by various faculty members. On 13th August 2019, Dr. Harshad Bhosale and Prof. Vithal Sontakke conducted a session on Prevention of Sexual Harassment at work place and on 16th August Dr. Urmila Sarkar, Prof. Subhashree Parab and Prob. Jayant Wankhade conducted a session on Gender Disparity. There was a very good response for both these sessions. The sessions were interactive where couple of student expressed their problems which were taken up by the faculty. These students were later on counseled for their problems.

Women Development Cell in association with Department of Economics and Library organised a Young Women Entrepreneurial Talent Hunt on 1st February 2019 was organized.

The inauguration of the event was done by honourable Mr Makarand Churi Managing Director of Nisarg Nirman Agro Farms. There was an overwhelming response from our budding Entrepreneurs. the Girl students of Degree College and Junior college to. They exhibited self-made articles such as flower pots, ear-rings, wrist bands, paintings, photo frame, envelopes and gourmet items like Pav-bhaji, Chaats, Biryani, Chocolates, squashes and milkshakes etc. The girls displayed their aesthetic skills and entrepreneurial traits. There were 32 stalls put up for the exhibition and sale of these products. On the same day also an exhibition of Books on entrepreneurial management and skills was laid in order to acquaint and encourage students in the field of self employment. This event received lot admiration and credit.

Women Development Cell in collaboration with Placement cell organized a United Nations Development Programme (U.N.D.P) sponsored wheel box employability skill test. Mr Dayal Kange was the Speaker for the same. This test was followed by a counseling session on various aspects of personality by Ms Sheetal Bhandar and her team.

### Internal Quality Assurance Cell (IQAC)

IQAC has gone from strength to strength in coursing various actions for the academic year 2018-19.

In the beginning of the academic year, an orientation of all first year students was conducted in the month of August for each faculty. Students were initiated to the various facilities of the college by teaching staff. Students were introduced to the impressive history of Deccan Education Society (DES) and Kirti College. They were then guided about the disciplines of academics, exams, sports, cultural activities and other co-curricular activities such as NCC and NSS. The examination system was explained in detail through power point presentations.

The committee has promoted the use of the Governing Education Management System (GEMS) under the central Enterprise Resource Planning (ERP) System for integrating different processes of college. The admission module of ERP system was implemented for admissions of last three academic years of Junior as well as Degree College successfully. The examination and result module of ERP was used extensively in completely revamping the examination and result processes. In addition, teacher's evaluation and self-appraisals were also done on the ERP.

Examinations were conducted throughout the year with precision and perfection. Kudos to the examination committee for their commitment and hard work. This work was done in excellent collaboration and synchronization with the ERP committee. Result Grade cards were also printed for the first time indigenously by the ERP.

It is planned that all the administrative and academic processes will be brought into the ERP in a phased manner.

A festival of academic programmes named SRUJAN-2019 was organized from 4<sup>th</sup> September to 8<sup>th</sup> September 2019. Around 50 programmes were organized during this period by almost all the departments both from the aided and unaided sections, the details of which have been highlighted in the SRUJAN section of the magazine. This was the first time in the history of Kirti College that such a programme was devised and implemented successfully with the cooperation of all the teaching and non-teaching staff.

A team of Principal and two IQAC members were deputed to Kerala to report on the utility of DST-FIST funds granted to us in 2017. This year extensive efforts were made to obtain RUSA –II funds that were earmarked for colleges with A grade status by NAAC. A budget is proposed by DES for teachers for major and minor research projects every year. This year around 8 teachers from Arts and Science faculties took the benefit of this scheme.

This year a major collaboration was made with Climate Reality Project by signing an MOU with the organisation by DES. This was made possible by the efforts of IQAC of Kirti College. A meeting was held in Pune with DES Chairman, Dr. Sharad Kunte, Climate Reality Project Country Manager, Mr. Aditya Pundir and teachers from different institutions under DES including 4 staff members from IQAC, Kirti College to deliberate on the collaboration. Education and implementation of environmental programmes for climate changes have been Under this collaboration one programme of environmental education was organised for our RCF (owned by Rashtriya Chemical Fertilizers and managed by DES) school in Alibag in which nearly 100 students participated along with school staff. From Kirti College, 4 members including IQAC and the newly constituted Environment Committee were present for the programme that was led by Dr. Nandini Deshmukh, former head of Zoology Department and currently In-charge, Climate Reality Project, Mumbai.

A workshop was held on the "CAS Rules Under 7<sup>th</sup> Pay" with Dr. Arvind Luhar of Ismail Yusuf College on 20/03/2019 as the resource person. He explained in detail the new pay scale system in comparison with the old CAS rules.

In the month of April 2019, a CAS camp was conducted for 8 teachers in the presence of the Joint Director of Mumbai. All except one teacher were recommended for promotions under CAS scheme.

The college has been advised by UGC to enter autonomy status after having secured three consecutive A grades from NAAC. 3 members of IQAC were deputed for a workshop on autonomy at Pune University on an invitation received from UGC. To this end the college had arranged for two introductory workshops to guide the staff – "Autonomy Ahead" by Prof. Urmi Palan of autonomous Ruia College on 9<sup>th</sup> March 2019 and "Autonomy Insights" by NAAC Executive Committee member Prof. R.S. Mali on

12<sup>th</sup> April 2019. A committee has been constituted to lead the college into autonomy. The next year will be committed to going through this process of attaining autonomy. It was decided that an academic and administrative audit will be conducted in next academic year, two years after it was done before NAAC in 2017.

The college needs to strengthen its bonds with the alumni and other stake holders of the college. Current students need to be mentored with respect to their academics and career prospects. All processes must be steadily brought under automation through ERP. Attendance and results of students need to be improved and students must be given better placement opportunities. IQAC will work towards these issues giving our college the impetus for staging a better performance on the road to autonomy.

I thank the management and staff of Kirti College and the members of college IQAC committee for their unconditional support and cooperation towards realizing our objectives and goals for this academic year.

**Prof. Mathew Samuel**  
IQAC, Co-ordinator

**Elocution & Debating Association**

In March 2018, IQAC decided to have an academic festival, where for a week academic programmes and activities would be organised by all the departments. Instead of having programmes held arbitrarily the year around, it would be beneficial for all departments to host such activities in an organized manner within a predefined period. This would benefit students of the departments and inter-related subjects. For eg. A student of politics who is also a student of History could attend programmes hosted by both the Politics and the History departments.

A staff meeting was held immediately after college reopened in June and it was decided that the event which would be a festival of academic activities would take place in the first week of September before the college closed for Ganapati celebrations from 04/09/2018 to 08/09/2018. The festival called for creativity and fertility of ideas and hence was named SRUJAN.

All departments were to decide on the programme/s that they would like to organise. It is really noteworthy that almost all the departments both from aided and self-financed sections came forth together to hold at least one programme.

An inauguration ceremony was held on 4th September with Adv. Neel Helekar, Chairman of the College Development Committee, as the chief guest. In the presence of a packed audience the festival was declared open by him after a brief inspirational message. Each department was assigned a specific day and time to hold their programmes. All the departments organized around 50 programmes during this week. The college witnessed programmes as diverse as lectures on DNA printing, Mindfulness, clean shore initiatives, stocks and shares, popular physics to management games, quizzes, talks, exhibitions and films shows. Around 20 departments participated in this event. The Internal Complaints Committee (ICC) cell held a half day seminar on Prevention of sexual harassment at workplace by the eminent personality Ms. Aarti Pendse on the purpose and scope of POSH. There were around 100 participants for the programme. The Career Counseling cell held a 2 day workshop on competitive exams in association with the Politics department in which around 50 students participated.

The collective efforts of Prin. Dr. Seema Sapale, the management, IQAC committee and all the departments including teaching and non-teaching staff are highly appreciated in making this wonderful endeavor a thundering success.

### ***Stopping by woods in a snowy Evening : A Poetic take on Duty Vs Temptation in a Mans's life.***

Introduction : Known for his realistic depicting of rural life and mastery over American colloquial speech, Robert Lee Frost, an American poet is worldly famous as a poet of 'Man and Nature'. Frost frequently employed in his poetry a setting of rural life in New England in the earlier twentieth century. He constantly depicted a rural life in his literary work prominently to examine complex, critical, social and philosophical themes of social life in Europe. A winner of four Pulitzer prizes for poetry, Robert Frost is known to explain a human act, and concerned facts, as he once remarked. "Anything you do to facts, falsities them, but anything the facts do to you, transforms them into poetry."

As a reputed modern American poet Robert Frost in his poem stopping by woods in a snowy evening. deals with versatile theme, like nature, communicator, everyday life, isolating of individual, rationality vs imagination, rural life vs urban life, etc. In a very meticulous manner. T.S. Eliot, the father of Modern American Poetry once commented on Robert Frost's poetic style

"Mr. Frost is one of the good poets and I might say the most eminent, the most distinguished, I must call it, Anglo-American poet now living.

Analysis : The poem stopping by the woods in snowy evening reflects the importance to be focused in context to purpose of your life and not to get distracted by the temptations in like. The poem opens with the arrival of the traveller on a horse at a thickly wooded jungle a nature's spot in New Hampshire. The beauty of the wood enhances to both traveller and his horse seem to be enchanted by this beauty spot. A shake to horse harness bells questions if the traveller has stop at right destination or lost in deserted place by mistake. Apart from horse's bells the restling sound of unitary wind and snow flakes falling on the ground breaks the silence in the eveining of the mystery woods. The place is very beautiful and traveller is totally impressed by the mysterious woods and loneliness. However, this enchanted mind of the traveller is invaded by the realistic thought of proceeding in his journey without any break. The last stanza of the pome reflects the philosophy of life to esend constantly in life no matter how many obstacles you face.

"The woods are lovely, dark and deep,

But I have promises to keep

And miles to go before I sleep

And miles to go before I sleep."

This above stanza ends the poem on an optimistic note where the travellers realises the importance of preceding in his journey without getting diverted by the lovely and dark woods and snowy evening. The traveller admits the fact that he has to concentrate on the goals in his life and needs to work harder towards it, so at this stage of life he cannot afford to stop and get diverted. He has to go miles

together before he wishes to stop and relax.

Conclusion : The poem ends on an optimistic note where it is been urged that in order to be successful in our life, one has to fight constantly against the unwanted disturbance and diversion. The temptation might come in any forms, but if one is determined to focus on goal and lives with that purpose the success will follow you. The "promises" will give you motivation to proceed in your life with strength and courage.

### ***Exploratory investigation of health hygiene and social stigma***

'Period End of sentence' is a documentary, directed by Rayka Zehtabchi. The documentary intends to spread awareness about the menstruation in rural areas of India. This documentary academy award for best documents for short films in 2019. The picturisation of the film took place in Hapur district which is only 60km away from the national capital of India.

The documentary starts with the interviews of people living in a village, who are completely ignorant about menstruation or monthly periods and also about sanitary pads. We can see how people are unaware about menstruation and issues related to it. Some women and girls were uninformed about pads. On the side in cities, we have multiple choices over pads, tampons, menstruation cup but on the other side these women in rural India have never heard about it. When interviewers showed them few samples of pad it was a new invention for them. Some of the young men were actually uninformed about what is menstruation. They were conversant with the word 'Pads' but their knowledge was limited only at surface level. The documentary shows how the youngsters perceived a misconception that menstruation period is a disease which persists for a temporary period. During this period they can be forced to live a life of untouchable. All this scenario shows how there is education dearth in our rural society. We can see the need of basic education among people especially in rural area which is effectively picturized in the documentary.

Every coin has two side, as well as this film and the rural society. When we see lack of knowledge there are also some people like Sneha who are well aware of negative social norms and scientific phenomena of menstruation She also knows why we need to change our social perspective and also our habits. There are also other women who are broadminded like suman and shobana. There are few elderly ladies who express desire to change the mindset of women from using cloth to sanitary pads. They also acknowledge the fact and there is a need to change the habits of women. They are taking step towards progress by participating in the pad project of India started by Arunachalam Muruganantham. They started a small factory, with help of other pad producing companies, engaged in manufacturing pads, packaging, and selling, done by themselves. They convince women and shopkeepers and take counselling sessions so that other women can also be inspired by

them. This shows how loyal they are towards their mission.

This documentary is a huge success in projecting the society's perspective about menstruation, uninformative state of people as well as progressive thoughts and actions of people. Their efforts give us inspiration to change our mindset and achieve progress of the whole society. Some NGO's work for this purpose but sex education, which is considered as an aversive and repulsive subject in India should be included at primary level itself.

The documentary gives a noble message of introducing innovative changes in our educational system. This documenting reveals that Introduction of health / hygiene issues in educational system can ensure a healthy and prosperous society.

### ***Sylvia Plath's Mirror : An Observation of Time and Appearance***

Introduction : Sylvia Plath, a reigning queen of genre called 'Confessional Poetry' is wordly famous for her collection of poem's : 'The colossus and other Poems (1960), Ariel (1965) and the novel, The Bell jar (1963). Her confessional poetry reflects her personal life crises like depression, suicide attempt and death. For instance in 'Ariel' her poems like 'Daddy', 'Tulips' reflected her real life and even here mental illness. Dr. John Harder a close friend of Sylvia Plath claims that her thoughts were "Marked by constant agitation, suicidal thoughts and inability to cope up with daily life"

The major themes which are reflected in Sylvia plaths confessional poems are death, nature, the self, the Body, Motherhood, Sexuality and Victimization,. Sylvia Plath's Clinical Depression turns out to be a source of material for her poetry. Al alvarez commeted once "that she deliberately used the details of everyday life as raw material for her art. A casual visitor or unexpected telephone call, a cut, bruise, a kitchen bowl, a candle stick everything become usable, charged oil meaning transformed."

Analyses of the Poem :

In the poem "Mirror" Sylvia Plath observes the fact that the 'Time' and 'Mirror' both do not wait for anyone. In due course of time the appearance of face and figure changes which is unpleasant to accept for any human being but it is Mirror which gives truthful reflection of images of people to stand next to it. 'Mirror' poem by Sylvia Plath was written when she had her first child with fellow poet and husband Ted Hughes. This is the time when Sylvia Plath faced stressful time and feared the idea of ever growing old. The ideas of uncertainty self & determination of human body during old age, are powerfully expressed through sharp imaginary and dark undertones in the portly Mirror.

The poem opens with the lines.

"I am silver and exact. I have no preconceptions"

The above line personifies the mirror which doesn't judge to anyone who stands next to it. All it gives is

the truthful reflection. This reflection is precise and the mirror never allows its reflection to be clouded by like or dislikes. The narrator claims that the mirrors are four cornered eyes of God and it sees everything as it is. The objects are allowed by mirror as it is. As the poet writes.

"Whatever I see, I swallow immediately"

The mirror looks across the empty room and meditates on the pink specked wall across from it. This wall has become part of the heart of mirror. The image of wall is disturbed when people enter to look in the mirror, as it is reflected in following line.

"I think it is part of my heart. But it flickers faces and darkness, separate us over and over"

In the second stanza the mirror imagines itself as a lake. As the poet mentions :

"Now I am lake"

A women looks into a mirror to gaze her true reflection but she sometimes prefers to look at herself in candle light or moon light which block her true appearance. It is only mirror who is capable of giving her faithful representation of herself. But woman is not mentally prepared to accept her true image since in due course of time she has grown old. Once a young girl today the image of women looks like a terrible fish. As the poet mentions :

"In me she has drowned a young girl, and in me an old woman, rises toward her day after day, like a terrible fish"

The tragedy with the woman is that no matter how honestly the mirror gives her the exact image, the woman is not accepting her darker self which is nothing but her inability to accept the fact she has grown old.

Conclusion

'Time' waits for no one and it is the 'time' which makes one aware of aging body and loss of pleasant appearance. Truth is bitter to accept. In this poem the mirror becomes the platform to reflect the truthful image, of people who stand next to mirror. 'Time' and 'Mirror' both do their duty honestly and make people aware of their lost youth.

### ***Analysis of Triple talaq judgment of Supreme Court of India.***

Instant talaq or "triple talaq" or "talaq-e-biddat" is an Islamic practice that allows men to divorce their wives immediately by uttering the word, 'talaq' (divorce) three times. Muslim personal law says that a talaq can either be given by the husband or by the wife. It can also be a mutual divorce.

The Hon'ble Supreme court heard the Petition for ban of practice of triple talaq through a constitutional bench comprising of 5 judges from different religions – justice Kurian joseph, a catholic justice V. V. Lalit, a Hindu and Justice RF Nariman, a

parssi, chief justice Khehar,, a sikh and justice Abdul Nazeer, a Muslim. On August 22, 2017 this bench declosed triple talaq or talaq-e-biddat as unconstitutional by a 3:2 majority justices Kurian, Lalit and Nariman delivered the majority judgement while chief justice khehar and justice Nazeer dissented with the majority.

Taking into consideration the views of the Hon'ble Supreme Court in the judgment of Sayara Bano vs Union of India the Hon'ble law minister Shri Ravi Shankar Prasad took an initiative to present the triple talaq bill before the lower house i.e. Lok Sabha, which was passed by the majority by the lower house on December 28th 2017.

It is a matter of painful surprise that the judgment has not worked as a deterrent in curtailing the number of instances of triple talaq. The Union Government claims that the legislation would help in ensuring the larger constitutional goals of gender justice and gender equality of married Muslim women and subserve their fundamental rights. The main highlights of the said bill are sections 3 and 4 which criminalize the practice of triple talaq Section 3 of the bill states that "talaq-e-biddat" shall be void and "illegal. This is followed by consequence of such void action in terms of section 4 thereof, stating, whoever pronounces talaq-e-biddat shall be punished with imprisonment which may extend to 3 years. Further section 7 of the Act makes the offence cognizable and non-bailable offence. The said bill has gained appreciations and at the same time the bill has been heavily criticized by many obscurantist.

Unfortunately, in India, Muslims have turned their own law upside down and have made marriage extremely difficult and expensive and loaded all the expense on the bride and her family, In addition to this the people have adopted the dowry system, and they have no shame in demanding it. The parents are forced to give money and gifts to the groom and his family and on top of that Muslim men are misusing the talaq and instead of giving rights to women they are dominating them.

### ***The Right to Pee***

"Shuu... you are a women, don't light for washrooms. What will people say?"

Peeing, is nature's call but so many have to delay the call, especially women. A question might have arised in your mind, why ? Because Men can pee any where, they don't feel ashamed they can colour any wall they wish to. But women ? Alas ! They can't Due to lack of washroom, women have to control themselves which leads to ill heath ???, like, Kidney Stones, Urinary tract infections and many harmful side effect.

People could feel that but how will they speak ? and to whom ? and women... women will fight ? oh my god ! They can't come out of house and they'll fight ? women have to search for washroom and if they are lucky and fine one, it might be dirty or broken and they still have to pay for it. Therefore many NGO's come together to fight for the "Right To Pee". Right to Pee is movement which progressed due

to swatch Bharat Abhiyan But, another problem is that women have to pay for peeing. But due right to pee.

Right to pee is not known and have discussed openly. I would request you all to please research about this and make people aware of this issue and ask them to join the fight.

### ***Importance of Self Talk in digital world***

Self talk can be an inner guide that you can use to guide self to thrive on stress. When you learn how to make use of self talk tool, then automatically you get mastery to discover new tricks to develop healthy skills. Self talk gives you a flexible plan that will assist you when you facilitate into confrontations. When you have those tugs of war happening into your thoughts, sometimes you need to sit back, open attorney at law to you and see new ideas that direct you to thriving on stress. It's easy to think that it is harder to control stress as soon as your thoughts are cluttered. The mind may cease to be effective properly, which often accumulates blind spots that hinder from achieving your goals. If you create a mindful force to comprehend your stress levels, you can then go to guide within you which enables you to thrive on stress. Perhaps your setup bombardments mentally that increase, blind spots, which generally develop from negative thinking. Your confidence power to use commonsense, self esteem all disappear the window. Sometimes you have to make use of our own inner learning to discover ways to manage stress. Occasionally you could feel hopeless all inadequate, but utilize this filling in your favour As opposed to beating you down, being action to control stress.

And the most important words Reaction & Response. It's like to quite similiary but the meaning of those two words is very different . Reaction is a typically quick, without much thought, tense & aggressive & the important thing it's positive mean while response its a thought out, calm and non-threatening.

### ***How Smart are Smart cities***

#### **Introduction :**

The smart city concept mainly build up which will have good infrastructure, amenities and services which can be a part of any individuals aspirations.

The Smart city mission was launched in the year 2015 by government of India under the guidance of prime minister Shri. Narendra Modi. It is a five year programme in which the existing cities will be selected and upgraded to smart cities

#### **What are smart cities ?**

The smart cities will have technology use such as develop open spaces for parks, playground and

recreational spaces. The smart cities will have plants, housing, walkable locality and technology friendly solutions.

### **Current smart cities mission :**

The current smart city mission covers the development of 20 cities in India example Bhopal, Pune, Jaipur, Surat etc.. Every smart city will have a smart city centre (SSC) The SCC will be the city's nervous system. The SCC functions and as cities nervous system where digital technologies are integrated with social, physical aspects of city. The cities devices sensors, camera, GPS and other equipments which will collect information and transmit it in the same central facility. The information received will be analysed on real time basis and incident response management will be set up in the city.

### **Future of smart cities development in India :**

The smart cities such as Pune have already followed initiatives such as installing flood sensors emergency call box in around 120 locations around the city. In Ahmadabad free wifi on bus corridors has increased readership by 20,000. In Vishakhapatnam, CCTV and GPS enabled buses are being used to track the transport services online as a result revenue is generated out of tax collection.

### **Benefit of Smart cities :**

The smart city can bring wonders in life of common city dwellers. Following are the changes that can be overcome after successful implementation of Smart cities.

- 1) Mobility : The smart city will have integrated model of transport, effective parking and intelligent traffic management sector.
- 2) Renewable Energy : The city will have renewable source of energy and green building
- 3) Waste Management : The cities will have recycle and reduction waste management system planned for its citizen
- 4) Digital Technology : The smart citizen can use digital Technology for information to enhance and performance of urban service plan for its citizens.

### **Conclusion :**

A smart India is developing with an enormous pace more and more cities under the smart city are presently getting a new identity. This will help in improving overall quality of life and attract people and also ensure investment. In a nutshell "The Smart city is a way forward for affective and efficient India"

## ***Democracy And Me***

Democracy means the opportunity for all the people to represent the demand as well as proper standard of living. It ensures that people's opinion about the government and their functioning toward the Nation is expressed freely and fearlessly.

Democracy is based on the consent as well as representation of the people. It describes equality, fraternity and justice as the core of the Indian Constitution. It describes the rights to life and liberty under article 23 of the Indian constitution which solely represent the individual's right to live a prosperous and peaceful a life.

Article 14 of the Indian Constitution represents Equality before law and equal protection of law as the two parts of equality. Equality before law means having equal rights to represent themselves in the High court or supreme court when an individual is arrested under preventive detention. Democracy in parliament can only ensure the dream of realising the ideal of Justice & Liberty. I believe that democracy is a fearless system of government where in the voice of Public dissent is protected and respected. In New Delhi, Rashtrapati Bhawan Represents the actions of the preceding Presidents in giving the assents to various bills organised and propounded by the preceding national governments as well as in the Indian constitution. The President of India is also the supreme commander in chief of all the Armed Forces President of India technically the appoints the General of the Indian Army, commander of the India Navy, and the Commander of the Indian Airforce.

Lok sabha and Rajya Sabha are the houses of Indian Parliament which can enhance and give opportunities for the representatives of various states to imply the demand and interest of the people of various states. The Indian Parliament house represents the interest of the people from various states but the Members of Parliament are the main pillars of Indian democracy which creates response from resolving the developmental issues of the nation through formal interaction They normally select only important issues which define the interests as well as social economic and political Welfare of the people.

### ***US – China Trade War : Dark cloud over global economy***

The trade war that U.S. President Donald Trump started against China will profoundly reshape the global economy. We need to be prepared for it. The trade war has accelerated several trends that had been underway for some time.

In 2017, exports from EU to Asia were bigger than that to the US, and more significantly, EU's exports to Asia in the last decade have been growing almost twice as fast as its exports to the U.S. while Asia's exports to the EU in 2017 were still significantly lower than that to the U.S. It is also faster, growing, making the EU increasingly important to Asia, as per the IMF's direction of trade data. From a simple perspective of market size, Asia today is more important to the EU than the US, and the EU will soon be more important to Asia than the US.

Asia's market size for import reflects its vibrant and growing consumer market that will become increasingly prosperous. Measured by estimates of private consumer expenditure, Asia today is just about as big as the US. The big difference is, however, that private consumer expenditure in Asia is growing at twice the speed compared to the US. If Japan is excluded.

Asia's growth is three times faster. Even more striking is China, where private consumer expenditure has been growing at an average of 13.8% a year in the last decade, over four times faster than in the US, according to the World Bank WDI database and Eurostat. Not surprising, China is now the largest market on the expanding list of countries which includes Australia, Brazil, Russia, South Africa, South Korea and Indonesia among the others. Indeed, if the current growth rates of imports in the US and China holds for the next few years, China will overtake the US to become the largest market for imports by 2021, as per the reports of the IMF and the Bureau of Economic Analysis at the US Department of Commerce.

Against the backdrop of these powerful trends, Trump's trade war is creating new impetus for the EU and Asia to speed up the opening of their markets to forge stronger economic ties. This will lead to an even faster growth in trade between the EU and Asia, accompanied by rising investment. A new sense of urgency everywhere outside the US is now afoot as policy makers seek to fast track regional free trade agreements. For instance, after Trump pulled out of the Trans-Pacific Partnership, a successor, renamed the Comprehensive and Progressive Agreement for Trans-Pacific Partnership, was signed in March 2019 by 11 countries on both sides of the Pacific within Asia. China and Japan are working towards mending fences, the regional and comprehensive Economic Partnerships, which includes China, is being prioritised as a major step towards Asia's economic integration. A direct consequence of the Trump trade war therefore is a faster and wider economic integration outside of the US., accelerating the shift of the global economic centre of gravity towards Asia.

Such a development in turn has profound business implication. As Europe and Asia forge closer economic ties, their tariff on each other's exports will come down. Business operations in these increasingly open markets will have to adapt to intensifying competitions, thereby becoming more efficient, innovative and dynamic. The network of global supply chains that has revolutionised the nature of

trade and investment since the 1980s will expand and become more productive and intertwined across Europe and Asia while withering in the U. S. while 326 million American consumers are being increasingly 'protected' by Trump's tariff wall, over four billion consumers in Europe and Asia will thrive and enjoy more, better and cheaper products and services provided by the competitive and creative businesses.

## ***Education is the Most Powerful Weapon !***

What is an education? It can be defined in many ways but what exactly is it? What I Comprehend from my experience is that it is the continuous and constructive process of learning, it teaches you to tackle all the obstacle by inculcating all the essential qualities and most importantly helps you to survive in this human society and most beautiful world.

Education is the base for each and everything in this world. Education is not just writing, knowing things and good results in examinations. It is really about not only knowing things but also demonstrating differences between right and wrong. It help to raise voice against wrong and changing it cause of education, today we have so many ideals like Mahatma Gandhi, Nelson Mandela, Mother Teresa, A.P.J. Abdul Kalam, Savitribai Phule, etc. Do you think without an education they all have been able to reach this great height? Could you imagine a world without an education? For sure we would not be able to invent all the things that we have now like T.V., rockets, machines, medicines etc to cure diseases like tuberculosis typhoid, cancer. Technical Education helps to invent several electronic gadgets and Apps which help people to stay in contact with each other even they are in different states of countries. Education sow seeds of knowledge and desires for success. It helps you to make your own path and walk on it with full dedication.

So for sure, it proves us that the education which is the most powerful weapon that stays with one for the entire life.

## ***Animal rights Expressively the compassion of Ultimate Self***

Almost all of us grew up eating meat, wearing leather and fur jackets and visiting to circuses and zoos. May of us brought our bellowed "Pets" at pet shops, had guinea pigs, and kept beautiful birds in cages. We wore wool and silk, ate McDonold's burgers and fish. We never considered the impact of these actions on the animals.

Supporters of animal rights believe that animals have an inherent worth a value completely separate from their usefulness to humans. We believe that any creature with a will to live has a right to live free from pain and suffering. Animal rights is not just a philosophy – it is a social movement that challenges society's traditional view that all nonhuman animals exist solely for human use.

Many varied species of animals around the world are getting extinct due to the environmental changes happening around us and mostly because of man's cruelty towards animals. Now a day's man has become a very selfish for all his needs to be fulfilled in which animals are harmed with so much cruelty of which they don't deserve at all few example can be cited as Bears, lions, elephants and monkeys are used in circuses and even for entertainment. The wild coyotes are trapped, killed and skinned to prepare winter jackets 'Canada Goose' horses are being forced to run in races and have heart attacks as they run faster beyond their capacity as they are being beaten. Guinea pigs, rabbits, rats and baby monkeys are used by scientist in laboratories to be experimented. Thousands of male chicks are being crushed to death just because they can't lay eggs. Rhino horns are being cut down with their flesh with utmost savagery. Crocodiles are killed for their exotic skins trade by Louis Vuitton for making leather handbags.

Don't they feel the pain? Don't they have the right to live in this beautiful world as we do? Why being so inhuman towards animals for fulfilling our needs and bringing such shame towards humanity? Innumerable examples of bad activities by human are proof that we are treating animals with extreme cruelty. Every person on this earth should be heavily impacted by this issue. An organisation called PETA is taking great initiative in this by bringing all of the activities to the world's notice and encouraging people to give their contribution too. We should respect not only the humans around us but also the animals around as well.

### ***Challenges of moving towards cashless economy***

Before moving on to the challenges regarding the cashless economy. Let us first get to know what does cashless economy exactly mean. The cashless economy is the economy where cash is not used or least used. It means that in a cashless economy digital money is used instead of cash in the transaction are done using digital devices such as mobile phone, ATM cards, swipe machines etc.

As you all know about the demonetization made by the government on 8th November 2016 led to some various impact on our economy. Indian prime Minister Respected Narendra Modi announced to the citizen of India that those notes are worthless and they had until the end of the year to deposit or exchange them for newly introduced 2000 and 500 rupees notes. As a solution used of plastic money in the form of Credit card and Debit card was touted as the way forward. The Government strategies over past years or so have been catered on promotion e-payment, cashless payments and plastic transactions.

It is indeed the future of our economy to achieve something fruitful. Some challenges have to be

overcome, Let us take a look at the challenges leading towards cashless economy.

Our economy is dominated by cash overall less than 5% of all payments happen electronically 1) The first challenge we faced is the cards and P.O.S. ie. (Point of Sale) RBI showed in July 2016 that banks have issued 25.9 million credit cards and 697.2 million debit cards to customers after deducting cancelled cards. But it is quite obvious that cards alone can transform the economy into cashless one. Further there are only three purposes for which cards are used, they are for making online payments. Withdrawing money from ATM, and swiping for buying merchants' outlets like restaurant shop etc.

The second one is the ATM : The known fact is that in our country over 1.2 billion people we are currently having only 2.12 lakh ATM machines and 1.3 million point of sale (P.O.S) card machines. People may also want to shift to the digital mode of payment. But due to shortage in the bandwidth and uncertain power supply in most parts of country makes the reliability of the digital system a big challenge.

The Third challenge is Mobile : Paying through phones may be attractive, but phones must be first connected to Internet or Wi-Fi. In Uttar Pradesh, alone there are approximately 1 lakh 50 thousand to 2 lakh telecom recharge counters and by keeping the population of India in mind. It becomes clear that the present availability is still not sufficient for cashless economy.

The fourth challenge is the Internet : At present only 13 out of every 100 Indians in rural areas actually have internet and the quality of Internet is not up to standard. Due to lack of knowledge and low availability of resources. Many people are not aware of the Internet access. This makes internet a biggest challenge.

One of the biggest positive impacts of demonetization is to bring more people on the dominant economy grid, curbing the black money which has been one of the main agenda of demonetization. It can also reduce corruption. It can also handle a pressure of transferring a huge amount of money at a sometime through digital devices like mobile phones.

The government is trying to take some steps towards cashless economy by introducing some of the like.

- 1) J.A.M. (Jandhan yojana adhar and mobile)
- 2) Enhancing online transaction
- 3) Idea of digital India
- 4) Financial security
- 5) Financial Inclusion.

Cashless society is dangerous, many but 2000 notes are a very good money. Master cards and visa which do 85% of world transactions will have control on our country. I am not saying that this system is bad but totally using this system and eliminating cash system will be disaster.

However, In the long run it would be interesting to see the impact of cashless in our economy.

We need to keep our fingers crossed to see which side the camel sits. How our economy will approach this change and how people will embrace this change? If it all goes perfectly to the plan this may be very much change the condition of finance in our economy.

## प्रसिद्ध मनोविकारतज्ञ डॉ. राजेंद्र बर्वे यांची मुलाखत :

### विषय : “तरुणांचे प्रश्न”

**मुलाखतीचे कारण :-** सध्याच्या धकाधकीच्या जीवनात सर्वजण विविध तणावांना सामोरे जात आहेत. विशेषतः किशोर वयीन मुले जेव्हा महाविद्यालयात प्रवेश घेतात; त्या वेळेस त्यांच्या मनात, शरीरात, विविध बदल होत असतात. तरुणांच्या मनातील विविध प्रश्नांना अतिशय समर्पक उत्तरे प्रसिद्ध मनोविकार तज्ञ डॉ. राजेंद्र बर्वे यांनी या मुलाखती दरम्यान दिली आहेत.

प्रश्न क्र. १

डॉ. वनिता कामत : डॉ. तुम्हाला काय वाटतं? तुमची प्रेमाची व्याख्या काय? खरं प्रेम कसं ओळखावं?

डॉ. बर्वे : प्रेमाची व्याख्या करणं खूप कठीण गोष्ट आहे. पण आता प्रेमावर खूप चांगला research होतो आहे, म्हणजे Biological Research प्रेमावर सध्या खूप होतो आहे. प्रेम ही भावना मनामध्ये उचंबळून येते, कधी कधी मनात टिकून राहते आणि प्रेमांमुळे काय घडते हे प्रेमाच्या व्याख्यापेक्षा जास्त महत्वाचे आहे. म्हणजे आपल्याला माहीत आहे. प्रेमांमुळे राज्य वसवली जातात. किंवा राज्ये विस्कटली पण जातात. त्यांमुळे प्रेम म्हणजे दुसऱ्या बदल वाटणारी कदर, दुसऱ्या विषयी वाटणारा आदर, त्या व्यक्तीसाठी आपण काय करू, तिचं Well Being कसं होईल. याचा सतत विचार करत राहणं. म्हणजे त्या व्यक्तीवर आपलं प्रेम असणं असं मला वाटतं. मला असं वाटतं की प्रेम म्हणजे दुसऱ्या विषयी काळजी घेणं. किंवा ही व्यक्ती आपली आहे. असं मानणं. पण ही व्यक्ती आपली असते असं काही नाही. आपल्या मनातल्या भावना, त्या व्यक्तीबद्दल काय असतात ते महत्वाच्या आहेत. प्रेमाने कधी कधी दुसऱ्या व्यक्तीवरती इतकी बंधन निर्माण होतात की नकोते प्रेम असं वाटत. मग अस म्हणतात Love can be claustrophobic म्हणजेच अंगावर येणारे प्रेम, दुसऱ्या व्यक्तीला क्षणभराचीही उशंत देत नाही. स्वातंत्र्य देत नाही, मोकळेपणा देत नाही. काय बोलावे, कसं बोलावे, केव्हा बोलावे, कुठे बोलावे, आता बोलावे, मग बोलावे असे खूप Conditions येतात expressions वरती प्रेमांमुळे ! हे आजकाल मला जास्त दिसतं. त्यांमुळे मला अस वाटतं की प्रेम हे दुसऱ्या विषयी असणारी कळकळ, Compassion असली पाहिजे.

प्रश्न क्र. २

डॉ. वनिता कामत : खूपच सुंदर ! डॉ. मग खर प्रेम आपण याच पद्धतीने ओळखायला हवं ?

डॉ. बर्वे : हो ! आपल्याला आतून जाणीव होते की या व्यक्ती विषयी मला खूप ओढ वाटते आहे. ती ओढ त्या व्यक्ती विषयी राहणारी फक्त शारीरिक ओढ असेल असं नाही. तर त्या व्यक्तीच्या असण्याबद्दल मला वाटणारी जी ओढ आहे. माणूस म्हणून त्या व्यक्तीला मी ओळखतो, जवळीक साधतो आणि तिच्या सहवासातून मला खूप आनंद मिळतो. मला स्वतःची नवीन ओळख पटते. त्यालाच आपण प्रेम म्हणतो किंवा यातून खर प्रेम निर्माण होतं.

प्रश्न क्र. ३ :

डॉ. वनिता कामत : Social Media चा सध्या सतत वापर होत आहे. याबद्दल तुमचं मत काय ?

डॉ. बर्वे : Social Media अतिशय प्रभावी असं माध्यम आहे अशा अर्थानी की तुम्ही अनेक लोकांची एकाच क्षणी संपर्क करू शकतात. ज्या लोकांशी आपले मतभेद असतील किंवा आपली मन जुळत असतील अशा लोकांशी संवाद करणं, कधी विसंवाद होणे, वितंडवाद होणे ही एक मानवी जीवनाची जिवंत असण्याची खूण आहे.

पण त्यांच्यात जेव्हा त्या पलिकडे जाऊन एकमेकांची उणीदुणी काढणे, शिव्या देणं, काहीतरी वाईट अपशब्द बोलणं किंवा दुसऱ्याचा अपमान करणं, त्याला खिजगणतीत न गणन, या सगळ्या गोष्टी चुकीच्या आहेत. ज्या प्रत्यक्ष संवादामध्ये पण होतात. पण त्या Social Media मध्ये जास्त होतात असं मला वाटतं. हे माझ्या दृष्टीने खूप धोकादायक आहे.

प्रश्न क्र. ४

डॉ. कामत

डॉ. बर्वे :

डॉक्टर, Pub G हा Game सद्या खूप प्रसिद्ध आहे. त्यात भरपूर मजा येते. मग काय गैर आहे ?

मला असं वाटतं की कोणत्याही Game मध्ये मजा येते. Cricket वरती करोडो रूपयांचा व्यवसाय झालेला आहे. हे सुद्धा Game च आहेत ना, आणि त्याच्या मध्येही आपला खूप वेळ जातच असतो. आपण खूप Enjoy पण करत असतो. आपल्या जीवावर कबड्डीपटू, क्रिकेटपटू खूप पैसे मिळवतायत. हे पण तितकच सत्य आहे. त्यामुळे मला असं वाटतं की Game मध्ये आपली involvement होणं आणि स्वतःचा मान सन्मान मोठा करणं हे स्वाभाविक आहे. ह्याला हजारो वर्षांची मानवी परंपरा आहे, प्रश्न आहे. आपण त्याच्यात किती वेळ घालवतो. म्हणजे असं आहे की माझं मुख्य उद्दीष्ट्ये काय आहे विद्यार्थी म्हणून, गृहस्थ म्हणून, कर्मचारी म्हणून, मी जे काही करत असतो त्यातून काय निर्माण होत. त्यातून कोणती Value Addition होते म्हणजे स्वतःच्या व्यक्तीमत्वाला, मी जिथे काम करत असतो, तिथे किंवा मी ज्या कुटूंबात असतो त्या कुटूंबाशी जे Relation आहे, संबंध आहेत. त्यात मी काय भर घालतो आहे किंवा कोणत्या प्रकारचा आनंद मी स्वतःला आणि दुसऱ्याला देतो आहे. ही इतकी महत्त्वाची आहे. आणि हे अजून तरुणांना, विद्यार्थ्यांना हे लक्षात येत नाही आहे की अश्या प्रकारच्या Activities मधून कोणतीही Value Addition होत नाही. कोणत्याही प्रकारे माझ्या जीवनात, व्यक्तीमत्वामध्ये, गुणवत्तात्मक बदल घडत नाही याची जाणीव ठेवायला हवी.

प्रश्न क्र. ५

डॉ. कामत :-

डॉ. बर्वे :-

म्हणजे याला किती महत्त्व द्यायचं हे ज्याने त्याने ठरवायचं.

अगदी बरोबर ! आणि नक्की जेव्हा आपण म्हणतो की मी फक्त ५ मिनिटं खेळतो, १० मिनीट खेळतो, अर्धा तासात खेळतो आणि तो अर्धा तास किती केल तरी संपत नाही. याच कारण असं आहे या Game मध्ये प्रचंड hypnotic qualities आहेत. आपल्याला गुंतवून ठेवण्याची क्षमता त्यांच्यात खूप आहे. कारण असे Game तयार करणारी माणसं त्याच हेतुने तो Game तयार करत असतात.

प्रश्न क्र. ६

डॉ. कामत :-

डॉ. बर्वे :-

आपण नेहमी शरीराचे व्यायाम याबद्दल नेहमीच बोलत असतो. मनाचे असे कुठले व्यायाम असतात का ? आणि जर ते असतील तर ते कोणते ?

मनाचे व्यायाम म्हणजे स्वतःच्या मनाला ओळखणे. जसं आपण शरीराचे व्यायाम करत असताना, शरीराच्या वेगवेगळ्या स्नायूंना आपण जास्तीत जास्त मेहनत घेत असतो, आणि ते तयार करत असतो. श्वासांच्या व्यायामांमध्ये श्वसनाच्या स्नायूंना आपण शिकवत असतो, Training देत असतो Weight करत असतो तेव्हा स्नायूंना शिकवत असतो की आपण अधिक Powerful व्हायचं किंवा aerobics करतो तेव्हा हृदयाला आपण तसे शिकवत असतो. आपण शिकवत असतो, training असतं ते तसं training आपल्या मनाला मिळणं खूप गरजेचं आहे. मग ते training तीनही बाबतीत असू शकतं. ते म्हणजे आपण किती वेगवेगळ्या प्रकारचे विचार करू शकतो, विचार समजून घेऊ शकतो, समाविष्ट करून घेऊ शकतो, त्यातल्या चुका काढू शकतो, त्यातल्या चांगल्या गोष्टी स्वीकारू शकतो, भावनिक मुद्द्यांमध्ये ही आपल्याला लक्षात येते की वेगळ्या प्रकारच्या emotions स्वतःच्या ओळखतो. आपल्या भावनांना नाव द्यायला आपणा सुरुवात करू शकतो आणि आपली Skill वाढवत असतो. तर हे मानसिक व्यायाम शारीरिक व्यायामा इतकेच महत्त्वाचे आहेत !

प्रश्न क्र. ७

डॉ. कामत :

डॉ. बर्वे :

डॉक्टर अस बघितल गेल आहे की विद्यार्थ्यांच्या तोंडामध्ये सतत शिव्या असतात व त्या जाता येता ऐकू येतात. तर हे तोंडात सतत शिव्या असणं हे कशाचं द्योतक आहे.

शिव्या घालणे ही एक प्रकारची मनोवृत्ती असते. त्यातून तरुण मुलांना आपण किती Smart आहोत, आपण किती रांगडे आहोत, आपण कोणत्याही प्रकारच्या Formalities पाळत नाहीत. असं त्यांना त्यांच व्यक्तीमत्त्व जोपासायचं असत

आणि त्याच्यामधून शिव्या देणाऱ्या व्यक्तीची अशी एक मनोवृत्ती दिसते की त्याच्यामधून त्याला दुसऱ्या व्यक्तीला पटकन Shock करायचं असतं. ती शिवी ऐकल्यावर आपण दचकतो आणि ते दचकलेलं त्यांना फार आवडतं की दुसऱ्यावरती काही क्षणांपुरती तरी मला Power आहे. शिवी हे एक Powerful tool आहे. त्या मुलांच्या हातातलं आणि त्यामुळे ते शिव्या देत असतात. बहुतेक त्यांच्या मनातल्या रांगडेपणाचे उत्सर्जन शिवीतून होते असे त्यांना वाटते किंवा तसे ते दर्शवितात. मला वाटत की शिव्या देणाऱ्या मुलांच्या मनामध्ये एक प्रकारचे Frustration असतं. कसलातरी राग आलेला असतो की आपल्या मनासारख घडत नाही अस वाटत असतं. दुसऱ्यावरती काहीतरी वर्चस्व दाखवायची इच्छा असते. अशा माणसाकडूनच शिव्या आपण ऐकत असतो. त्यामुळे ही जी वृत्ती आहे ती वृत्ती त्या शिवीमधून व्यक्त होत असते. आपण त्या मुलांशी संवाद करायला लागतो, तेव्हा कळत की त्यांच्या मनामध्ये कसला तरी राग आहे. System वर राग आहे, दुसऱ्यावर राग आहे. कदाचित त्यांच्या घरातील परिस्थिती ठिक नसेल. dysfunctional families असतील. तर त्याच्यामधून त्यांच्या मनातील चिडचीड व्यक्त होत असते. त्यामुळे शिवी हे एक प्रकारचं त्यांच स्वातंत्र्य वाटत असते. काही प्रमाणात आपण म्हणू शकतो की ती वाटण्याची एक Phase आहे. त्या Phase मधून जात असताना हे करत असतात.

पण शिव्या जेव्हा Gender insensitive असतात, Gender biased शिव्या मुलांच्या तोंडातून जेव्हा येतात, तेव्हा त्याचे स्वरूप कालीचे घातक ठरते. त्या जास्त dangerous ठरतात. त्यामुळे बहुतेक वेळेला या मुलांचे जर आपण चांगल्या प्रकारे Sex Education घेतले, त्यांना चांगल्या प्रकारे समुपदेशन केले तर यातले बऱ्यापैकी प्रश्न सुटू शकतात. कारण सगळे ते Gender वाचक असतात. Genital वाचक असतात, लैंगिक संदर्भातील, लिंगा संदर्भातील असतात. त्यामुळे मुलांनी शिव्या देणं म्हणजे त्यांचे लैंगिक शिक्षण बरोबर झालं नाही असा अर्थ होतो.

प्रश्न क्र. ८

डॉ. कामत : उद्या माझं कसं होणार ? ही माणसाची भीती खरी असते का ? आणि त्याला कसे सामोरे जावे ?  
डॉ. बर्वे : उद्या माझं कसं होणार हा मानवजातीचा प्रश्न आहे. तो प्राण्यांना, पक्षांना, इतर कुणाला उद्या माझं काय होणार याची कल्पना नसते. पण उद्याची ते तजवीज करत नाही असं नाही. मधमाश्या मध गोळा करतात, मुंग्या साखर गोळा करतात. प्राणीपण त्यांच्या गुहेमध्ये, बिळामध्ये अनेक गोष्टी ठेवतात. उंटाकडे जवळ-जवळ 130 litre पाणी आपल्या अंगात साठवून ठेवण्याची क्षमता असते. याचा अर्थ सगळ्यांना future ची चिंता असते, काळजी वाटत असते. पण ज्या प्रकारे माणसाला भविष्याची चिंता वाटते तितकी कोणत्याही प्राण्याला वाटत नसेल. कारण काळ संदर्भ हा फक्त माणसाला जाणवतो. त्याच्यामध्ये बहुतेक वेळेला उद्याच्या Planning विषयी सतत काळजी/चिंता असते. उद्याचे Planning सगळ्यांनाच करावं लागतं. पण उद्याची चिंता हा खरा Problem असतो. उद्याची जेव्हा चिंता वाटायला लागते तेव्हा खर म्हणजे उद्याची चिंता ही सतत जाणवत असते. म्हणजे प्रश्न तो उद्याचा नसतो, तो प्रश्न आत्ताच्या, या क्षणाचा असतो. कारण या क्षणाला मला उद्याची चिंता वाटत असते. त्या मुळे माझा आत्ताचा क्षण हा चिंताग्रस्त असतो. त्यामुळे मी माझं Future खूप चांगलं करू शकत नाही. ही आत्ताची चिंता मिटवणे आपल्याला खूप गरजेच आहे.

प्रश्न क्र. ९

डॉ. कामत : विविध व्यसनं फारच कोवळ्या वयात लागत आहेत. त्यावर तुम्ही तरुणांना काय सांगाल ?  
डॉ. बर्वे : हा खूप गंभीर प्रश्न आहे. आणि College मधल्या तरुणांमध्ये हा प्रश्न खूप मोठ्या प्रमाणात जाणवतो. यात साधारण २ गट असतात. एक म्हणजे Experimental गट असतो. या गटामध्ये आल्यानंतर त्याला वाटत की मी मोकळा झालेलो आहे. आता आपण Cigarette ओढू शकतो, दारू पिऊ शकतो. कारण मला स्वातंत्र्य आहे. स्वातंत्र्याचे Expression त्यांना त्या Experiment मधून मिळत असते. तर काही मुलांमध्ये मला व्यसन करायचेचं आहे अशी भावना दडलेली असते, बिनधास्त जगायचं आहे, हव ते करायचं आहे. आणि मला या सगळ्या गोष्टी Explore करताना त्याच्यामध्ये मी कसा अडकला जातो मला कळत नाही. त्याच्यामुळे ज्याला Grass म्हणतात, Weed म्हणतात, Pot म्हणतात, Marijuana, hashish, गांजा, चरस, यांचं

प्रमाण आपल्याला मुलामध्ये खूप आढळत. आणि हे विकणारी मुलं असतात त्यांची एक टोळी तयार होत असते. आणि याद्वारे टोळीमधून जास्तीत जास्त मुलांना ओढून घेतले जाते. त्यामुळे या प्रश्नाला दोन उत्तरे आहेत. कायदेशीर उत्तर व मानसिक उत्तर.

कायदेशीर उत्तर असं आहे की, ते फक्त शिस्तीनेच आपल्याला हा प्रश्न सोडवता येण्यासारखा असतो. उदा. College जवळ कुठेही या गोष्टी मिळणार नाहीत. या गोष्टी आढळल्यास त्यावर कायदेशीर कारवाई होईल. असा आपण Stand घ्यायचा असतो. दुसरं जेव्हा प्रत्यक्ष करताना आढळलेली मुलं असतात, त्यांचे Rehabilitation, मानसिक प्रश्न सोडविण्याकरिता आपण प्रयत्न केले पाहिजे आणि व्यसनाविरहीत आपण कसे जगू शकतो, व जगण्याची खरी नशा ही आनंदी जगण्यात कशी असते हे आपण त्यांच्यापर्यंत पोहचविले पाहिजे.

प्रश्न क्र. १०

डॉ. कामत : आता शेवटचा प्रश्न ! आजच्या तरुणांसाठी आपला संदेश काय ?

डॉ. बर्वे : आजच्या तरुणांसाठी संदेश असा आहे की, तारुण्य ही खूप सुंदर गोष्ट आहे. आणि ती आपण खूप Enjoy करूया. शिक्षण घेताना स्वतःचा आपण शोध घेत असतो. स्वतःला ओळखायला लागत असतो. आणि प्रत्येक किशोरवयीन मुलाने स्वतःच्या अनेक hidden potentials ला सुप्त कलागुणांना वाव द्यायला हवा. कोवळ्या वयात वेगळ्या गोष्टी जाणून घेण्याची आवड असते. आणि तुमचं आकलन पण खूप Fast असतं. या सगळ्या गोष्टी आपण जितक्या अनुभवू, जितक्या Explore करू, संशोधक वृत्तीने स्वतःकडे पाहू आणि जगाकडे पाहू तितकं तुम्ही तारुण्य Enjoy करू शकता आणि तारुण्य पुन्हा पुन्हा आपल्याला मिळत नाही. आपण तरुणपण टिकवू शकतो. ते तरुणपण टिकवण्याकरिता आत्तापासून प्रयत्न करूया.

डॉ. कामत : धन्यवाद! डॉक्टर !!

## मुंबईतील झोपडपट्टी पुनर्वसन योजनेचा चिकित्सक अभ्यास

मुंबई ही महाराष्ट्र राज्याची राजधानी असून तिला नेहमी भारताची आर्थिक राजधानी म्हणून गणली जाते. या शहराच्या रहिवाश्यांना विविध मनोरंजनाच्या सुविधा तसेच घरातील कुटुंब प्रमुखाबरोबर इतरही व्यक्तींना पात्रतेनुसार पुरेसे काम मिळण्याची हमी यासारख्या अनेक सुविधा मिळतात. शहराच्या वैशिष्ट्यामुळे साहजिकच गेल्या अनेक वर्षांत अन्य भागातून मोठ्या प्रमाणात नागरिकांचे लोंढे या महानगरीकडे आकर्षिले गेले. त्या लोकांनी या महानगरीत वास्तव्य केले. शहरीकरणाच्या प्रचंड रेट्यामुळे नियोजनकार, स्थानिक स्वराज्य संस्था, गृहनिर्माण संस्था आणि स्थावर जंगम मालमत्तेचे विकासक या सर्वांना शहरातील सामान्य माणसाला परवडेल अशी रहाण्यासाठी घरे देणे शक्य झाले नाही आजच्या मितिला ५० टक्के पेक्षा जास्त रहिवाशी २३९३ पेक्षा गलिच्छ समुहामध्ये विखुरलेले आहेत. ते अतिधोकादयक, आरोग्याला अपायकारक परिस्थितीत दुःखद व असुरक्षित झोपडीत जीवन जगत आहेत सदर झोपडपट्ट्या खाजगी जागेत तसेच राज्य सरकारच्या, महानगर पालिकेच्या व केंद्रशासनाच्या आणि गृहनिर्माण मंडळाच्या भूमीवर निर्माण करण्यात आले आहे.

शासनाच्या १९७० पूर्वीच्या धोरणाप्रमाणे या झोपडपट्ट्या अनधिकृत, त्या पाडण्यात येवून हटविण्याची कारवाई होत असे झोपडपट्टी तोडण्याचे प्रयत्न अयशस्वी ठरले, त्याहीपुढे जाऊन, या शहराच्या सामाजिक जडणघडणीमध्ये महत्त्वाचा भाग

असणाऱ्या नागरिकांना बेघर करण्याचे, असे संबोधून या प्रयत्नांना अमानवी समजले जाऊ लागले.

यानंतरच्या दुसऱ्या टप्प्यात या झोपड्यांना न तोडता त्यांना मूलभूत नागरी सुविधा व परिसर पर्यावरण सुधारण्याच्या दृष्टीने ठोस कृती करण्याचे ठरले. त्या अनुषंगाने महाराष्ट्र शासनाने महाराष्ट्र झोपडपट्टी क्षेत्र (सुधारणा व निर्मूलन व पुनर्विकास) अधिनियम १९७१ मंजूर केला त्यामध्ये सुधारकामे स्पष्ट करण्यात आली. सार्वजनिक प्रयोजनासाठी झोपड्या हटवायच्या असतील तर त्यांचे इतरत्र पुनर्वसन करण्याचे तत्त्व स्वीकारण्यात आले.

या पुढच्या टप्प्या मध्ये इ.स. १९८० च्या सुमारास शासनाच्या ध्येय - धोरणामध्ये मूलभूत फरक झाला. या सुमारास जागतिक बँकेच्या सहाय्याने झोपडपट्टी श्रेणी वाढ कार्यक्रमाची अंमलबजावणी सुरू झाली.

सध्याच्या प रिस्थीमध्ये महाराष्ट्र शासनाने झोपडपट्टीने व्यापलेली जमीन हा मूलभूत उत्पन्नाचा स्रोत धरून त्यावर चटईक्षेत्र निर्देशांक देऊन, की जेणेकरून खुल्या बाजारातील सदनिकांच्या विक्रीच्या रकमाव्दारे झोपडपट्टीवासीयांना पक्की घरे मोफत मिळतील.

डिसेंबर १९९३ च्या विधानसभा अधिवेशनामध्ये महाराष्ट्र शासनाने अफझूलपुरकर स मितिच्या शिफारशी मान्य करून महाराष्ट्र क्षेत्र (सुधारणा, निर्मूलन व पुनर्विकास) अधिनियम, १९७१ मध्ये दुरुस्ती केली व अध्यक्ष, मुख्य कार्यकारी अधिकारी व इतर सदस्यांचा समावेश असलेले झोपडपट्टी पुनर्वसन प्राधिकरण स्थापन करण्याची तरतूद करण्यात आली. दिनांक १६/१२/१९९३ च्या शासकीय अधिसूचने अन्वये झोपडपट्टी पुनर्वसन प्राधिकरणाची स्थापना झाली व ते दिनांक २५/१२/१९९५ पासून कार्यान्वित झाले.

मा. मुख्यमंत्री, महाराष्ट्र राज्य हे सदर प्राधिकरणाचे अध्यक्ष असून भारतीय प्रशासन सेवेतील अतिकालीन वेतनश्रेणीतील अधिकारी पूर्णवेळ मुख्य कार्यकारी अधिकारी आहेत. इतर सदस्यांमध्ये मंत्री, राज्य विधीमंडळातील निर्वाचित सदस्य, शासनाच्या

### झोपडपट्टी पुनर्वसन प्राधिकरण : स्थापना

झोपडपट्टी पुनर्वसन प्राधिकरण (slums Rehabilitation Authority) (SRA) यांची स्थापना १६ डिसेंबर १९९५ च्या शासकीय अधिसूचने अन्वये झाली व ते २ डिसेंबर १९९५ पासून कार्यान्वित झाले. झोपडपट्टी पुनर्वसन प्राधिकरणाला (SRA) दिनांक ०३ जानेवारी १९९७ पासून निगमनिकाय दर्जा प्रदान करण्यात आला आहे. प्राधिकरण ही एक स्वायत्त संस्था आहे महाराष्ट्र प्रादेशिक व नगर रचना अधिनियम १९६६ मध्ये दुरुस्ती करून झोपडपट्टी पुनर्वसन प्राधिकरणास त्याच्या कार्यक्षेत्रांत स्थानिक स्वराज्य संस्था म्हणून कार्य करण्यासाठी, नियोजन प्राधिकरण म्हणून घोषित करण्यात आले आहे.

राज्य शासनाने नगर विकास विभाग क्रमांक टी.पी.व्ही. 4396/492/CR-105/96/UD11 दिनांक १३ सप्टेंबर १९९६ ह्या अधिसूचनेव्दारे झोपडपट्टी पुनर्वसन प्राधिकरणाच्या मुख्य कार्यकारी अधिकारी यांना महाराष्ट्र प्रादेशिक व नगर रचना अधिनियम १९६६ चे विविध कलम अंतर्गत वापरता येणारे नियोजन प्राधिकरणाचे सर्व अधिकार प्रदान करण्यात आले आहेत. महाराष्ट्र प्रदेश आणि रचना अधिनियम, १९६६ मध्ये दुरुस्ती करून झोपडपट्टी पुनर्वसन प्राधिकरणास बृहन्मुंबई विकास आराखड्यामध्ये सुधारणा करण्यासाठी प्रस्ताव तयार करण्याचे व सादर करण्याचे अधिकार प्रदान केलेले आहेत.

महाराष्ट्र शासनाने झोपडपट्टीने व्यापलेली जमीन हा मूलभूत उत्पन्नाचा स्रोत धरून त्यावर चटईक्षेत्र निर्देशांक देऊन, की जेणेकरून खुल्या बाजारातील सदनिकांच्या विक्रीच्या रकमाव्दारे झोपडपट्टीवासीयांना पक्की घरे मोफत मिळतील या योजनेसाठी कायदयामध्ये आवश्यक बदल करून झोपडपट्टी पुनर्वसन प्राधिकरणाची स्थापना केली हे प्राधिकरण संपूर्ण बृहन्मुंबईतील झोपडपट्टीवासीयांच्या पुनर्वसनासाठी नियोजन प्राधिकरण म्हणून काम करील.

झोपडपट्टी पुनर्वसन प्राधिकरणाचा प्रयत्न आहे की, झोपडपट्टी पुनर्वसन योजनेची अमलबजावणी एक खिडकी योजने अंतर्गत राबवावी म्हणजे प्रकल्पासाठी लागणाऱ्या सर्व प्रकारच्या मान्यता जसे की, सहकारी गृहनिर्माण संस्थेची स्थापना, झोपडपट्टी धारकांची पात्रता प्रमाणित करणे, झोपडपट्टी पुनर्वसन योजनेस असहकार करण्याच्या विरुद्ध दंडात्मक करवाई करणे. झोपडपट्टीचे सर्वेक्षण करून योजना करण्यासाठी अनुमती देणे व गलिच्छवस्तीच्या झोपडपट्टी जमिनीवरील अनुदान मंजूर करणे. पुनर्वसन भूखंडाचे भाडेपट्टा आणि खुले विक्री भूखंड आणि मालमत्ता कार्डस् (पीआर कार्ड PR-Card) अद्यावत करणे.

झोपडपट्टी पुनर्वसन प्राधिकरणाच्या जबाबदाऱ्या

- १) बृहन्मुंबईमधील झोपडपट्टी क्षेत्रासंबंधीच्या विद्यमान स्थितीचे सर्वेक्षण करणे व आढावा घेणे.
- २) झोपडपट्टी क्षेत्राच्या पुनर्वसनाकरिता योजना तयार करणे.
- ३) झोपडपट्टी व्यांच्या पुनर्वसनाची उद्दिष्टे साध्य करण्यासाठी आवश्यक असतील अशा इतर सर्व कृती व गोष्टी करणे.

## झोपडपट्टी पुनर्वसन प्राधिकरणाच्या प्रकल्पाचे सर्वेक्षण

राज्यशास्त्राच्या शिक्षकांच्या मार्गदर्शनाखाली आमच्या पाचजणांच्या टीमने सॅच्युरी बाजार, वरळी, मुंबई येथे झोपडपट्टी पुनर्वसन प्राधिकरण (Slums Rehabilitation Authority)- SRA चा व खाजगी बिल्डर्स यांच्या माध्यमातून बांधकाम झालेल्या प्रकल्पाला भेट देऊन त्यावर संशोधन करायचे ठरवले.

आमच्या या संशोधनाची पुढील उद्दिष्टे होती.

- १) मुंबई मधील शहरी विकासाच्या प्रक्रियेमधील विचारधारेचा आणि राजकारणाचा अभ्यास करणे.
  - २) शहरी विकास प्रकल्पांमध्ये उद्भवणाऱ्या सामाजिक समस्यांचा / प्रश्नांचा आढावा घेणे.
  - ३) पुनर्विकासानंतर होणाऱ्या विस्थापनाच्या प्रक्रियेचा शोध घेणे.
  - ४) लोकांच्या शहरावरील अधिकार (Right to city) हरवत चालला आहे का याची चौकशी करणे.
- वरील उद्दिष्टे साध्य करण्यासाठी आम्ही पुढील प्रमाणे कार्य केले :

१) पायलट स्टडी (Pilot Study) : संशोधनासाठी जो प्रकल्प निवडला होता. तो प्रकल्प अभ्यासण्यासाठी पहिल्यांदा त्या ठिकाणाचा आम्ही पायलट स्टडी केला. या स्टडीमध्ये तेथील प्रकल्पाची वरवरची पाहणी आम्ही केली. तो प्रकल्प किती क्षेत्रामध्ये व्यापला आहे? किती बिल्डींग आहेत किती रहिवाशी राहतात. कोणत्या बिल्डरद्वारे प्रकल्प पूर्णत्वास गेला आहे हे पाहिले.

२) झोपडपट्टी पुनर्वसन प्राधिकरण (Slums Rehabilitation Authority) यांची पूर्ण माहिती मिळविली. त्यासाठी शासकीय अधिकाऱ्यांची भेट घेऊन त्यांच्याकडून माहिती मिळविली. तसेच SRA च्या (Official) अधिकृत वेबसाईटवरून अधिकची माहिती मिळवली.

३) प्रश्नावली (Questions) तयार केली : यानंतर उपरोक्त माहितीच्या आधारे प्रश्नावली तयार केली. सामाजिक, आर्थिक, राजकीय व्यक्ती अशा बाजूने प्रश्न तयार केले ही प्रश्नावली वस्तुनिष्ठ (Objective type) ची होती.

४) सर्व्हे केला : ही प्रश्नावली तयार झाल्यानंतर सर्व्हेला प्रारंभ केला. तेथील प्रकल्पामधील एकूण ७२ रहिवाशी लोकांचा आम्ही सर्व्हेमध्ये समावेश केला. या सर्व्हेच्या माध्यमातून जी माहिती मिळाली तिचे विश्लेषण पुढील प्रमाणे आहे.

## सर्वेक्षणाच्या माध्यमातून मिळालेल्या माहितीचे विश्लेषण

१) प्रकल्पामधील राजकीय सहभाग : झोपडपट्टी पुनर्वसन प्राधिकरणाच्या प्रकल्पाची झोपडपट्टीतील रहिवाश्यांना सर्वप्रथम ओळख करून देण्यात व तो प्रकल्प आणून राबवण्यास एस. आर. ए. (SRA) बरोबरच राजकीय घटकांचा मोठा सहभाग व हात दिसून येतो. या प्रकल्पाची ओळख राजकीय नेत्यांनी तिथे करून दिली असे दिसून आले त्या राजकीय प्रतिनिधींनी प्रकल्पाची ओळख करून देण्यासाठी २० च्या आसपास सभा घेतल्या. प्रकल्प पूर्ण होईपर्यंत राजकीय घटकांचा मोठा सहभाग त्यात दिसून येतो.

२) लोकांची पार्श्वभूमी : तेथील रहिवाशी हे मध्यवर्गीय स्तरातील होते त्यांच्याकडे जीवनाश्यक व चैनीच्या ज्या वस्तू असतात त्या बहुतांश वस्तू त्यांच्याकडे दिसून आल्या. तेथील रहिवाशी हे हिंदू धर्मातील होते. व त्यामध्ये ओबीसी (OBC) आणि (SBC) हे प्रवर्ग दिसून आले. त्याचबरोबर बौध्द व SC प्रवर्ग हे लोकही तेथे राहत होते. परंतु त्यांचे प्रमाण अत्यंत अल्प १ % इतके होते ९९ % रहिवाश्यांकडे मोबाइल, टि.व्ही., फ्रीज इतकी साधने होती.

३) शहरी विकास प्रकल्पांमधील सामाजिक समस्या :

प्रकल्पाचे काम वेळेत पूर्ण नाही : या प्रकल्पाचे रहिवाश्यांना दिलेल्या नियोजित कार्यकाळामध्ये काम पूर्ण झाले नाही. दिलेल्या काळापेक्षा दुप्पट काळ या प्रकल्पाने निर्मितीस घेतला, त्यामुळे झोपडपट्टीतील रहिवाश्यांना काही काळ हक्काच्या घरापासून मुकावे लागते. त्यांना या काळामध्ये इतरत्र भाड्याने किंवा ट्रान्झिस्ट कॅम्पमध्ये रहावे लागले ट्रान्झिस्ट कॅम्पमधील गैरसोयीमुळे त्यांना विविध अडचणींना सामोरे जावे लागले.

भाडेवाढ : झोपडपट्टीमध्ये जेव्हा रहिवाशी रहायचे तेव्हा तेथील जागेचे/घराचे भाडे हे खूप कमी होते. पण झोपडपट्टीच्या योजनेनंतर तेथील जागेचे / घराचे भाडे कॅकपटीने वाढले त्याला कारणीभूत बिल्डर, व्यावसायिकांचे आर्थिक नफेखोर धोरण आहे. यामध्ये बिल्डरनी तेथील आधीपर्यंत रहात असलेल्या रहिवाश्यास झोपुची योजना / प्रकल्प लागू झाल्यानंतर अधिक भाडे देण्यास सुरुवात रहिवाश्यांचा कामाईपर्यंत (झोपुच्या प्रकल्पाचे) फायदा होईल मात्र त्यानंतर भाडेवाढ मात्र झालेली असेल.

वीजबील, पाणीपट्टी यामध्ये वाढ : जेव्हा रहिवाशी झोपडपट्टीमध्ये राहत असत तेव्हा त्यांना येणारे लाईटबील हे खूप कमी असायचे पण तेथे तेवढा वापर वीजेचा होत नसे. परंतु बिल्डींगमध्ये राहायला लागल्यापासून त्यांच्या वीजबीलामध्ये भरमसाठ वाढ झाली तसेच वीजमध्ये / झोपडपट्टी मध्ये त्यांना पाणीपट्टी ही १०-१२ जणांसाठी मिळून यायची परंतु इकडे बिल्डींगमध्ये आल्यानंतर पाणीपट्टी ही १०-१२ ली. त्यामुळे त्यांना आर्थिक समस्यांना सामोरे जावे लागले. कारण त्यांच्या आर्थिक स्तरामध्ये काहीच फरक झाला नव्हता मात्र देयक वाढला होता.

मेन्टेनन्समधील वाढ : पहिल्यांदा रहिवाशी झोपडपट्टीमध्ये राहत तिथे सोईसुविधा कमी तसेच कमी दर्जाच्या असायच्या यामुळे तिथे रावा लागणारा मेन्टेनन्स ही माफक होता परंतु बिल्डींगमध्ये आल्यावर पूर्ण बिल्डींगमधील वापरत असलेल्या सोईसुविधांसाठी मेन्टेनन्स वाढवा लागणार होता व तो निश्चित आधीच्या दरापेक्षा अधिक असणार हा मेन्टेनन्स रहिवाश्यांना १० वर्षांनंतर चालू होईल. त्यानंतर त्यांच्या खर्चाचा आर्थिक समस्या दिसून येतील.

४) या सर्व वरील समस्यांचे परिणाम असे की, कोणत्याही प्रकारे आर्थिक स्तर न उंचावल्यामुळे परंतु खर्च मात्र अधिक वाढल्यामुळे तेथील घरमालक आपले घर विकून त्याबदल्यात परत दुसऱ्या भागातील उपनगरातील झोपडपट्ट्यांमध्ये घर घेतील किंवा येथील घर भाड्याने देऊन आपण मात्र परत दुसऱ्या झोपडपट्ट्यांमध्ये राहायला जातील.

५) लोकांचा कमी होत असलेला शहरांवरचा अधिकारी (Right to city) : घरमालक बिल्डींगमधील खर्च परवडत नसल्यामुळे येथील घर विकून किंवा भाड्याने देऊन परत दुसऱ्या भागातील/शहरांच्या बाहेर उपनगरामध्ये जिथे भाडे कमी असेल तिथे किंवा परत झोपडपट्ट्यांमध्ये राहायला जाऊ शकतात. तसेच सर्वेच्या माध्यमातून असे आढळून आले की, दहा वर्षांच्या आत घर भाड्याने किंवा कोणाला विकता येणार नाही असे असल्याने काहीजणांनी पुढील परिस्थिती ओळखून आताच घर विकली आहेत किंवा भाड्याने दिली आहेत.

यामुळे झोपडपट्टीच्या योजनेचा मुख्य उद्देश सफल होताना दिसत नाही, तसेच झोपडपट्टी घरमालकांचा / मध्यमवर्गीय लोकांचा शहरांवरील अधिकार (Right to city) कमी होत चालला आहे.

निष्कर्ष

- १) राजकीय प्रतिनिधी झोपडपट्टीतील रहिवाश्यांना झोपुच्या योजनेची सर्वप्रथम ओळख माहिती तसेच त्या योजनेस सहमती मिळवण्यास झोपडपट्टी पुनर्वसन प्राधिकरणाला मदत करतात.
- २) झोपडपट्टी पुनर्वसन प्राधिकरण आपली उद्दिष्टे साध्य करण्यात अपयशी ठरतेय.
- ३) रहिवाश्यांचा आर्थिक स्तर तोच राहतो त्यात बदल नाही.
- ४) सामाजिक, आर्थिक समस्यांना रहिवाश्यांना बिल्डींगमध्ये आल्यावर सामोरे जावे लागते.
- ४) याची परिणीती अशी की, शहरी रहिवाश्यांना शहरावरील अधिकार कमी होत चाललेला आहे (Right to city)

## महाविद्यालयीन निवडणुका

कॉलेजमधील निवडणूक हा विद्यार्थ्यांसाठी महत्त्वाचा विषय असतो. कॉलेजमध्ये निवडणुका व्हाव्यात यासाठी विद्यार्थ्यांमध्ये एकमत होत नाही. कारण राजकारणाच्या नावाखील बाहेर जे काही वातावरण असते ते कॉलेजच्या कॅम्पसमध्ये यायला नको. असं त्यांचे म्हणणं आहे. कॉलेजमध्ये निवडणूक जाहीर झाली की सगळीकडे वातावरण, गंभीर होते. या निवडणुकांमध्ये गाजलेली पदे म्हणजे कॉलेजचा जी.एस. आणि सी.आर. निवडणुकांतील राजकारणामुळे अनेक वाईट तर थोड्या चांगल्या गोष्टी घडून येतात. निवडणुकीतील विद्यार्थ्यांनसोबत संपर्क साधण्यासाठी व त्यांना आपलेसे करण्यासाठी विद्यार्थी संघटना प्रयत्न करतात. तसेच विद्यार्थी संघटना पाठिंबा देण्याचे काम राजकीय पक्ष करतात.

कॉलेज निवडणुकांमध्ये राजकीय पक्षांचा हस्तक्षेप झाला तर, विद्यार्थी संघटनांमध्ये भांडण, मारामाऱ्या आणि त्यांच्यामध्ये आपसात निर्माण होणारी तीव्र स्पर्धा त्यामुळे वातावरण बिघडण्यास सुरुवात होते, या निवडणुकांमुळे विद्यार्थ्यांमध्ये नेतृत्वगुण, भाषण कौशल्य यांचा विकास होण्यास मदत होते. नविन कायद्या प्रमाणे कॉलेजमधील विद्यार्थी प्रतिनिधी म्हणजे विद्यार्थी प्रमुख (सचिव) खुल्या पद्धतीने निवडला जाते. कॉलेजमधील विद्यार्थी हा सर्वच राजकीय पक्षांचा महत्त्वाचा केंद्रबिंदू असतो. निवडणुका ह्या चांगल्या वातावरणात आणि विद्यार्थ्यांमधून आलेल्या उमेदवारांमध्येच व्हायला पाहिजे. त्यात कोणत्याही प्रकारचा राजकीय पक्षांचा हस्तक्षेप नसावा.

कॉलेज म्हणजे मजा मस्ती कॉलेजची निवडणूक म्हणजे त्यातून राजकारण तसेच राजकारण आलं की विरोधक, घोषणाबाजी सगळ आलेचं निवडणूक म्हणजे राजकारणातील वेगळीच मजा असते. निवडणूक म्हणजे ज्या व्यक्तीला जास्त मतं मिळणार ती व्यक्ती निवडून येते. त्यामुळे कोणत्या विद्यार्थ्याला निवडून द्यायचं ते प्रत्येकाने ठरवलेले असते कारण विद्यार्थी निवडून आल्यावर अनेक विद्यार्थ्यांच्या समस्या सोडवण्यास मदत होते कॉलेजमधील निवडणुकीतील राजकारणाचा चांगला व वाईट ह्या दोन्ही परिणामाचा अभ्यास करण्याची गरज निवडून आलेल्या प्रतिनिधीला असते. निवडून आलेला विद्यार्थी हा सर्व कॉलेजचा प्रमुख असतो व इतर विद्यार्थ्यांना त्यांचा हक्काचा आवाज मिळण्यास मदत होते. या सगळ्यात राजकीय पक्षांचा किंवा राजकीय नेत्यांचा कोणत्याही प्रकारचा संबंध येऊ नये. कारण त्यांच्या मतभेदांमुळे चांगला व वाईट परिणाम संपूर्ण कॉलेज आणि विद्यार्थ्यांवर होतो.

कॉलेजमधील दिवस म्हणजे विद्यार्थी दशेचा काळ होय पण त्या काळात शिक्षणाव्यतिरिक्त मनोरंजन व व्यक्तिमत्व विकास हे पण तितकेच महत्त्वाचे मानले जाते. तसेच निवडणुकांमुळे आपआपसात भांडण वेगवेगळे गट द्वेष व संताप अशा गोष्टींना सुरुवात होते. कॉलेजमधून पदवी प्राप्त करून उत्तम भविष्य घडविण्याची अपेक्षा विद्यार्थ्यांकडून केली जाते. पण राजकारण कॉलेजमधील निवडणुका या क्षेत्राकडे जास्त कल असल्याने त्यातून होणारे वाद हे पोलीस स्टेशनापर्यंत जातात त्याचा परिणाम त्यांच्या पालकांच्या मानसिकतेवर देखील होतो. अर्थात जे विद्यार्थी राजकारणाशी संबंधीत असलेल्या कुटुंबातील असतील तर त्यांना फारसा फरक जाणवत नाही पण त्यामध्ये सामान्य विद्यार्थ्यांचे खूप हाल होतात काही विद्यार्थ्यांच्या मनावर वाईट परिणाम होतो.

स्वतः च्या मतांना व प्रश्नांना इतर विद्यार्थ्यांपर्यंत पोहचवणे तसेच कॉलेजसाठी काहीतरी करणे त्यासाठी विद्यार्थी प्रश्नांना इतर करणे हे निवडून आलेल्या विद्यार्थी प्रतिनिधींना उत्तम संधी असते. कॉलेजमध्ये निवडणूक घेणे अत्यंत महत्त्वाचे असते कारण शिक्षक

अनेक वर्ष कॉलेजमध्ये शिकवत असल्यामुळे त्यांना कॉलेज प्रतिनिधी निवडून येण्यासाठी मदत होते. काही वर्षांपूर्वी हिंसा, दहशत, या गोष्टींमुळे कॉलेजमांमध्ये होणाऱ्या निवडणुका बंद केल्या होत्या. कॉलेज निवडणुका लढताना विद्यार्थी प्रतिनिधीना संयमाची खूप गरज असते. कॉलेजमधील विद्यार्थी ह्यांची एखाद्या आंदोलनामध्ये झपाट्याप्रमाणे स्वतःला झोकून देण्याची तयारी असते. विद्यार्थी परिषदेच्या निवडणुका या कॉलेजमध्ये झाल्यानंतर त्यामध्ये निवडून आलेला विद्यार्थी प्रतिनिधी विद्यार्थ्यांच्या समस्या सोडवण तर दुरच पण विद्यार्थ्यांच्या समस्या जाणुन घेईल की नाही ह्याबाबत कोणाला खात्री नसते

आजकालच्या विद्यार्थी निवडणुकांमध्ये आपल्याला समाजकारण हे अभावानेच दिसते. राजकीय पक्षांच्या हस्तक्षेपामुळे विद्यार्थी संघटना राजकीय भरतीची माध्यमे बनू पहात आहेत. पण महाविद्यालयातील नव्याने रचना करण्यात आलेल्या निवडणुका जर निःपक्षपातीपणे लढविल्या गेल्या, तर राजकारणात आपल्याला सर्वोत्तम नेते मिळतील.

राज्यशासनाचा खुल्या निवडणुका घेण्याचा निर्णय स्वागताहर्ष आहे, पण स्वतःचा विद्यार्थ्यांनी आपल्या स्वच्छंदी वृत्तीकर नियंत्रण मिळविणे आवश्यक आहे. राजकीय पक्षांनी कोणताही हस्तक्षेप जर केला नाही तर नव्या स्वरूपाच्या महाविद्यालयीन निवडणुका लोकशाही बळकट करू शकतील, तसेच यामधून आपल्याला अनेक लोकाभिमुख धुरंदर नेते देखील मिळू शकतील.

## सोशल मिडीयाचे वास्तव

फेसबुक वॉट्सअप ट्विटर यांचे सर्वत्र पसरले जाऊ, काही वेळा चांगले, तर काही वेळा वाईट हे लोकांना कदाचित भुरळ...

या चरोळी मधून तुम्हांला कळेल असेलच इंटरनेटच्या जगात वावरणारे आपण सोशल मिडीया मध्ये इतके कृत चाललोय जणू त्यांनी आपल्यावर जाळच टाकलं आहे अन्न, वस्त्र, निवाऱ्यासोबतच मोबाईल नसेल तर जीव वीस होतो सोशल मिडीयाचा उपयोग करून घेण्यापेक्षा ती आपली गरज होत चालली आहे. माणसे एकत्र जोडणे जगभरातील लोकांशी संबंध ठेवणे हा याचा मुख्य हेतू आहे. पण इथे तर आपण नातेवाईकांना ब्लॉक आणि यांना आपलेसे करतो फेसबुकचा शोध कोणी लावला हे माहीत नसले तरी त्याचा वापर कसा करतात हे सर्वांनाच माहित असते. पत्राची जागा मॅसेजेसनी घेतली. दोन दिवसात पोहचणारे संदेश दोन सेकंदात पोहचल्यावर त्याची किंमत मात्र कमी झाली. वाचू लागला. परंतु तो वेळ तासंतास चॅटींग करण्यात वाया जातोय हे आपल्याला कळतच नाहीये.

इंटरनेटद्वारे माहिती गोळा करणे, यापेक्षा सोशल साईट्स वर ॲक्टिव राहणे हा ट्रेन्डच झाला आहे. आधी आपल्याला एखादी गोष्ट झाली किंवा समजली नाही तर आपण ग्रंथालयात जायचो फार फार तर विकिपिडीयावर व शोधायचो आणि आता तर सोशल साईट्स वर अपलोड करून विचारतो. स्वतःच्या मतापेक्षा समोरच्यांच्या कमेंट्स या आपल्यासाठी महत्त्वाच्या असतात. सोशल मिडीयाचे तोटेच आहेत, अशातला काही भाग नाही आपण याचा चांगला उपयोग सुद्धा करू शकतो दिवसरात्र ॲक्टिव राहून वेळ वाया जातो. ज्या गोष्टींसाठी खूप वेळ वाया जातो. ज्या गोष्टींसाठी खूप वेळ लागायचा उदा. फोटो, डॉक्युमेंट्स या काही मिनिटातच पोहचतात वेळेचा सदुपयोग आणि दुरुपयोग हा समान पातळीवर आहे. वर्तमानपत्र वाचण्यापेक्षा मीम्स वाचणे जास्त आवडायला लागले पुस्तकांची जागा ब्लॉगने घेतली आहे. काही वेळातर एखादी बातमी इतकी व्हायरल होते की, ती बातमी पोस्टव्दारे कळते. सोशल मिडीयाचा इतका प्रभाव झाला आहे की, वायरल न्यूज कितपत खऱ्या आहेत. त्याच ऐक वेगळ सेशन न्यूज नंतर घेतलं जात. वायरल सत्य अस त्याच नाव. देवांचे फोटोच शेअर करण ही कोणत्या प्रकारची भक्ती आहे. हे आजपर्यंत मला कळले नाही. मार्केटींगच्या क्षेत्रात याचा फायदा दिसून येतो. आपले उत्पादन जास्तीत जास्त लोकांपर्यंत कसे पोहचवता येईल याचा प्रयत्न केला जातो अधि जाहिरातीव्दारे मोठे उद्योगपती आपले उत्पादन खपवायचे. परंतु, आता मात्र छोटयातल्या छोटया उद्योगांना सुद्धा प्राधान्य मिळाले. परंतु हॅकिंग, फेक अकाउंट्स सर्वास चाललय त्यामुळेच सायबर क्राईम वाढत चालला आहे. शाळेतले जुने मित्रमैत्रिणी यांच्या सोबत शाळेतूनही तसाच संबंध टिकून राहण्याचे मुख्य कारण म्हणजे सोशल मिडीया. आपण आजकाल पोटासाठी नव्हे तर लाईकसाठी वेगळे पदार्थ खातो हे जाणवत एखाद्या गरिबाला अन्न देताना त्याचा विडिओ निघतोय ना किंवा किती वायरल होतोय यावर आपल मदत करण अवलंबून असत. पण यातून एक चांगली गोष्ट मदत तर करता आहेत.

आपण सोशल मिडियाच्या इतके आहारी गेलो आहोत. तुम्ही काय किंवा मी काय परिणामी आपला वेळ वाया जातो हे कळत असूनही आपण ते बंद करत नाही. कधीकधी तर प्रश्नच पडतो आपला वेळ वाचवण्यासाठी वापरतो की, वेळ वाया घालवण्यासाठी आणि त्याची इतकी सवय होऊन गेलेली असते जणू एका प्रकारचे व्यसनच ते आणि ते थांबवण्यासाठी आपल्याला सल्लागारांची मदत घ्यावी लागते. कित्येक वेळा मानसिक पातळीवर तरुण पिढीला सामोरे जावे लागते. कितीतरी वाईट घटना आपल्या कानावर येतात. आपण आपल्या जवळच्या माणसांपेक्षा अनोळखी माणसांवर जास्त विश्वास ठेवतो. जगभराशी जोडून राहणे किंवा अपडेटेड राहणे याचा इतका प्रभाव आपल्यावर झाला आहेना की चांगल वाईट याची पारख न करताच आपण कोणालाही जास्त महत्त्व देतो. एखाद्या आवडत्या अभिनेत्याच्या ब्लॉगर च्या मागे आपण दिवसरात्र त्यांना फॉलो करतो. ते त्यांचे काम करत असतात आणि आपण वेळेचा दुरुपयोग करतो. सर्वसामान्यांमध्ये याची ओढ जास्त दिसून येते पण सारासार विचार करता कुठेतरी आपल्या संप्रेषण कौशल्यावर याचा चांगला परिणाम झालेला दिसून येतो. आपण न घाबरता बोलतो भाषेवरच प्रभुत्व वाढलेले असत. सोशल मिडीयामुळे फायदे आणि तोटे दोन्ही आहेत जर सोशल मिडीयामुळे माझ्या जवळच्या मैत्रिणीचा माझ्या वरचा विश्वास कुठेतरी डगमळत असेल. ती किंवा कुटुंबीय नको म्हणत असताना मी सतत अँक्टीव असून तर त्यामुळे माझा फक्त तोटाच होऊ शकतो. जगभराशी जोडून कनेक्टेड रहा पण आपल्या जवळच्यांना न दुखावता. आजच्या स्पर्धात्मक जगात आपलं स्थान गमावू नका वेळेचा सदुपयोग हिच काळाची गरज.

### महिलांच्या आरोग्य विषयक समस्यांचे विश्लेषण करणार चित्रपट : पॅडमन

नेहमीच्या सिनेमापेक्षा काहीसा वेगळा आणि सामाजिक विषयांवर आधारलेला हा सिनेमा आपल्याला दिसतो. मासिक पाळी दरम्यान ज्या तमाम महिला आणि मुली जे सॅनिटरी पॅड वापरतात त्याच्यावर हा सिनेमा तयार करण्यात आलेला आहे. तसेच अरुणाचलम मुरुगनंथमच्या खऱ्या आयुष्यावर हा सिनेमा आधारलेला आहे.

ग्रामीण भागात बहुधा मासिक पाळी दरम्यान अस्वच्छ कापड वापरले जातात त्या ठिकाणी सॅनिटरी पॅडचा वापर केला जात नाही. ग्रामीण भागात तर याला किळसवाणं, अपवित्र मानून त्यावर बोलणही पाप समजले जाते. या वातावरणात सॅनिटरी पॅडसारखा विषय हाती घेऊन हा सिनेमा तयार केला. लक्ष्मीकांत चौहान (अक्षय कुमार) आणि गायत्री (राधिका आपटे) हे दोघे या सिनेमामध्ये मुख्य भूमिका साकारताना दिसतात. लक्ष्मीकांत (अक्षय) हा गायत्री (राधिका) हिच्याशी लग्न करतो परंतु त्याला लग्न केल्यानंतर कळतं की आपली पत्नी तर मासिक पाळी दरम्यान अस्वच्छ कापड वापरते तसेच मासिक पाळी तर मासिक पाळी आल्यानंतर तिला ५ दिवस घराबाहेर राहावे लागते.

महिला मासिक पाळीच्या दिवसात अस्वच्छ कपडे वापरतात यामुळे अनेक प्राणाघातक रोगांना आमंत्रण मिळतं असे लक्ष्मीकांतला डॉक्टरांकडून कळतं तेव्ही तो स्वतः सॅनिटरी पॅड बनवण्याचे ठरवतो परंतु तो सॅनिटरी पॅड तयार करणार हे जेव्हा त्याच्या घरात समजल्यावर त्याची आई, पत्नी, बहीण त्याचा तिरस्कार करतात. त्याला गावकरी आणि समाज वाळीत टाकतात. परंतु जितका विरोध होतो तितकी त्याची सॅनिटरी पॅड बनवण्याची जिद्द पक्की होते. त्याला घर सोडाके लागते. पण तो आपली जिद्द सोडत नाही. तो आपला निश्चय कायमस्वरूपी ठेवतो आणि आपले गाव सोडून दिल्ली मध्ये जातो.

दिल्लीमध्ये जातो आणि आपलं काम करण्यास सुरुवात करतो. तेथे त्याला एक एमबीए विद्यार्थीनी परी (सोनम कपूर) मदत करते तो तिला आपण काय करायचे आहे याची कल्पना देतो मी तुला मदत करणार तुझी जिद्द पूर्ण होईल असे त्याला सांगते परी (सोनम कपूर) त्याला काही कल्पना देते, त्यामुळे तुझ्या सॅनिटरी पॅडचा वापर हे सर्व ठिकाणी होईल ते दोघेजण पहिले कॉलेजमध्ये मुलींना सॅनिटरी पॅड देतात. त्यामुळे त्यांना वाटते की आपल्याला थोडती फायदा होईल तर त्या कॉलेजच्या मुली पॅड वापरता नाहीत त्यातील एक मुलगी त्या सॅनिटरी पॅडचा वापर करणार असे सांगते (सोनम कपूरची) परीची कल्पना पुढे यशस्वी होत असते. त्यामुळे (अक्षय कुमारची) लक्ष्मणची सॅनिटरी पॅडची जिद्द पूर्ण होते.

सॅनिटरी पॅडची कल्पना चांगली असल्यामुळे त्याला पुरस्कार दिल जातो. त्याच्या टी. व्ही. वर बातम्या येत असतात. सर्वजण गौरव करत असतात. हे सर्व झाल्यानंतर तो दिल्लीतून परत आपल्या गावी येतो तर सर्व समाज व गावकरी त्याचे कौतुक करत असतात. त्याच्या सर्व कुटुंबाला खूप आनंद झालेला असतो. ते सर्वजण खुश असतात म्हणजे (अक्षय कुमारच्या) लक्ष्मणच्या सॅनिटरी पॅडच्या जिद्दीला यश प्राप्त होते त्यामुळे तो खूप समाधानी असतो. असे सर्व पॅडमॅन या सिनेमात दाखवण्यात आलेले आहे.

पॅडमॅन या सिनेमात मासिक पाळीच्या काळातलं हायजीन या मुद्द्याला पूर्ण न्याय दिला आहे. मासिक पाळीसंदर्भात ज्या काही समाजात महिलांना किंवा मुलींना समस्या, अडचणी येतात ते मिटविण्यासाठी आजच्या काळातील सामाजिक विषयावरील हा एक महत्त्वाचा सिनेमा आहे. या सिनेमामुळे सॅनिटरी पॅडसंदर्भातील जागरूकता निर्माण झाली. या सिनेमामुळे अनेक बदल घडून आलेले देखील दिसून येत आहेत. या सिनेमामध्ये पॅडमॅनच्या भूमिकेचा प्रत्येक पैलू हा उलगडून दाखवलेला आपल्याला दिसून येतो. त्यामुळे हटके सिनेमापेक्षा अगदी वेगळ्या विषयांवर आधारलेला चित्रपट आहे.

## लोकशाही आणि मी

लोकांच्या आर्थिक आणि सामाजिक जीवनात क्रांतीकारक बदल रक्तविरहीत मार्गाने घडवून आणणारी शासन उद्दीष्टी म्हणजे लोकशाही अशी लोकशाहीची व्याख्या भारतीय राज्यघटनेचे निर्माते भारतरत्न डॉ. बाबासाहेब आंबेडकर यांनी केली आहे. बाबासाहेबांनी केलेली ही व्याख्या ही सत्तेवर नियंत्रण घालणे नसून हे लोककल्याण साधणे आहे.

लोकांनी लोकांसाठी लोकांद्वारे चालवलेले सरकार म्हणजे लोकशाही होय अशी अब्राहम लिंकन यांनी लोकशाहीची व्याख्या केली आहे. बाबासाहेबांनी केलेली लोकशाहीची व्याख्या उद्दीष्टे दर्शवणारी आहे. लोकशाही जे प्रजासत्ताक नव्हे तर लोकशाही म्हणजे सहजीवन राहण्याची पद्धत होय.

लोकशाहीचा मूलभूत पाया म्हणजे सामान्य जनता आहे. लोकशाहीत सामान्य जनता ही सत्ता स्थापन करू शकते. हे केवळ लोकशाही मुळे शक्य आहे. लोकशाहीत राजकारणी नेत्यांनी जर सामाजिक विकास केला तरच राजकारणी किंवा नेते सत्तात. कारण जनता हिच लोकशाहीचा पाया आहे जर लोकशाही टिकवायची असेल तर सामान्य जनतेला त्याचा अधिकार मिळाला पाहिजे. भारताने लोकशाही घटना स्वीकारली असली तरी, खऱ्या अर्थाने लोकसत्ताक जनतेला त्यांचे हक्क दिले जात नाहीयेत त्यांचा अधिकार दिला जात नाहीये. लोकशाही ने खरे तर अभिव्यक्ती स्वातंत्र्य दिले आहे. पण जनतेला त्यांची मते मांडण्याचा व्यवसाय करण्याचा अधिकार देत आहेत का? तर नाही लोकशाहीला कलंक आहे, धोका आहे. भारतामध्ये विद्यार्थ्यांना त्यांचा अधिकार मिळवण्यासाठी मोर्चे, आंदोलने करण्यास भाग पडत आहे. शेकतकऱ्यांना त्यांचा हक्क मिळत नाही हे लोकशाहीला धोकादायक आहे.

लोकशाहीचे चार स्तंभ आहेत विधायकता, न्याय व्यवस्था, प्रशासन आणि माध्यम हे चार लोकशाहीचे स्तंभ आहेत ही चार माध्यमे जर एकत्र असली तर लोकशाही टिकू शकते आणि लोकसत्ता बनू शकते आणि समाज कारण परिवर्तन होऊ शकतो. सामान्य जनता ही प्रजासत्ताक बनू शकते.

सत्तेवर असलेल्या लोकांनी सामान्य जनतेचा विकास केला पाहिजे. नवनविन योजना आणल्या पाहिजेत तरच जनतेचा विकास होतो हल्लीच्या काळात जातीय दंगली घडवतात हे लोकशाहीला धोकादायक आहे असे मला वाटते कारण लोकशाहीत जातीय दंगली घडविणे ही चुकीचे असून लोकशाहीला दगा आहे. शासन कर्त्यांनीही समाज परिवर्तन, प्रबोधन केले पाहिजे मात्र हल्लीच्या काळात लोकशाहीच धोक्यात आहे, असे वाटत आहे. कारण लोकांना त्यांचे अधिकार मिळत नाहीत आणि हे कुठे तरी थांबावे असे मला वाटते. विद्यार्थ्यांना शिक्षण घेण्यासाठी सरकार विरोधात लढावे लागते यांची मला खंत वाटते.

जर लोकशाही टिकवायची असेल तर ती सामान्य जनताच टिकवू शकते आणि लोकशाही टिकली तर लोकसत्ताक / प्रजासत्ताक बनू शकतो जगाच्या सर्व देशात लोकशाही पाहिजेच....

## कॅशलेस अर्थव्यवस्था आणि नवे पर्याय

काही दिवसांपूर्वीच झालेल्या चलन बदलामुळे भारतातल्या अर्थव्यवस्थेमध्ये बरेच बदल घडले आणि पुढेही घडतीलच पूर्वकल्पना न देताना झालेल्या या बदलामुळे काळा पैसा उघडकीस आणण्यास आणि तो चलनातून बाद करण्यास मदत झाली असली तरी नव्या नोटांच्या तुटवड्याचा मोठा प्रश्न निर्माण झाला होता एटीएम, बँकामध्ये नोटाबदलासाठी रांगा लागल्या सध्या या रांगा बऱ्याच कमी झाल्या आहेत. मात्र याच काळात अनेक वर्षांपासून ज्याची गरज होती आणि जे प्रत्यक्षात आणणे सुद्धा शक्य होते ते आता घडताना दिसत आहे ते म्हणजेच कॅशलेस व्यवहार तर आज पाहूया हा कॅशलेस इकॉनॉमी काय प्रकार आहे ? यासाठी कोणकोणते पर्याय उपलब्ध आहेत ? आपल्यासाठी कोणते पर्याय योग्य ठरतील ?

सध्याच्या अर्थव्यवस्थेतील व्यवहार : सध्या भारतात मोठ्या प्रमाणावर रोख पैशाचा म्हणजेच नोटांवर व्यवहार होतात. ही पद्धत बऱ्याच वर्षांपासून सुरू आहे. छापील नोटांच्या व्यवहारात भारत आघाडीवर आहे. या पद्धतीचे तोटे चलनबदलाच्या निमित्ताने आपल्या समोर आले आहेतच याबद्दल थोडक्यात माहितीसाठी यापूर्वीचा लेख वाचा. अलीकडे गेल्या काही वर्षांत प्लास्टिक मनी (डेबिट/क्रेडिट कार्ड्स) चा वापर वाढला आहे. तरीही ही पद्धत या व्यवस्थेमध्ये म्हणाव्या मोठ्या प्रमाणात वापरली जात नाही.

कॅशलेस अर्थव्यवस्था : ह्या अर्थव्यवस्थेनुसार व्यवहारासाठी कॅश/रोख रक्कम वापरण्याऐवजी इतर पर्याय वापरले जातात जसे की, प्लॅस्टिक मनी, ई वॉलेट, इंटरनेट बँकिंग ज्यामध्ये छापील नोटांचा अजिबात समावेश नसतो या प्रकारच्या अर्थव्यवस्थेची भारतात नक्कीच गरज आहे. ही व्यवस्था मोठ्या प्रमाणात अंमलात आणणे सुद्धा शक्य आहे. भारतीयांमधील वाढलेला फोनचा वापर यासाठी अधिक उपयुक्त ठरणार आहे ! या अर्थव्यवस्थेमुळे सर्व व्यवहार बऱ्यापैकी पारदर्शक असतील सुरक्षित असतील आणि त्यामुळे काळ्या पैशाला गैरव्यवहारांना थांबवण शक्य आहे ! ह्या व्यवस्थेनुसार व्यवहार करणे सुद्धा सोपे असल्याने लवकरच याचा मोठा प्रसार होईल. असे चित्र था चलनबदलाच्या निमित्ताने का होईना पण दिसू लागले आहे.

### कॅशलेस अर्थव्यवस्थेचे फायदे :

छापील नोटांमधून होणाऱ्या गैरव्यवहारांना आळा बसेल  
चलन व्यवस्थापन, नोटांच्या छपाईचा सरकारी खर्च वाचेल  
बनावट नोटा छापण्याचे प्रकार बंद होतील  
आयकर विभागामुळे प्रत्येक व्यवहाराची नोंद होईल  
रोख रक्कम सुटे पैसे जवळ बाळगण्याची गरज नाही  
धनादेश वटवण्याच वाट पहावी लागणार नाही त्यामुळे सर्व व्यवहार जलद  
सुरक्षित व्यवहार आणि गरजेनुसार अनेक पर्याय उपलब्ध  
आता ओळख करून घेऊया कॅशलेस अर्थव्यवस्थेमध्ये उपलब्ध असलेल्या पर्यायांची.....

१) प्लॅस्टिक मनी (डेबिट कार्ड / क्रेडिट कार्ड)

२) इंटरनेट बँकिंग

३) ई वॉलेट / मोबाईल वॉलेट

४) युपी आय UPI

५) मोबाईल बँकिंग व USSD

६) POS पॉइंट ऑफ सेल

७) आधार कार्ड व्दारे

१) प्लास्टिक मनी : ह्या पर्यायामध्ये डेबिट कार्ड/क्रेडिट कार्ड कार्डचा वापर होतो खातेदार बँक खात्याशी जोडलेल्या कार्डची बँककडे गरजेनुसार मागणी करतो खरेदीसाठी डेबिट कार्ड आधीच खात्यास असलेल्या रकमेतून व्यवहार/खरेदीसाठी डेबिट कार्ड (Pre Pay) क्रेडिट कार्ड आधी व्यवहार खरेदी नंतर महिन्याखेरीस बँकेने पाठवलेल्या बिलानुसार रक्कम बँकमध्ये जमा करण्यासाठी क्रेडिट कार्ड (Post Pay)

प्रत्यक्ष वापर करताना दोन्ही कार्डचा वापर सारखाच पध्दतीने होतो कार्डधारक एटीएम मशीनमध्ये जाऊन त्याचा सुरक्षित चार अंकी पिन टाकून पैसे काढू शकतो. दुकानामध्ये खरेदी करू शकतो (कार्ड स्वाईप- कार्ड दुकानामधील मशीन मध्ये सरकवून) यानंतर बँकमधून त्या व्यक्तीच्या खात्यातून रक्कम थेट दुकानदाराच्या खात्यात जमा होते

२) इंटरनेट बँकिंग : या पर्यायामध्ये आधी बँककडे अर्ज द्यावा लागतो त्यानंतर बँक तुम्हाला युजर आयडी व पासवर्ड देते याला तुमचे ऑनलाईन बँक खाते असेही म्हणता येईल तो आयडी पासवर्ड घेऊन तुम्ही तुमच्या बँकच्या इंटरनेट बँकिंग वेबसाईटवर जाऊन लॉगिन करायची की, झाले खाते, ऑनलाईन व्यवहारांसाठी तयार खरेदी करताना इंटरनेट बँकिंग पर्याय निवडायचा आपली बँक निवडायची युजर आयडी पासवर्ड टाकायचा तुमच्या फोनवर आलेला OTP तिथे टाकायचा की झाले. खरेदी व्यवहार हा पर्याय सर्व पर्यायामध्ये नक्कीच सर्वात सुरक्षित आहे तुमच्या खात्यामधून कोणताही व्यवहार झाला की, एक ईमेल आणि SMS सुध्दा येतो तुम्ही ऑनलाईन / ऑफ लाईन केलेल्या सर्व व्यवहारांची नोंद या वेबसाईटवर कधीही पाहू शकता ती स्टेटमेंट प्रिंट करू शकता यालाच नेटबँकिंग सुध्दा म्हणतात

३) इ वॉलेट/मोबाईल वॉलेट : सोप्या शब्दात सांगायचे तर हे एक मोबाईलमध्ये असलेले आभासी पाकीट जे व्यवहारासाठी खऱ्याखऱ्या पाकीटाची मागणी जागा घेऊ पाहतेय या मोबाईल वॉलेटमध्ये आपण ठराविक रक्कम साठवू शकतो आणि ती कुठेही व्यवहारासाठी वापरता येते ऑनलाईन व्यवहार खरेदी / रीचार्ज / पैसे पाठवणे इ. तसेच ऑफलाईन ठिकाणी जसे की किराणा विक्रेते, रिक्शा / टॅक्सी चालक, दैनंदिन विक्रेते (भाजी, पेपर इ.) यांना पैसे देण्यासाठी सहज करता येते या वॉलेटमध्ये तुम्ही तुमच्या बँक खात्यामधून क्रेडिट कार्ड डेबिट कार्ड नेटबँकिंग द्वारे पैसे भरायचे आणि ते पैसे नंतर वरील प्रमाणे Send money/Receive money से पर्याय वापरून वापरू शकता हा पर्याय पूर्ण सुरक्षित असून तुमचे वॉलेट युजर आयडी पासवर्ड यांनी सुरक्षित केलेले असून तुमच्या वॉलेटमधून कोणताही व्यवहार झाला की एक ईमेल आणि एके से सुध्दा येतो.

४) युपीआय : (United Payment Interface UPI) : युपीआय हा एक नवा पर्याय उपलब्ध करून देण्यात आला असून भविष्यात याचा वापर अधिक केला जाईल अशी आशा आहे. या पध्दतीमध्ये युजर आयडी / पासवर्ड / बँक खात्याचा क्रमांक, घडणू, यापैकी कशाचीही गरज लागत नाही युपीआयमध्ये केवळ एका युजरनेमचा वापर होतो ज्याद्वारे व्यवहार थेट बँकमधूनच पार पडतात या युपीआय मध्ये युजरनेमला VPA (व्ह्युअरल प्रायवेट अड्रेस) म्हणतात यामुळे पैसे पाठवण्याकरिता केवळ या नावातच करून काही क्षणात पैसे पाठवता येतात. युपीआय व मोबाईल वॉलेट या दोन वेगळ्या गोष्टी असून युपीआय मध्ये मोबाईल वॉलेट प्रमाणे रक्कम भरावी लागत नाही यासाठी थेट बँक खात्यामधूनच व्यवहार केला जातो हे वापरण्यासाठी सध्या तरी तुमचा फोन तुमच्या बँक खात्याला मोबाईल नेटबँकिंग मार्फत जोडलेला असावा. त्यानंतर तुम्ही तुमच्या बँकेचे अधिकृत ॲप फोन मध्ये डाऊनलोड करा तोच मोबाईल क्रमांक युपीआयशी जोडा आणि व्यवहारासाठी ते ॲप तयार याला ऑफलाईन पर्याय सुध्दा उपलब्ध आहे हा पर्याय तुमच्या फोनवरून \*99# डायल करून वापरता येईल याबद्दल अधिक जाणून घ्या.

५) मोबाईल बँकिंग : हा पर्याय बेसिक फोन्स / इंटरनेट नसलेल्या फोन्ससाठी तयार करण्यात आला असून यामध्ये दोन उपपर्याय उपलब्ध आहेत. दोन्ही पर्याय वापरासाठी प्रथम तुमचा फोन क्रमांक बँकेमध्ये तुमच्या खात्याला जोडावा लागेल. त्यानंतर तुम्हाला mmid, युजरनेम व पासवर्ड दिला जाईल ज्याद्वारे बँकेच्या निर्देशानुसार imps द्वारे खाते क्रमांक आणि isfc कोडची माहिती sms द्वारे पाठवून पैसे सहज पाठवता येतात मोबाईल बँकिंग पध्दतीच वैशिष्ट्य म्हणजेच हा पर्याय अगदी कोणत्याही फोनवर ऑफलाईन म्हणजेच इंटरनेट नसताना वापरता येतो.

i) sms द्वारे : यासाठी बँकेच्या निर्देशानुसार काही ठराविक संज्ञा दिलेल्या असतात जसे की < IMPS > < Mobile no > < MMID > < amount > < User ID > < MPIN > एसबीआयची संज्ञा आहे.

ii) ussd द्वारे (Pos) : सरकार तर्फे सर्व बँकांना सुचना देऊन \*99# एकच क्रमांक निश्चित करण्यात आला असून यद्वारे सुध्दा खात्यातील शिल्लक तपासणे, पैसे पाठवणे हे व्यवहार करता येतील.

३) पॉइंट ऑफ सेल (Pos) : ह्या पर्यायामध्ये आपण विक्रेत्याकडे वस्तु खरेदी करतो त्यानंतर विक्रेता बिलची रक्कम सांगून त्याच्याकडील Pos मशीनमध्ये कार्ड टाकून पिन दाबायला सांगतो ह्यावेळी आपण प्लास्टिक मनीमध्ये पाहिलेलेच डेबिट / क्रेडिट कार्डच वापरतो त्या मशीनमध्ये आपल कार्ड सरकवून (स्वाईप करून) पिन टाकला की आपल्या बँक खात्यामधून रक्कम लगेच विक्रेत्याच्या खात्यात जमा होते. लगेचच एक पावती प्रिंट करून मिळते. ही मशीन्स हल्ली सर्व ठिकाणी पहायला मिळतात जसे की दुकाने, थिएटर, पेट्रोल पंप, इ. मध्ये नवा

प्रकार nfc द्वारे फोन टॅपकरून पैसे जमा करणे (भारतात उपलब्धता खूप कमी आहे)

७) आधार कार्ड बँकिंग : Aadhaar Enabled Payment System (AEPS) या प्रकारच्या व्यवस्थेमध्ये आधी तुमचे आधार कार्ड बँक खात्याला संलग्न करावे लागेल त्यानंतर ज्या ठिकाणी पैसे द्यायचे आहेत. तिथे तुमचा आधार क्रमांक टाका व तुमच्या बोटद्वारे फिंगर प्रिंट द्या लगेच व्यवहार पार पडेल म्हणजेच आधार कार्डवरील क्रमांक आणि बायोमेट्रिक पद्धतीने बोटचे स्कॅन याद्वारे पैसे ट्रान्सफर, शिल्लक पैसे काढणे ई. व्यवहार करता येतात. ही व्यवस्था सध्यातरी खूपच कमी ठिकाणी आहे.

**कॅशलेस अर्थव्यवस्थेमध्ये घ्यायची काळजी :**

तुमचा पासवर्ड कोणालाही सांगू नका

तुमचा पासवर्ड कार्डवर किंवा कोठेही लिहून ठेऊ नका

तुमच्या अंकाऊटची माहिती (युजरनेम/ पासवर्ड / OTP/CCV) कोणालाही सांगू नका तुम्हाला दहा लाखाच बक्षीस लागले आहे.

### ज्ञान

वाटल होत पाहीन कधीतरी  
हे जग डोळेभरून  
कुठल्यातरी उंच टेकाडावरून....  
वाटल होत एका सुंदर फुलाला  
जीवापाड जपशील तू  
त्याच्या पालनपोषणासाठी  
दिवसरात्र खपशील तू.....  
आई आई म्हणत म्हणत घरभर  
अगदी फिरन मी....  
लग्नानंतर सासरी जाताना  
कुशीत तुझ्या रडेन मी....  
आई-बाबा माझा अभिमान  
म्हणून ओरडून सांगितल असतं सर्वांना  
बाबांना कळवळीने म्हटले असते  
बाबा एकतरी घास भरवा ना  
पाय घसरून पडले असते तर  
ओरडले असते मोठ्याने आई म्हणून  
वाघोबाच्या भितीने  
घट्ट बसले असते तुला धरून  
वाटले होते असशील तू माझी  
एका वासरावर प्रेम करणारी गाय  
पण दादाला ठेवून मला दूर केलस  
हा तुझा कोणता गं न्याय ?

### जीवन

जीवन एक प्रवास जगावे कसे बिनधास्त  
नाही कशाची चिंता, नाही कशाची आस  
आजचा दिवस कसा जाईल. नको उदयाचा ध्यास  
पिढ्यान् पिढ्यांसाठी कमाई करून,  
कशाला सोसावा वनवास.....

जीवन एक प्रवास, कशाला  
बांधावे स्वतःला बंधनात  
आज दसरा तर उदया दिवाळी  
नंतर येणारच आहे होळी  
तर कधी येते अमावास्या काळी !

जीवन एक प्रवास येताना आलो रिकाम्या हाती,  
एक दिवस जाणार रिकाम्याचं हाती  
तरीही जपणार प्रपंचाचा वाटा  
वृद्धपण येता आठवे बालपणीचा साठा.....

### धुव्वा

आयुष्य म्हणजे धुव्वा आहे  
आपण इथेच जगतो, इथेच मरतो  
नाती क्षणांची... गुंतवणूक मनांची....  
आठवणी सायी सारख्या काही करपलेल्या...  
पण लागतात मऊच....  
जगत रहा... श्वास घ्या... पर्याय आहे का ?  
जन्म तरी मर्जीनुसार झाला का  
गममत ती पण क्षणांची प्रतीक्षा कणाकणाची.  
नीट पहिल की दिसत आपल  
असं काहिच नसत.  
फक्त वेड्या समजूती....  
त्याही आपल्या सोयीच्या, मानलेल्या.  
नाहीतर वेळ तरी कसा जाणार.  
शेवट सर्व धुव्वा होणार  
धुव्वा हेच अंतीम सत्य  
त्याच्या पलिकडे दिसत....  
सर्व... कसं स्वच्छ पण न कळणार,  
सहज न उमजणार.... जगतानातरी

## श्रद्धांजली

### सदाबहार, सतेज व्यक्तिमत्त्व..... आर. टी. पवार

डेक्कन एज्युकेशन संस्थेच्या मुंबई विभागाच्या स्नानिक व्यवस्थापन समितीचे माजी अध्यक्ष कै. श्री. रवींद्रजी पवार यांचे दि. ९ ऑगस्ट २०१८ रोजी निधन झाले. त्यांच्याविषयी थोडेसे....

१९६५-६६ च्या सुमारास 'अखिल भारतीय विद्यार्थी परिषदे' चे संघटन मुंबईत विकसित होण्यास सुरुवात झाली होती. त्याचकाळात महाविद्यालयीन शिक्षण घेतानाच रवींद्र पवार हे प्रदीप राणे, चंद्रकांत चव्हाण, सतिश मराठे, निर्मला धारप इ. कार्यकर्त्यांसह अभाविपच्या चळवळीत अग्रेसर झाले. लालाबाग, परळ या कामगारबहुल, संवेदनक्षम बहुजन वस्तीतून आपल्या सार्वजनिक कार्याला त्यांनी सुरुवात केली.

परळच्या आर. एम. भट महाविद्यालयानंतर त्यांनी वांद्रे येथील नॅशनल कॉलेजमध्ये प्रवेश घेतला त्याच दरम्यान त्यांचा अभाविपचे ज्येष्ठ कार्यकर्ते प्रा. यशवंतराव केळकर यांच्याशी स्नेह जुळला यशवंतरावांनी रविजी मधील कार्यकर्ता अचूक ठेवून, त्यांच्यातील नेतृत्व गुणास अधिक चालना दिली व त्यांना प्रोत्साहन देखील दिले. नॅशनल कॉलेजनंतर पदवीची एक-दोन वर्षे त्यांनी दादरच्या कीर्ती महाविद्यालयात घालविली. तेथे ही प्राचार्य मे. पु. रेगे यांच्याशी त्यांची वैचारिक देवाण-घेवाण होत असे. पदवीनंतर त्यांनी परिषदेचे पूर्ण वेळ काम करण्याचा निर्णय घेतला. महाराष्ट्राचे पहिले प्रदेशमंत्री म्हणून रवींद्र पवार यांनी परिषदेच्या माध्यमातून छात्रशक्तीचे दमदार नेतृत्व केले.

भाषणापेक्षा सहज संवादावर भर, अतिशय प्रसन्न अन मिशिकल स्वभाव, नेहमीच प्रफुल्लित आणि उत्साहाचा अखंड झरा याबरोबर धुरंधर अंतरंग हा त्यांचा व्यक्तिविशेष.

यशवंतरावांच्या मार्गदर्शनाचे अनुसरण करत त्यांनी परिषदेच्या संघटनेला सुसंघटीत आकार देण्याची महत्वाची भूमिका बजावली. कुलगुरु, प्राचार्य, शिक्षणतज्ज्ञ यांच्यापासून सामान्य किशोरवयीन विद्यार्थ्यांशी सहज स्नेहाचा संपर्क आणि संवाद हे त्यांचे आणखी एक

आगळेपण. देशात आणिबाणी लागू झाली तेव्हा त्या विरुद्ध सत्याग्रह करत तीन महिन्यांचा कारावासही त्यांनी भोगला. आणिबाणीनंतर राष्ट्रीय स्वयंसेवक संघाच्या परळ भागाचे कार्यवाह, त्यानंतर कोकण क्षेत्राचे सहकार्यवाह अशा महत्त्वाच्या जबाबदाऱ्या त्यांनी सांभाळल्या. आज परळ भागात 'यशवंत भवन' हे संघाचे मर्मस्थान असलेल्या कार्यालयाच्या उभारणीचा महाप्रकल्प रवींद्र पवार यांच्या बहुआयामी कर्तबगारीची ठळक साक्ष देत उभा आहे. डेक्कन शिक्षण संस्थेचे संचालक म्हणून नेमणूक झाल्यानंतर त्यांनी कीर्ती महाविद्यालयाच्या स्थानिक व्यवस्थापन समितीचे अध्यक्षपद ही समर्थपणे सांभाळले. कीर्ती महाविद्यालयाच्या परिसरातच एन. एम. आय. टी. आणि कोठारी बिझनेस स्कूल या संस्थांची उभारणी केली. प्रसिद्ध उद्योजक अशोक गोयल यांनी त्यांना राष्ट्रीय शिक्षण संशोधन संस्थेच्या के. जी. टहलियानी इंटरनॅशनल स्कूलच्या स्थापनेत मदत केली. कोणतीही संस्था स्थापन करून ती आर्थिकदृष्ट्या सक्षम करण्यात त्यांच्या हातखंडा होता.

त्यानंतर २००५ च्या सुमारास इंद्रनिल तावडे यांनी मुंबई येथील अमल विद्यावर्धिनी संस्थेच्या राजापूर तालुक्यातील कोंडचे येथील जनता विद्यालयाची धुरा रविजीवर सोपविली. साध्या लहान वाड्यात भरणाऱ्या शाळेला मुंबई-गोवा-महामार्गांलगत सुसज्ज अशी इमारती बांधून दिली. शाळेच्या परिसरात आंबा, काजूची कलमे लावून, आर्थिक सक्षमीकरण करण्याचा मार्ग दाखविला. २०१४ मध्ये स्वयंअर्थसहाय्यीत तत्वावर आर्टस् व कॉमर्स या शाखांच्या इंद्रनिल तावडे कनिष्ठ महाविद्यालयाची स्थापना केली.

पोलादपूर जवळील अति डोंगराळ भागात 'गोळेगणी' येथील शाळा ताब्यात घेऊन तेथील विद्यार्थ्यांना आधुनिक सोयीसुविधा उपलब्ध करून दिल्या. त्याशाळेला अनुदान मिळण्यासाठी सरकार दरबारी अथक प्रयत्न केले.

गेल्या ७-८ वर्षांपासून त्यांना किडनीच्या आजारामुळे नियमितपणे डायलिसिस घ्यावे लागत होते. तरीही त्यांची कार्यप्रवणता तसूभरही कमी झालेली नव्हती. आजार बळावत गेला आणि वयाच्या ७२ व्या वर्षी ९ ऑगस्ट रोजी डेक्कन शिक्षण संस्थेच्या वर्धापनदिनीच त्यांनी अखेरचा श्वास घेतला. राष्ट्रीयता, समाजसंघटन, सर्वस्पर्शी दृष्टीकोन संघटनकुशलता यांचा एक आदर्श मापदंड सिध्द करणारे सदाबहार, सतेज व्यक्तिमत्त्व काळाच्या पडद्याआड गेले. त्यांच्या तेजस्वी आणि प्रेरक स्मृतींना विनम्र अभिवादन !

### कैकेणी मॅडम यांना भावपूर्ण श्रद्धांजली

कीर्ती महाविद्यालयाच्या 'इतिहास' विभागात १९७९ ते २०१४ अशी सलग ३५वर्षे अध्यापनाचे कार्य प्रा. प्रतिमा कैकिणी यांनी केले निवृत्तीपूर्वी अनेक वर्षे त्या इतिहास विभागाच्या प्रमुख म्हणून कार्यरत होत्या. त्या फारच सोज्वळ, शिस्तप्रिय, मनमिळावू स्वभावाच्या होत्या. त्यांच्या मनात विद्यार्थ्यांबद्दल सहानुभूती व अतिशय प्रेम होते. अभ्यास व जिज्ञासपूर्वक अभ्यास करणाऱ्या विद्यार्थ्यांना लागणारी मराठी माध्यमची पुस्तके मिळविण्याचा त्यांचा प्रयत्न असायचा. त्यांच्या एखाद्या विद्यार्थ्याचा स्वभाव पात्रता काय, तो कोणत्या विषयात पुढे जाऊ शकतो हे त्या अचूक ओळखायच्या आणि त्याप्रमाणे विद्यार्थ्यांना मार्गदर्शन करायच्या. त्यांनी अनेक विद्यार्थ्यांच्या सर्वांगीण विकासासाठी प्रोत्साहन दिले. त्या विद्यार्थीप्रिय होत्या, चांगले शिक्षण हे गुरु-शिष्याच्या चांगल्या संबंधातूनच निर्माण होत. मॅडम नेहमी स्वतः सांगत की दुःखाच्या प्रसंगी हळूवारपणे दिलास देणारे संकटाच्या प्रसंगी खंबीरपणे पाठीशी उभे राहणारे, भिंतीच्या प्रसंगी थंडगार मायेचा वर्षाव करणारे, आनंदाच्या प्रसंगी तन्मयतेने सहभागी होणारे, अशा गुरुंनी माझ्यावर जे सुसंस्कार केले ते कधीही न विसरण्यासारखे आहे, खरा गुरु सदैव स्मरणात राहतो. माझ्या गुरुंनी माझ्यावर जे संस्कार केले, तसेच संस्कार मी माझ्या विद्यार्थ्यांवर करणार.

ग्रंथालय विभागाच्या समन्वयक म्हणून त्यांनी ६ वर्षे काम केले. त्यावेळी त्यांचे उत्तम मार्गदर्शन आम्हाला मिळावे. त्या ग्रंथालय विभागाच्या विविध उपक्रमांना आवर्जून उपस्थित राहायच्या. अशा या आदर्श प्राध्यापिकेला आम्हा सर्वांच्या वतीने विनयपूर्वक श्रद्धांजली !
