Indian Heritage: A Gift from the Divergent  
 Indian heritage and culture are not only the result of the long history of  
 diverse groups existing in our country. Every community has its own set of customs  
 and traditions which it passes on to its younger generation.  
 However, some of our cultures and traditions remain the same throughout Indian  
 tradition. These are the religious and social values and ethics. A good example being the  
 cultural heritage is that a beautiful gift from our older generation that we may  
 us become a better world being one with a commoner society.  
 The older should take responsibility to make sure for the Indian heritage in the  
 younger generation. This must be done from the very beginning only then we can  
 preserve our rich heritage. It is the duty of the state to make sure for the  
 Indian heritage in the younger generation.  
 This must be done from the very beginning only then we can preserve our rich  
 heritage. School must teach students about Indian heritage and how it has  
 formed for centuries. They must also show the importance of preserving it. This  
 would help in creating a feeling of pride in them and they would be inspired to  
 continue the tradition and give their bit to the younger generation. This needs a  
 collective effort by the teachers as well as parents.  
 Indian literature is an rich of its culture and social values written in many  
 forms. Some ancient texts are the Vedic literature, the Sanskrit literature,  
 classical Sanskrit literature and the literature during other kinds of Indian  
 literature. Many of our books are being translated to other languages to provide  
 access to a greater number of readers so that more and more people can benefit from  
 the knowledge. Such a translation and the literature must be preserved at any cost.  
 However, the most important thing to do is to ensure that the Indian heritage is  
 the spiritual and moral heritage that forms a part of our country's culture.  
 Culture like, Indian Cinema, Indian and Kathak, Folk Songs, Handicrafts, Bharata  
 Natyam, Kathakam, Odissi, Mithila, Kolhata, Kathak, Kathak, Kathak, Kathak, Kathak.  
 As these traditions are the result of culture. A lot of people are being  
 from around the world especially when these people just to catch a glimpse of these  
 wonderful tradition of India.

& prevent gender-based violence against  
women

Reg. No: G.B.B.S.D. 167/1993 Society, Mumbai

19<sup>th</sup> November, 2022

Prof-In Charge  
Kirti College, NSS Unit  
Dadar.

**Sub: Seeking involvement of your NSS volunteers for human Rights rally on 10<sup>th</sup> Dec.**

Dear Sir / Madam,

On the occasion of International Human Rights Day observed as a part of the Campaign to promote human rights to dignity and safety, **Men Against Violence and Abuse – MAVA**, a voluntary organization working for the past 29 years to stop and prevent gender-based violence against women is organizing on 10<sup>th</sup> December, 2022 a public awareness rally of college students and social organizations from Mumbai.

As a part of the rally, we aim to spread mass awareness on the increasing violence against women and reach out to masses appealing them to speak up against violence and gender discrimination against girls / women.

As a part of the rally, we are organizing around 300 students from **colleges** around Wadala and Matunga and **25 social organizations** to spread mass awareness on increasing violence against women and reach out to masses appealing them to take a stand and speak up against gender-based violence and sexual harassment of girls / women in society. The colleges involved include Kirti College, Dadar, Khalsa College, Wadala ; Guru Nanak College, GTB Nagar, Sion; MMP Shah College, SNDT, Matunga ; B M Nanavati College of Home Science, SNDT Matunga and R. Ruia College, Matunga.

The rally would start around **9.30 a.m.** from **Kotwal Gardens next to Plaza Cinema to Wadala Railway Station to Khalsa College to SNDT College, Matunga , Maheshwari Udyaan to Ruia College around 1 pm.**

We would appreciate if your College is able to arrange a group of **around 50 volunteers** for this important Program, which would be covered by the media in big way. We seek involvement of the youth by actively taking part in the public rally, holding **college banners and attractive placards with slogans** on the theme of Human Rights and Gender Equality.

We would be having street-play performances (20 min.) by student leaders from 9 colleges organized by MAVA on the theme of 'Gender Diversity'. These will be done at 4-5 key spots in the route of the rally covering the colleges. We are getting the necessary police permission for the awareness rally program.

Looking forward to your positive response. Please confirm by email the number of your Volunteers participating and their contact numbers. Kindly send your College NSS banner with them at the Rally. For details, please call on **9175488760**

Thanking You and with Regards,

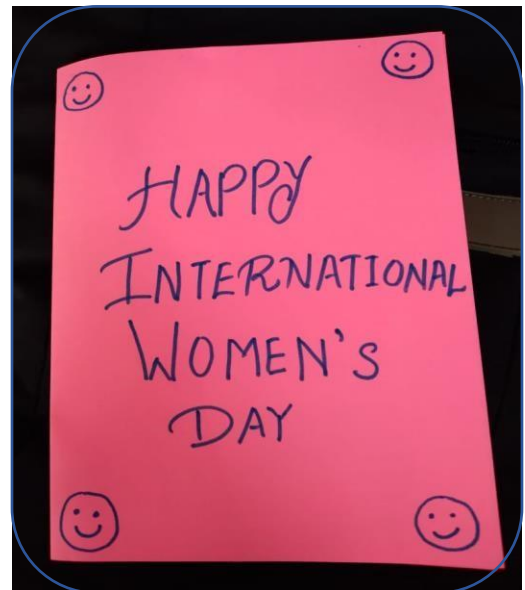

**Harish Sadani**

**MATOSHRI RAMABAI AMBEDKAR**  
**INTER-COLLEGIATE ELOCUTION COMPETITION**

Dear Principal,

We are proud to announce that the **Matoshri Ramabai Ambedkar** Inter - Collegiate Elocution Competition which was started by this college in the year 1983-84 has now entered in the 40<sup>th</sup> year, soaring high over the horizons of accomplishment.

The Elocution Competition has always been an important event of this college having great academic, social and extra-curricular significance.

The Elocution Competition has been instituted in the memory and in the honour of Smt. Matoshri Ramabai, the devoted wife of Bharat Ratna, Late Dr. B.K. Ambedkar and the dynamic force that energized him in the accomplishment of his towering task of eradication of social evils and the emancipation of women. The physical and mental torture of women still persists in our society.

The prime objective of holding this competition is to create a social awareness among the students in general and lady students in particular and provide them with an opportunity to respond, study, retrospect and react to the social problems faced by women such as, domestic violence, sexual harassment inflicted upon them. With the emergence of the nuclear family, working women find it difficult to adapt to the various roles which they are called upon to play.

All these years we have been fortunate to receive overwhelming response for the competition from the various colleges in and outside Mumbai. We anticipate a similar response from you this year too.

With regards,  
  
Yours Sincerely,  
  
Dr. U.M.MASKE  
I/C Principal
