For offline students' grievances, a complaint box was placed near the college office where students can drop their complaints. But due to the Pandemic situation all lectures and practical's along with examinations were held online on Teams app. So there were no complaints dropped in the box.

During the academic year 2020-21 the entire online process regarding admission, teaching and examination was new to all the students as well as to the teachers. For online queries regarding the admission process, query meetings were held online and the problems of the students were resolved during those meetings. During examination there were control room duties allotted to the teachers to solve the difficulties of the students.

Due to a pandemic there was a lockdown for a long period students faced financial crisis for admission fees, college management made arrangements for part payment facility.

4. Timely redressal of the grievances through appropriate committees
