## **COURSE OUTCOMES**

## DEPT. OF RURAL DEVELOPMENT

	F. Y. B. A.
PAPF	SEM-I R 1 Course Title: Introduction to Rural Development Course Code: UARD101
11111	Todalse Title. Introduction to Rural Development Course Course Course
CO1	The aim of this unit is to introduce learners about the basic concepts of Rural Development and its various aspects. After learning this unit, learners will be able to:  • Define rural development;  • Explain concept, nature and scope of rural development; describe the importance of rural development and various programmes conducted for the rural development
CO2	The aim of this unit is to introduce learners about the Rural Society and its characteristics. After learning this course, learners will be able to:  • Define rural society;  Describe the nature and special characteristics of rural society
CO3	<ul> <li>The aim of this unit is to introduce learners to the concepts of rural social institutions such as family, caste and class. After studying this unit, learners will be able to:</li> <li>Define the concept of family and its various aspects;</li> <li>Talk / write knowledgeably about the functions and changing pattern of family</li> <li>Explain the concept, nature and changing pattern of caste in India and its impact on rural development</li> <li>Talk / write knowledgeably about the history and changing patterns of class structure in India.</li> </ul>
CO4	The aim of this unit is to introduce learners to the concepts of Social Change. After studying this unit, learners will be able to:  • Define the concept of social change and its various aspects;  • Explain the obstacles in process of social change  • Talk / write on role of nongovernmental organization and people participation in process of social change.
	F.Y.B.A.
	SEM-II
PAP	ER 2 Course Title: Issues related to Rural Development Course Code: UARD
CO1	Democratic Decentralization and Revenue Administration in Maharashtra  The aim of this unit is to introduce learners about the revenue administration in Maharashtra and decentralization. After learning this course, learners will be able to:  • Communicate knowledgably about the history of panchayat raj system in India  • Describe the structure and function of panchayat raj system in Maharashtra  Explain structure, scope, function and functionaries of revenue administration in Maharashtra state.
CO2	The aim of this unit is to introduce learners to the different rural Indian economy system. After having worked through this unit, learners will be able to:  • Describe the nature and changing patterns of rural economy in India  • Explain the role of agriculture in rural development  • Talk/write knowledgeably about the patterns of land holding in India, types of agricultural labours and their problems.

	Discuss natural resources and agricultural allied activities in rural development.
CO3	The aim of this unit is to introduce learners to the concept of rural infrastructure. After
	studying this unit, learners will be able to:
	• Define the concept of rural infrastructure and its importance in rural development.
	• Explain the concepts of transportation and communication and its importance in
	rural areas
	talk / write knowledgeably about the basic infrastructure such as drinking water,
~~.	sanitation, electrification, marketing and finance system
CO4	The aim of this unit is to introduce learners to the key issues of rural community. After
	studying this unit, learners will be able to:
	Define the concept, features and factors responsible for poverty.  Final in the concept, features and importance of advantions.
	<ul> <li>Explain the concept , features, nature and importance of education</li> <li>describe health related issues of rural community</li> </ul>
	talk/ write knowledgably about agrarian crisis, indebtness trap and suicides of farmers in
	India
	S. Y. B. A.
	SEM-III
	APER 3 Course Title: Rural Society Course Code: UARD
CO1	The aim of this unit is to introduce learners about the Indian Rural Society and its
	various types. After learning this course, learners will be able to:
	Define rural society;  Bigg
	Differentiate between tribal, peasant, and urban societies;
	• Describe the nature of castes and classes & identify the types the problems of
	weaker section
CO2	The aim of this unit is to introduce learners to the different aspects of rural institutional
	system in
	India. After having worked through this unit, learners will be able to:
	<ul> <li>Describe the concept, features, function and importance of Religion</li> </ul>
	• Describe the concept, features, function and importance of education in rural
	development
	Talk/write knowledgeably about the cooperative system in rural India; and
CO3	The aim of this unit is to introduce learners to the concepts of Social Change. After
	studying this unit, learners will be able to:
	<ul> <li>Define the concept of social change and its various aspects;</li> </ul>
	<ul> <li>Explain the processes of socio-political and economic changes.</li> </ul>
	• Talk / write knowledgeably about the change in rural social life.
CO4	The aim of this unit is to introduce learners to the concepts of Social Change. After
	studying this unit, learners will be able to:
	• Define the concept, features and factors responsible for sanskritization.
	• Explain the concept, features, nature of westernization and its impact on Indian
	society.
	• Communicate knowledgeably about the various concepts related to
	Modernization.
	C XI D A CIDAR XII
DADI	S. Y. B. A. SEM- IV ER 4 Course Title: Rural Administration Course Code: UARD
PAPI	ER 4 Course Title: Rural Administration Course Code: UARD

CO1	The aim of this unit is to introduce learners about the District Administration. After learning this course, learners will be able to:
	<ul> <li>Describe the existing organizational structure of district administration for rural development programmes;</li> </ul>
	<ul> <li>Identify the changes brought about in the structure of district administration since the post-independence</li> </ul>
	<ul> <li>List the objectives and principles of district administration</li> </ul>
	Assess the strengths and weaknesses of the administrative structure
CO2	The sime of this wait is to introduce becomes to the concept of Devenue Administration in
CO2	The aim of this unit is to introduce learners to the concept of Revenue Administration in India. After having worked through this unit, learners will be able to:
	<ul> <li>Describe historical background of revenue administration in India</li> </ul>
	<ul> <li>Describe scope of revenue administration in India.</li> </ul>
	• Describe the existing organizational structure of rural administration for rural development.
	assess the functions and functionaries of the revenue administrative structure
CO3	The aim of this unit is to introduce learners to the concepts of Laws & Order Administration & Judicial Machinery. After studying this unit, learners will be able to:  • Talk / write knowledgeably about the machinery of law and order in the district.  • Differentiate between civil and criminal judicial;
	<ul> <li>List the objectives and principles of Lok Adalat</li> </ul>
CO4	The aim of this unit is to introduce learners about planning for Rural Development.  After studying this unit, learners will be able to:  Define the concept, types and importance of planning in rural development.  Explain the district planning machinery
	<ul> <li>Communicate knowledgeably about the post 1992 reforms in district planning machinery</li> </ul>
	S.Y.B.A.
	SEM-III
	PAPER- V Course Title: Development Strategies Course Code: UARD
CO1	The aim of this unit is to introduce learners about the agricultural policies. After
	learning this course, learners will be able to:
	<ul> <li>Describe the schemes implemented by the agricultural department</li> <li>Identify the schemes implemented by panchayat raj system for rural development.</li> </ul>
	List schemes implemented by the Department of Tribal Development for the benefits of
1	tribes.
CO2	The aim of this unit is to introduce learners to the concept of Agricultural Development.  After having worked through this unit, learners will be able to:
	<ul> <li>Describe concept, objectives, features, origin, merits- demerits of National Agricultural Policy and Food Security Act of India.</li> </ul>
	<ul> <li>Describe the sources and methods of irrigation and its importance in agriculture.</li> </ul>
	Explain the institutional support to the agriculture viz; agricultural universities and Krishi Vigyan Kendra (KVK) and its importance for agricultural development
CO3	The aim of this unit is to introduce learners to the sources of rural employment in India.
	After having worked through this unit, learners will be able to:
	<ul> <li>Describe concept, objectives, features, origin and development of Self Help Groups.</li> </ul>

Describe the features of MSRLM, concept of Dashasutri and relation between SHG and Dashasutri. Explain the concept of agro-based industries, its types, functions and importance in rural development.    CO4		
development.		SHG and Dashasutri.
After studying this unit, learners will be able to:  Define the concept, factors, and merits- demerits of tourism. Differentiate between concepts, nature, importance and limitation of rural, agro and environmental tourism.  S.Y.B.A. SEM-IV  PAPER-VI Course Title: Laws related to Rural Development Course Code: UARD  The aim of this unit is to introduce learners about the various laws related to the Panchayat Raj in Maharashtra. After learning this course, learners will be able to:  Describe historical background of Mumbai Grampanchayat Act 1958 and Maharashtra Zillla Parishad and Panchayat Samiti Act 1961.  Explain the 73rd Constitutional amendment and its importance in rural development.  CO2 The aim of this unit is to introduce learners to the concept of Land Reforms. After having worked through this unit, learners will be able to:  Describe concept and objectives of land reforms and concept of land holdings. Explain the provisions in tenancy act, land ceiling act and consolidation of land holding act.  CO3 The aim of this unit is to introduce learners to the various laws related to the rural areas. After having worked through this unit, learners will be able to:  Talk/ write about the laws related to tribal community land.  Explain the Panchayat Extension Scheduled Act (PESA) Explain the laws such as Forest Right Act, Bio Diversity Act 2002 and Cooperative act 2009.  CO4 The aim of this unit is to introduce learners about concept of Tourism Development. After studying this unit, learners will be able to:  Define the concept of right of information.  Explain the Maharashtra RTI Act – 2005  Communicate consequences and importance of changes suggested by central government.  Talk/ write on the impacts of RTI on rural administration machinery.  PAPER-IV Course Title: Agriculture and its Significance in Rural Development.  To Study the Concepts and importance of agriculture in Rural Development.  To understand the modern trends and techniques in agricultural production.  To understand the modern trends and techniq		1 7
