REPORT OF The workshop in NUCLEAR ENERGY

1) Name of the department : Chemistry

2) Date of the activity : Saturday 25 February 2023

3) Venue : offline college Auditorium

4) Title of the activity: One day workshop in IARP Indian association of Radiation Protection and jointly organised by department of Physics and Chemistry of Kirti College

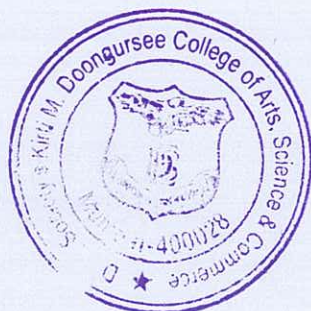

5) Objectives : To generate interest in Radiation Protection in UG, PG students and increase their interest in career in Nuclear technology

6) Details of the activity:

- Beneficial effects of nuclear technology workshop on 25 Feb 2023
- Number of resource persons four
- Number of registrations 110
- The resource persons for the above program were Mr Sheshadri Mural who is chairman of IARP, Shri Tej Ram Meena, BARC, Shri Sanjay Patil, BARC
- Mr Sheshadri gave an outline of the activities of IARP. He explained the beneficial effects of nuclear technology and emphasized the fact that it is destructive is a MYTH
- Shri Tej Ram Meena gave an informative talk on the radiation detection with a practical demonstration on the instruments used to measure the radiation
- Mr Sanjay Patil discussed the radiation protection and monitoring with demonstration of the kit gloves used for radiation protection
- The anchoring was done very efficiently by Kirti Paul
- Vice Principal, Dr M.S. Jog HOD physics gave the inaugural address of the workshop.
- The workshop was well attended by staff members of the chemistry department and physics department, also from biotech and other science
- It was well attended by all students of BSc and MSc of the Physics and the Chemistry departments
- The Vote of thanks was given by HOD chemistry department Dr Charruta Kulkarni
- The Program ended with prize distribution of The srujan winners of the Physics dept
- The program was very productive from the career in nuclear technology point of view

7) Number of participants : 110

8) Important take aways : The programme gave a very important message that Nuclear technology is destructive is myth. It opened a new window to the students about a bright career in Nuclear technology

Principal,

We are thankful to your mail communiqué indicating your institution's readiness to hold an IARP Workshop Programme. We conduct such awareness programmes regularly for students / faculty to take forward the benefits of our Indian Nuclear Energy Programme.

The Executive Committee of IARP has approved the proposal on conducting the **IARP Workshop Programme – 'Beneficial Effects of Radiation Technology and Indian Nuclear Energy Programme'** planned to be held on 25th February, 2023, Saturday for the students and faculty members of **Kirti M. Doongursee College of Arts, Science & Commerce, Mumbai.**

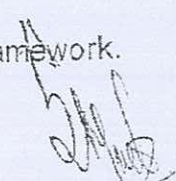

Our proposal on the modalities for the programme is -

Dates for the Programme –	25 th February, 2023
Venue –	Your Institution premises
Timings –	Sessions at 0900 h – 1730 h
IARP team members –	4 Scientists for lecture and demonstration
Material to participants –	Booklet of IARP, Softcopy of lecture details
Registration formalities –	Institution to effect registration of students

We would get contact details of participants including their mail ID. We would be happy to gather feedback from the participants of the programme.

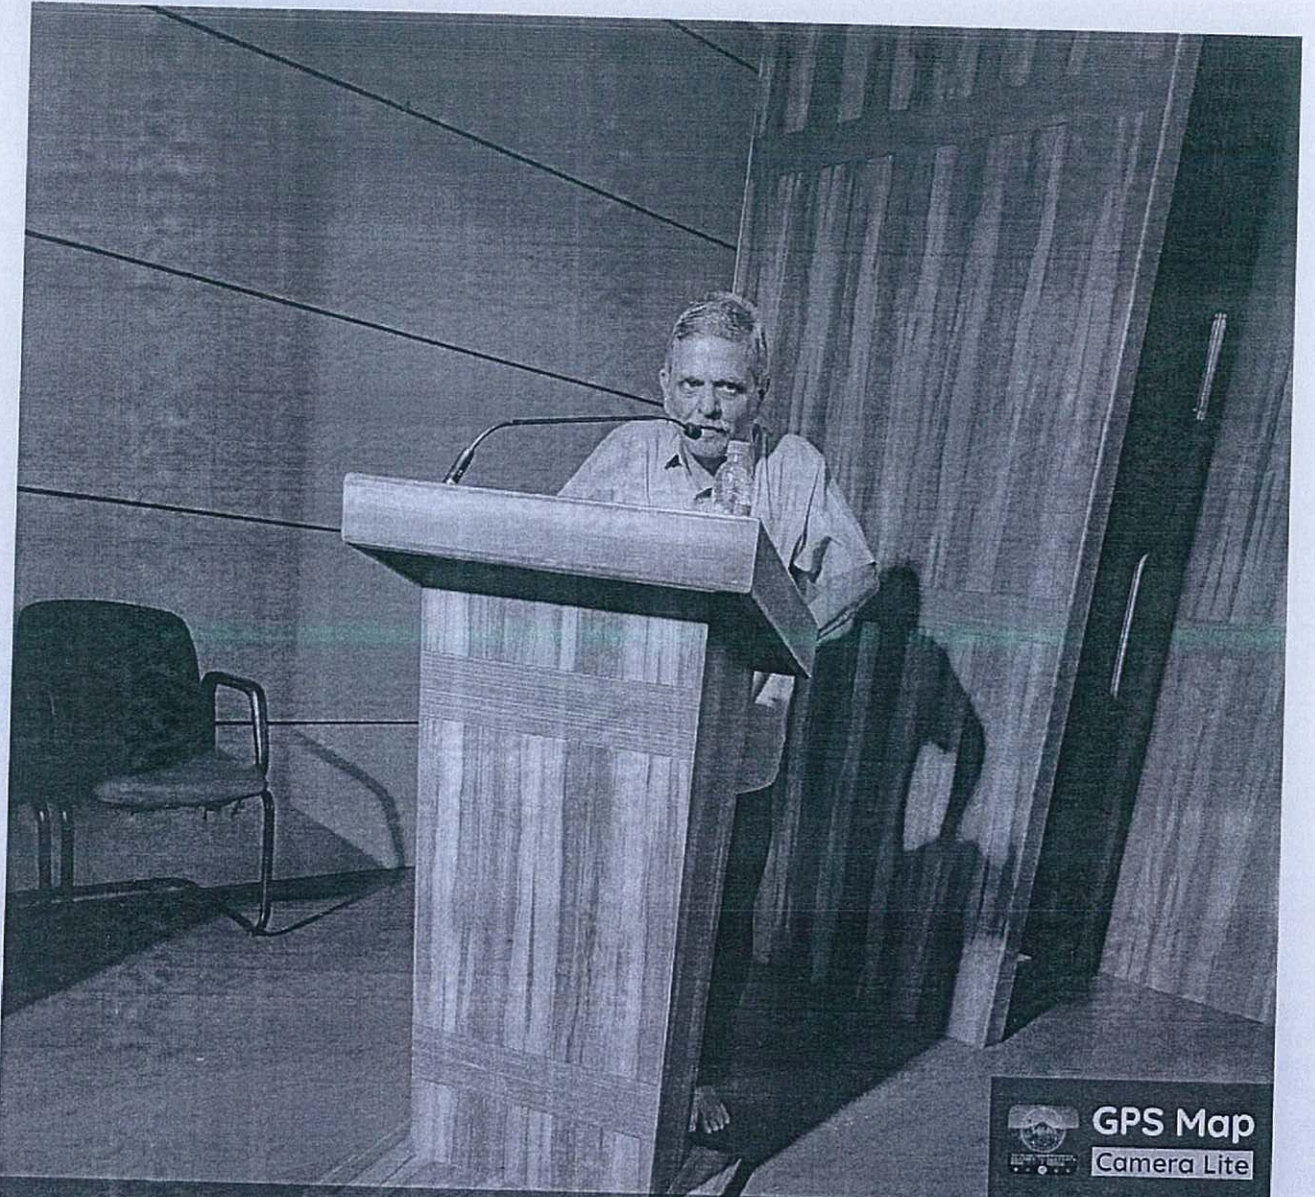

We are an NGO, non-profit entity and would be happy to bear the expenses on the conduct of one day IARP Workshop programme. The focus of our effort / objective is to spread awareness on Applications of Radiation, Nuclear Energy Programme, Scientific knowledge and draw/bring students community to Scientific arena.

We would formalize any requirement from your part, that lays within our framework.

(Dr. S. Murali)
Secretary, IARP
