## FROM THE PRINCIPAL'S DESK

I am delighted to present this year's AKALAN 2024, highlighting the key achievements and milestones of our college over the past year. AKALAN reflects the dedication of our students, staff, and the invaluable support of teaching community.

This year, we significantly expanded our academic and professional offerings. We were proud to launch a new diploma in social work, providing students with the skills to make a meaningful impact in their communities.

We were honoured to have Shri Mangal Prabhat Lodha Hon' Minister, Ministry of Skill Development and Entrepreneurship, Govt. of Maharashtra to inaugurate the new initiative, underscoring the importance of our partnerships with community leaders. Additionally, in response to growing industry needs, we started a defense journalism course, equipping students with specialized knowledge in this critical field.

Our commitment to student success extends beyond the classroom; we organized a special program focused on improving employability skills, ensuring our graduates are well-prepared for the professional world. Our students and staff have brought great pride to our college through their exceptional achievements. We were thrilled to see our students win the National Level Youth Parliament Award, a testament to their oratory skills and civic engagement. This prestigious award was presented to them by Hon' Minister of Law and Justice, Government of India, Shri. Arjunram Meghwal.

The talent of our students was also recognized on a national stage in sports. One of our students excelled at the National Shooting Competition, bagging both a gold and a silver medal. This remarkable achievement showcases the diverse talents nurtured within our college. We also took the opportunity to celebrate the contributions of our non-teaching staff. The children of our non-teaching staff members were felicitated by the college in a special ceremony, acknowledging the vital support system that allows our institution to thrive.

I am absolutely delighted to share with you all that Kirti College has been awarded a substantial grant of ₹5 crores under the Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA), a visionary, centrally sponsored scheme launched by the Ministry of Education, Government of India. This is not just a financial grant; it is a powerful validation of our collective hard work, our commitment to quality education, and the potential that the Government of India sees in our institution and, most importantly, in all of you. This day will be etched in the history of Kirti College as a significant milestone in our journey towards academic excellence.

The year was capped off with a truly historic moment. I had immense privilege of meeting our Hon. President, Smt. Draupadi Murmu. This interaction was a profound honor and a highlight for our entire institution, reinforcing our connection to the highest levels of national leadership.

As we look to the future, we are inspired by these achievements and remain dedicated to fostering an environment of excellence, innovation, and community spirit. I once again welcome all of you in this new academic year. I truly hope you will definitely enjoy reading this magazine.

## FROM THE EDITOR

Welcome to the latest edition of AKALAN 2024 Kirti College annual magazine! As we turn the pages of this year's magazine, we also turn a new leaf in our collective journey at Kirti College. A fresh variant of anticipation has filled the air as everyone is eagerly waiting for unveiling of Akalan 2024. The energy of new beginnings—for some, it's the excitement of starting college, and for others, it's the renewed focus that a new semester brings.

This year, our magazine theme is **"Indian Cinema."** The college committee after a thorough brainstorming session unanimously felt that there is an earnest need to provide students a platform to illustrate multiple shades of self narration. The intention was to garner confidence in them to unfold multiple envisions of cultural, social, economic as well as the political portrayals of Indian community. To give platform to the students to express their voice, we could find 'Indian Cinema' as the best theme for the magazine.

Indian cinema offers valuable insights into Indian history, culture, and society, making it a worthwhile subject for academic study. It serves as a powerful medium for entertainment, education, and cultural representation, reflecting and influencing social, political, and cultural dynamics. Studying Indian cinema can enhance students' understanding of diverse cultural perspectives, social issues, and artistic expression.

Our students have elegantly expressed their views on Indian cinema and on other contemporary issues along with the vibrant life of our college that exists outside the lecture halls. Students' article published in AKALAN 2024 represents a vibrant chronicle of student life, capturing everything from the quiet struggle of exams to the boisterous joy of discovery, weaving together the collective narrative of an entire generation finding their place in the world. It's a testament to the fact that even in the loneliest moments, students are part of a larger community, their individual stories preserved in a shared publication gives us an opportunity to celebrate their literary journey.

Within these pages, you'll find stories of student achievements, creative expressions from our talented artists and writers, and thought-provoking articles on issues that matter to us. We've captured the moments that define students experience, from the triumphs to the everyday joys.

So, as you read through this edition, we hope you'll not only see a magazine but a mirror reflecting the diverse, dynamic, and spirited community we are all a part of. We encourage you to not just be a reader but a participant.

# कीर्ती महाविद्यालयातील अनोख्या झाडांची ओळख

## हिरवा प्रवास भाग - ४

वनस्पति नाव - काळा उंबर, काकोडुंबरा, केसाळ उंबर

शास्त्रीय नाव : फायकस हिस्पिडा

फायकस हिस्पिडा याला महाराष्ट्रात काळा उंबर किंवा काकोडुंबरा असे म्हणतात. हे मोरेसी कुटुंबातील एक झाड आहे, ज्याचे वितरण भारत आणि दक्षिण चीनपासून दक्षिणेकडे उत्तर ऑस्ट्रेलियापर्यंत पसरलेले आहे, हे समशीतोष्ण (temperate) हवामानात आढळते. हे झाड त्याच्या खाद्य फळांसाठी ओळखले जाते. या झाडाची फळे पिवळी होतात. पारंपारिकपणे, मुळांची साल आणि फळांचा लॅटेक्स अल्सर, सोरायसिस, अशक्तपणा, मूळव्याध कावीळ, त्वचारोग, रक्तस्राव, मधुमेह, आकुंचन, हिपॅटायटीस, आमांश, पित्तरोग आणि दुग्धशर्करा आणि शुध्दीकरणाच्या उपचारांमध्ये वापरले जातात.

फायकस हिस्पिडा मध्ये अल्कलॉइड्स, कार्बोहायड्रेट्स, प्रथिने आणि अमीनो आम्ल, स्टेरॉल्स, फिनॉल्स, फ्लेव्होनॉइड्स, डिक आणि राळ, ग्लायकोसाइड्स, सॅपोनिन्स आणि टर्पेन्स सारख्या विविध फायटोकेमिकल असतात.

आपल्या महाविद्यालयाच्या व्यायामशाळेत बाहेर हे झाड आहे. महाविद्यालयात फेरफटका मारताना ह्याला नक्कीच भेट द्या व झाडाची महती प्रत्यक्षात जाणून घ्या.

## मराठी वाङ्मय मंडळ

महाविद्यालयातील मराठी विभागाच्या वतीने जेष्ठ कवी शुक्राचार्य गायकवाड यांनी मराठी राजभाषा दिनानिमित्त मराठी भाषेचे महत्त्व व मराठी राजभाषा विद्यार्थ्यांच्या मनात कशी रुजेल व तिचा वारसा कसा पुढे टिकवून ठेवावा विद्यार्थ्यांना पटवून दिले तसेच मराठी भाषेची शैली व वेगळेपणा याची माहिती दिली. मराठी भाषा विस्तृत व्हावी यासाठी आजपासूनच विद्यार्थ्यांनी कोणते प्रयत्न केले पाहिजे हा आस्मिक विचार विद्यार्थ्यांना दिला.

सृजन वार्षिक महोत्सव किर्ती एम डुंगरसी महाविद्यालय दिनांक २३ ऑगस्ट रोजी “आला पाऊस” या विषयावरील दीपाली केळकर यांचे सादरीकरण म्हणजे काव्यात्मक शब्दात चिंब भिजण्याची अनुभूती वर्षा सहलीचा आनंद ! पावसाच्या विविध अंगांनी विविध छटांचे दर्शन ! जीवनाच्या वेगवेगळ्या टप्प्यांवर वेगळा दिसणारा, वेगळं स्वरूप असणारा पाऊस वेगवेगळ्या राज्यांत राहणाऱ्या माणसांचे स्वभाव जसे वेगळे असतात तसे तेथे पडणाऱ्या पावसाचे वर्णन केलेल्या काही कविता ऐकवल्या. पुण्याचा पाऊस, नागपूर, नाशिक, मुंबई, काश्मिरी पाऊस ! पावसाचं गुण गान करतांना दीपाली केळकर यांनी आपल्या ओघवत्या रसाळ भाषेत, आवाजातील चढ-उतार, लय, शब्द सामर्थ्य, विविध अंगांनी अभ्यास करून विषयाची मांडणी केली. त्यांनी काव्य, गाणी, शब्दांद्वारे आनंद देणाऱ्या सरींचा पाऊस पाडला. त्या सरीतील थेंबा थेंबात आनंद ओथंबून वहात होता. त्यात आम्ही सारे श्रोते चिंब भिजलो. मनसोक्त

न्हालो. पावसानं आम्हांला मंत्रमुग्ध केलं. आजपर्यंत पाहिलेल्या पावसाळ्याचा अनुभव दिलाच पण त्याच्याकडे सकारात्मक दृष्टिने कसं पाहवं, सृष्टीच्या सृजनशीलतेचा आस्वाद भरभरून कसा घ्यावा, जीवनातील आनंद कसा शोधावा याची प्रेरणा मिळाली. आजपर्यंत पाहिलेल्या पावसाळ्यापेक्षा हा पाऊस सुखद गारवा देणारा होता. या विषयावर विद्यार्थ्यांना मार्गदर्शन केले. अनेक पावसाचे गीते व चारोळ्या, तसेच प्रश्न खेळ घेत त्यांनी विद्यार्थ्यांसमोर अनेक पावसाळी गीते सादर केली कविता व तिची वेगवेगळी परिभाषा दीपाली केळकर यांनी मांडली.

तसेच सौ. वर्षा इंदरलकर जाधव यांनी विविध कवितांचे व गाण्यांचे महत्त्व तसेच भावगीत, भक्तीगीत आणि सुगम संगीत अशा विविध विषयावर गाणी सादर केली. त्यामुळे महाविद्यालयातील सर्व विद्यार्थ्यांनी या रसाळ कार्यक्रमाचा लाभ घेतला. तसेच याही वर्षी मराठी विभागाने राजश्री छत्रपती शाहू महाराज जयंती, कालिदास दिन, वाचन प्रेरणा दिवस, पत्रकार दिन आणि मराठी राजभाषा दिन असे विविधतेने नटलेले कार्यक्रम मराठी विभागाने सादर केले. यासाठी महाविद्यालयातील सर्व प्राध्यापकांनी आत्मियतेने मदत केली.

धन्यवाद

Policy 2020 curriculum, conducted on the 2 nd of August 2023. Students were given a detailed walk through of the new curriculum and what to expect throughout the academic year. On 2 nd September 2023, the first batch of the Certificate Course in Defense Journalism was awarded their respective certificates in a felicitation ceremony graced by the presence of Chief Guest Shri Vaibhav Purandare along with dignitaries of Kirti College and FINS. On 4 th September 2023, Darshana Tamboli, anchor of the YouTube Channel Rajshri Marathi, conducted a live interview for the channel with actors from the revered Maharashtra Hasta Jatra, Mr Samir Chougule, Miss Vanita Kharat, Miss Rasika Vengurlekar and Mr Rohit Mane in the 0.8 Auditorium, where students of BAMMC got an opportunity to show their appreciation and love for the actors as well as interact with them. On 12

th September 2023, as a part of this year's Academic Festival "Srujan", Mrs. Dhara Vora-Sabhnani, a celebrated Lifestyle Journalist at Mint Lounge, imparted a Guest Lecture to the students of BAMMC on the nuances of and insights into the field of Lifestyle Journalism. On 14 th September 2023, Senior Content Writer Mr Dinar Pathak gave a Guest Lecture to students on how to use language, ideas and perspectives strategically to express themselves while being cyber-safe. On 30 th September 2023, a meeting with the parents of the TY BAMMC students was conducted to impress upon them what is expected of the students in their final year of graduation, the significance of attendance and consequences of being a defaulter and the discipline concerns of their wards in and around the college campus. In the following week, on 7 th October 2023, a meeting with the parents of SY BAMMC students and on 14 th October 2023, one with the parents of FY BAMMC students, were conducted to impress upon them as well the aforementioned concerns. The parents of FY BAMMC students were also given a walk through of the new

curriculum under NEP 2020.

On 29 th November 2023, a team from Flinders University, Australia, interacted with the students of the BAMMC Dept. about higher education prospects in their institute and also offered to aid them with the process of application for the same as well as Student Visa. On the same day, Kunchala Lad & Raj Pore of FY BAMMC, Mukta Shirke of SY BAMMC & Sneha Kanojiya of TY BAMMC (Ad.) presented a research poster on the topic "A Survey of the Impact of Controversial Video Advertisements that Challenged Indian Societal Norms on Consumer Behaviour" at the Kirti Avishkar Convention 2023-24, and were selected for the Zonal Round, which was conducted at Lala Lajpatrai College on 9 th December 2023, where Miss Kunchala Lad presented the poster again.

On 13 th December 2023, students of BAMMC inaugurated the departmental inter-collegiate festival MOKSH 2023-24, where Marathi Film Director Shri. Nikhil Katare, Choreographer Shri. Prathamesh Dait and Social Media Content Creator Vishal Ghadi. Later, Rohan Suryavanshi, Soham Medhekar, Sanket Waghmare and Pratham Gawade of NGO Hindaswarajya addressed the audience about "Domestic Violence" the social cause chosen by Team MOKSH for this year's event. Contests like Short Film Making, Advertising, Radio Jockeying, Dance, Instrumental Music, Singing, Digital Art Making, Photography, Reporting, One Act Play, Treasure Hunt, Tug-of-War, etc., were conducted on the college campus with noted experts from the respective media industries, including RJ Jeeturaj from Radio Mirchi 98.3 FM on 13 th and

Venue: J4

Objectives:

- ☐- To understand GST as a unified taxation system.
- ☐- To reduce tax complexity and compliance burden.
- ☐- To promote Ease of Doing Business.

#### Details of the Activity:

The speaker explained GST structure, applications, and benefits with practical examples.

Number of Participants: 82

Important Takeaways:

- ☐- Learnt practical GST applications.
- ☐- Understood company identification via GSTIN.
- ☐- Clarity on tax system and compliance.

#### 7. SURJAN 2023 – BAF Model Bank

Date: 13th September 2023

Venue: JSKB Hall

Objectives:

- ☐- To simulate real-life bank environment.
- ☐- To apply banking knowledge practically.

#### Details of the Activity:

TY students created a model bank and enacted

various roles. Faculty interacted as customers.  
Number of Participants: Approx. 180

#### Important Takeaways:

- ☐ Understood banking operations and departments.
- ☐ Learnt to fill banking forms.
- ☐ Strengthened teamwork and organization.

#### 8. Guest Lecture: Ethics in Financial Research

Date: 10th January 2024

Venue: J5

Objectives:

- ☐ To promote ethical research practices.
- ☐ To enhance understanding of financial research importance.

#### Details of the Activity:

Dr. Rahul Wadekar delivered a session on how to conduct ethical financial research and report writing.

Number of Participants: 50 (TYBAF)

Important Takeaways:

- ☐ Understood ethical research approach.
- ☐ Built positive research mindset.
- ☐ Appreciated relevance of financial research.

#### 9. Poster Making on Climate Change

Date: 15th–16th December 2023

Venue: JSKB Hall

Objectives:

- ☐ To raise awareness on climate issues.
- ☐ To promote sustainable living and environment consciousness.

Details of the Activity:

Students created and displayed posters about global warming, green initiatives, and sustainability.

Number of Participants: 8

Important Takeaways:

- ☐ Visualised climate threats and solutions.
- ☐ Promoted eco-awareness and responsibility.
- ☐ Embraced green environmental values.

#### 10. Career Guidance by CA Girish Jain

Date: 8th January 2024

Venue: Auditorium

Objectives:

- ☐ To educate students about career paths in finance.
- ☐ To encourage certification and internship.

#### Details of the Activity:

CA Girish Jain shared practical tips on building a finance career, including value of internships, certifications, and reading habits.

Number of Participants: All SY and TY Students

Important Takeaways:

- ☐ Learnt value of certifications.
- ☐ Gained career direction in finance.
- ☐ Motivated to manage time effectively.

#### 11. NIVESH 2023 – Annual Fest

Date: 13th–16th December 2023

Venue: Multiple Venues (JSKB Hall, Auditorium, J-classrooms, Sports Grounds)

Objectives:

- ☐ To showcase talent and leadership.
- ☐ To develop investment literacy.
- ☐ To encourage teamwork and cultural collaboration.

#### Details of the Activity:

The event featured sports, art, treasure hunt, share market games, funfair, and cultural shows. Entire college participated.

Number of Participants: All BAF Students +  
Intra-college Participants

Important Takeaways:

- ☐ - Built team and leadership skills.
- ☐ - Explored investment themes via games.
- ☐ - Encouraged inter-departmental bonding.

## 12. Industrial Visit – Haridwar, Rishikesh & Mussoorie

Date: 7th–15th February 2024

Venue: Inter Solar Systems Pvt. Ltd. & tourist sites

Objectives:

- ☐ - To expose students to industry practices.

- ☐ - To witness manufacturing and real-life applications.

### Details of the Activity:

Students visited Inter Solar Systems, learned about solar panel production, and explored spiritual and cultural landmarks.

Number of Participants: 50 (TY & SYBAF)

Important Takeaways:

- ☐ - Observed real-time production units.
- ☐ - Connected theory to industrial application.
- ☐ - Enriched with cultural experiences and bonding.

Head, Dept. of BAF

## DEPARTMENT OF BIOTECHNOLOGY

The Department of Biotechnology has had an eventful and successful academic year 2023-24, marked by academic excellence, research achievements, skill development programs, and extracurricular accomplishments. These are some highlights of the department's significant activities, achievements, and contributions.

### Workshops, Seminars & amp ; Guest Lectures:

The department actively conducted and coordinated various knowledge-enhancing sessions:

1. PCOD and PCOS Awareness Seminar – August 2023
2. Workshop on “Greening Up Your Plate: Exploring the World of Microgreens” – September 2023
3. Tree Walk – December 2023
4. Guest Lecture on “Health and Nutrition –

- World Protein Day” – February 2024
5. Guest Lecture on “Bioenzymes” – February 2024
6. RBPT poster making competition and essay writing competition All sessions provided students with industry insights, research trends, and hands-on experience. These activities also enriched students, learning experiences while making a social impact.

### Students Participation and Achievements:

Research Paper Presentation: Sakshi Surve, Sahil Parab, Neha Verma secured first place at IY College, Murud (April 2024).

Students from the Biotechnology Department excelled at inter-university, state, and national-level competitions. Some key wins include:

Cultural Achievements:

1) Shruti Phulpagar : Multiple awards in dance and street plays across various inter collegiate festivals.

2nd place in Intercollegiate group dance competition at Navneet College, January 2024. 2nd place in solo dance and 3rd in group dance competition at Lala Lajpat Rai College, February 2024.

2nd place in group dance competition at Ruia College, February 2024.

1st place in Street play at Hinduja College, March 2024.

Represented Mumbai University in Utkarsh 2024 (Jalgaon), securing 2nd place in Street Play.

2) Shravan Lambe: Secured multiple awards in Street Play competitions at various prestigious institutions.

Won 1st prize in Street Play at RJ college, February 2024

Won 2nd prize in Street Play at Lala Lajpat College, February 2024.

Won 2nd prize in street play at Ruia College, February 2024

Won 1st prize in street play at Hinduja College, March 2024.

3) Shreya Shinde received the NSS Best Volunteer Award (March 2024).

Won 2nd Prize in Street Play at Lala Lajpat Rai College, February 2024

Won 2nd prize in dance competition in Ruia College, February 2024

Won 3rd prize in dance Ruia College, February 2024.

Their dedication and talent continue to bring laurels to the department.

## Teacher's Participation Achievements:

### Prof. Ankita Raul:

1) Prof. Ankita Raul presented a research paper in conference on Comparative study of Wood Degradation by Ascomycetes and

Basidiomycetes fungi-at BBBFAIES 2024, March 2024

2) Prof. Ankita Raul published a research paper on the Assessment of Water Quality in Mithi River: Based on Fungi and Phytoplankton Population in International journal of advanced research in science communication and technology (IJARSCT), April 2024

3) Participated and presented paper at international conference at University of Madras organised by Mycological society of India.

4) Participated and presented a paper at an international conference at Anjuman Islam Janjira degree college.

5) Worked as an Evaluator for state level National Children's Science in program of NCSTC, Department of Science and Technology, Gov. of India.

### Prof. Saurabh Bhogale:

1) Prof. Saurabh Bhogale secured 2nd place in Film Making and Poster Presentation on National Wetland Day, organized by the University of Mumbai in February 2024.

2) Worked as an Evaluator for Thane District Level 31st National Children's Science Congress (November 2023)

3) Interviewer for Action Research at Dr. Homi Bhabha Balvaidnyanik Competition (March 2024)

4) Prof. Sourabh Bhogale published a research paper on the topic of Assessment of Water Quality in Mithi River: Based on Fungi and Phytoplankton Population in International journal of advanced research in science communication and technology, April 2024.

## DEPARTMENT OF BOTANY

- To begin with and as a part of Founder's Day Celebration, Department of Botany organized Competition cum exhibition – RANBHAI MAHOTSAV- : For academically advanced students of S.Y. and TYBSc - posters making competition on the topic 'Seasonal vegetables and millets' was conducted on August 11th, 2023. To make the students aware and collect information from different sources about 'Seasonal vegetables and millets'. Informative and practical approaches towards many unknown wild-vegetables (Ran-bhajya) which are effective in nutritional and medicinal aspects were explored. The competition sourced a scope in Botany and the guidelines to follow different useful recipes. 54 students participated in this competition.
- Value addition program - Department of Botany organized series of value addition program under SRUJAN
  1. Workshop on "Terrarium" on Sept. 12th, 8:00 to 11:00 AM. Dr. Vandana P. Sathe, Head-Department of Botany, was the resource person for workshop. A proper hands-on training was given to all the F.Y.B.Sc. students for Bottle Garden preparation. The workshop also enlightened students with scope in Botany and the importance of conservation of plants. 43 students participated in this workshop.
  2. Guest lecture- A guest lecture was organized by department of Botany on 'Ethnobotany-connecting plants with people'- on 11th Sept. 2023 in 0.8 auditorium from 9:00 to 11:00 AM. Dr. Shreya Bhanup was the resource person for guest lecture. Students learn about ethnobotanical aspects, how to collect information from tribal peoples about traditional medicinal plants. Also how to utilize plants for different house hold remedies. 124 students attended this guest lecture.
- 3. Flora Fest- Department of Botany organized a Flora Fest on 21 st December 2023 venue:  
2nd Floor Biology Lab at 8am. Various events such as Floral Rangoli, Best out of waste, Biojewellery, Green Reel and botanical games such as Chaklo, Feel the aroma and Treasure hunt were conducted. Students of FYBSc, SYBSc, TYBSc of Botany department volunteered and participated actively in all the events. UG & PG Students of various other departments of Kirti College actively participated in the competitions and games.
- Career guidance – Organized guest lecture on "Career opportunities in plant sciences" on 15 th March 2024 at 12:00 noon by Dr. Bhavana Narula online on Microsoft teams. 35 students attended the lecture.
- Research motivation-
- Motivated T.Y.B.SC and S.Y.BSC student to participate in research projects activities under the guidance of the teachers Dr. Urmila Sarkar and Mr. Surendra Ramesh Sawardekar.
- T.Y.B.SC. students Valencia Koli, Nikhil Kesharwani and Sanika Kumbhar won consolation prize for- Application of Bio-degradable Waste in Perfumery.
- 2 S.Y.BSc
- Yogita Shinde and Jaya Gupta worked on research project – Comparative Study of

Vitamin -C of Bio-degradable Flower Waste.

- Khushee Phawade and Pavan Boddula worked on research project – Study of Enteromoprha intestinalis and Estimation of Chlorophyll.
- Ruchika Patankar and Raj Salekar worked on research project - Comparative Study of Fibre Estimation with different varieties of Rice.
- Ameeta Surve worked on research project - Estimation of Vitamin-C of Moringa oleifera Leaves and Its Application in Cosmetology.
- Three research projects from dept. of Botany registered for selection round at UG level for Avishkar Research convention 2023.
- Parent's - teacher's meeting- For betterment of students Department of Botany organized the parent's - teacher's meeting of FYBSc, TYBSc students on 3rd Feb. 2024 at 9.00 am venue Bio lab.

## ❑ **Field visits / excursions:-**

1. Three Days Excursion for T.Y.B.Sc Students from 22-24 November 2023. At NIPHT's Horticulture Training centre Talegaon Dabhade, Om Nursery, HortiProland 2023 Exhibition Pune, and Visit to garden-Biodiversity park Talegaon. Teaching staff Dr. Mamta Bodele, Dr.Urmila Sarkar conducted this excursion. This field trip provided platform to students with job opportunity in industry and actual requirement of botanist in the field after visiting world class exhibition. Students learn about establishment & management of nursery, scope of floriculture in international market. Business & Marketing strategies in horticulture. Requirements for

developing Biodiversity park and its importance

2. Two days excursion was conducted from 19 h Jan to 20 th Jan 2024 to Jungle Farm Bordi in Dahnu for the students of SYBSc. Dr. Mamta Bodele and Dr.Urmila Sarkar conducted this excursion.
3. One day excursion was conducted for the students of SYBSc to Jummapati Neral. Dr. Smita Jadhav, Dr P. C. Thomas, Dr Mamata Bodele and Dr Urmila Sarkar along with our support staff Mr Bangal attended this excursion.
4. One day excursion was conducted for the students of FYBSc to Palasdari to study the biodiversity and its importance for the preservation of plants in this region. Teaching staff: Dr. PC Thomas, Prof Surendra Sawardekar, Prof. Vaibhavi Pawar with our support staff Mr. Dattatray Bangal attended this excursion.
5. One day excursion to More Nursey at Vangani was conducted for FYBSc students to study the propagation practice on flowering plants especially rose and understand the

3. scope in plants care and nursery sector of indigenous and exotic species as an entrepreneur.

- ❑ Botany Alumni contribution- Our alumni Mrs Alisha Pimple and Ankita Raul was judge for the posters making competition on the topic 'Seasonal vegetables and millets' was conducted on August 11th, 2023.

## Department of Bachelor of Management Studies (BMS)

The academic year 2023-24 was a landmark period for the Department of BMS at Kirti College, defined by a strong blend of academic growth, real-world exposure, research skill-building, career preparedness, entrepreneur - ship training, sustainability practices, and a vibrant cultural calendar. The year began on a forward-looking note with a Guidance Seminar on the National Education Policy (NEP) 2020, held on 10th June 2023, aimed at orienting prospective FYBMS students and their parents towards the changes introduced by the autonomy status and NEP framework. Conducted in two insightful phases, the seminar

featured a comprehensive overview of the BMS curriculum structure, examination patterns, and credit systems by college authorities in Phase I. Phase II involved a unique desk-style one-on-one interaction format, where faculty members and final-year students addressed queries and helped prospective students make informed academic decisions. This personalized approach created a transparent and welcoming environment for incoming students and their families.

The department extended this momentum with the FYBMS Induction Program, held on 27th July

2023, to formally welcome the new batch of students. The event included enlightening addresses by college authorities on the revised BMS syllabus under NEP 2020 and sessions explaining evaluation schemes, academic expectations, and co-curricular activities. The highlight was an engaging ice-breaking session hosted by SYBMS and TYBMS students, which transformed nervous faces into smiling ones as first-year students connected with peers and mentors. This event laid a warm, inclusive foundation for the freshers' academic journey.

On 15th September 2023, the department took part in the college's annual *Srujan Academic Fest* with a specially curated session titled "Career Manifestations", designed to help students visualize and manifest their long-term career goals. Guest speaker Ms. Kalpana Shah shared insights into navigating evolving career landscapes and the importance of passion, perseverance, and planning. The session concluded with a thought-provoking documentary screening on "Inspirational Entrepreneurs of India," further motivating students to dream big and pursue entrepreneurial ambitions.

As the semester advanced, academic rigor was bolstered with a Research Project Guidance Workshop conducted on 2nd December 2023 by Mr. Dikshit Kothari, specially curated for final-year students. The workshop covered crucial aspects like project planning, framing research objectives, choosing appropriate methodology, and mastering data analysis tools. Students received actionable tips on structuring and presenting their final-year projects. The interactive format, especially the Q&A round, empowered students to refine their research ideas and prepare for upcoming evaluations.

Cultural and managerial vibrancy found full expression in the department's annual two-day inter-class fest, EKYAM, held on 21st and 22nd December 2023. The festival began with a traditional Ganesh Vandana, followed by a dynamic flash mob celebrating Indian dance forms. A blend of fun and intellect, Day 1 saw management-themed games like *Dhanmantri*, *Rajat Yantra*, and *Ratna Darpan*, which creatively drew from Indian scriptures to enhance learning. Day 2 marked the culmination of over 45 days of preparation, featuring spectacular performances in dance, music, and theatre. The spirit of "One for all, all for one" was evident throughout the festival, with enthusiastic student participation and wholehearted faculty support making EKYAM 2023-24 an unforgettable success.

The new year commenced with a prestigious industrial visit to Kerala, held from 14th to 26th January 2024, involving 78 BMS students. The visit offered students a holistic blend of learning and cultural exploration. Highlights included guided tours of an Ayurvedic garden and a medicinal plant manufacturing unit, where students closely observed the stages of herbal medicine production, from plant cultivation to packaging. They also explored real-world practices of production planning, quality control, inventory management, and cost allocation. Additionally, students observed organizational behavior and communication strategies within the unit, gaining a practical understanding of management functions. The breathtaking beauty of Kerala and its cultural richness added an experiential edge to the academic visit.

Shortly after, on 29th January 2024, the department hosted a motivational seminar titled "Future preneurs" featuring none other than Dr. Radha krishnan Pillai, a renowned management guru and author. With his characteristic wit and wisdom, Dr.

Pillai demystified the entrepreneurial journey by integrating stories from Chanakya's Arthashastra with modern business scenarios. He shared practical tools for ideation, funding, and strategic thinking. The session culminated in an inspiring book-signing and one-on-one interaction, leaving students charged with entrepreneurial zeal.

As students continued to plan their futures, the department organized a Career Guidance and MBA Preparation Program on 7th February 2024, led by Mr. Jash Mehta, an expert in MBA mentoring. Mr. Mehta broke down the MBA application process, highlighted the pros and cons of various B-schools, and provided strategies for exam prep, college selection, and post-MBA career planning. Fun activities and role-plays ensured active participation, and the session helped students visualize the academic and professional possibilities after graduation.

For hands-on industry exposure, the TYBMS Marketing students visited IKEA Navi Mumbai on 29th February 2024. The visit served as a live case study in retail marketing, store design, customer journey optimization, and visual merchandising. Students analyzed IKEA's branding, supply chain flow, in-store communication, and data-driven customer engagement, deepening their understanding of modern retail practices.

The department continued its focus on employability with a Job Fair on 20th April 2024, organized in collaboration with the Placement Cell and Akshay Education Services. In preparation, Prof. Priyanka Jinagouda and Prof. Soniya Gawde conducted pre-placement workshops on resume writing, interview

etiquette, and corporate communication. The fair saw participation from students of various academic backgrounds and alumni, with TYBMS HR students volunteering in coordination, logistics, and hospitality. Numerous students secured job offers and internships, making the event a major success and a proud moment for the department.

To promote sustainability, SYBMS students participated in a unique indoor plant entrepreneurship project. After growing and nurturing indoor plants, students showcased them in creatively designed pots at a departmental exhibition. Faculty and staff members were invited to view and purchase the plants. This initiative not only encouraged environmental consciousness but also taught students the fundamentals of micro-entrepreneurship, design thinking, and customer engagement. With 134 participants, the event turned into a celebration of green innovation and student initiative.

In conclusion, the year 2023-24 was a vibrant chapter in the Department of BMS's journey, marked by creativity, collaboration, and commitment to excellence. Whether through industry visits, job fairs, research workshops, or cultural fests, the department strived to enrich students with holistic development and experiential learning. This dynamic blend of academic rigor, practical exposure, and value-based education continues to uphold the department's mission of nurturing future leaders and responsible global citizens.

## Department of Chemistry

### Events Organized by the Chemistry Department Report on Srujan 2023-24

Srujan 2023-24, the annual academic festival of Kirti College, the Chemistry Department organized two significant academic programs that drew enthusiastic participation from students and faculty.

On 12th September 2023, a guest lecture was held featuring Dr. Vidyadhar Jadhav, Head – Technical, Suma Pharmaceuticals Pvt. Ltd. Dr. Jadhav delivered an insightful talk on “Organic Synthesis in Water: A Greener Way to Go”. He shared valuable perspectives on replacing hazardous chemicals with water in industrial organic synthesis processes, offering an eco-friendly approach that significantly reduces industrial waste and pollution. His talk was well-received and sparked great interest among attendees.

The event witnessed active participation from FY, SY, TY BSc and MSc (Part II) students, along with all faculty members of the department. The program was efficiently organized and highly appreciated by all.

The second major event organized by the Chemistry Department was an interdisciplinary symposium in collaboration with the Physics Department. The symposium, titled “Nanoscience and Green Technology”, was coordinated by Dr. Charruta Kulkarni, Head of the Chemistry Department, with Dr. J. R. Mahajan from the Physics Department as the Co-convenor.

The keynote address was delivered by Dr. Vishwanath Patil, Director of Nanotechnology at the University of Mumbai. The symposium also featured expert talks by Dr. Anand Sawant, Dr. Suhas Jejurkar, and Dr. Sanjay Ghodawat

renowned figures in the field of Nanoscience and Nanotechnology. Dr. Anand Sawant also conducted an engaging interactive session with students on careers in Nanotechnology and Green Chemistry.

A highlight of the symposium was a poster exhibition showcasing the research work of TYBSc, MSc-I, MSc-II, and Ph.D. students. The students exhibited well-researched and informative posters that reflected their enthusiasm and understanding of the subjects.

Both programs were a great success and exemplified the Chemistry Department's commitment to fostering academic excellence and environmental responsibility.

### 1. Report on Collaborative Study Tour to Govardhan Ecovillage (GEV)

Date: 29 Feb., to 1st March 2024 Jointly organized by the Chemistry & Zoology Department in Collaboration with Bhaktivedanta Research Centre & Chala Jaunya Nadila (Govt. Campaign)

As part of the Amrit Mahotsav celebrations, the Chemistry Department organized a study tour to Govardhan Ecovillage (GEV) Wada District Palghar to explore sustainable development, eco-entrepreneurship, and climate resilience. This initiative aimed to integrate science with sustainability while focussing on self-reliance (Atma Nirbhar Bharat).

During the visit, participants studied GEV's eco-friendly infrastructure, including wastewater treatment through constructed wetlands, biogas plants, and renewable energy solutions like solar and biomass gasification. Organic farming techniques such as permaculture and biofertilizers were also demonstrated. Discussions on entrepreneurship in eco-tourism,

sustainable agriculture, and river rejuvenation offered valuable insights into environmental conservation.

The tour highlighted scientific applications in green chemistry, water management, and sustainable rural development. Experts from Bhaktivedanta Research Center and GEV emphasized future collaborations in biodegradable materials, eco-industrial practices, and green chemistry research.

Overall, the visit provided students with practical knowledge on sustainability and entrepreneurship. It reinforced the importance of integrating traditional wisdom with modern technology for environmental protection and climate resilience, paving the way for future research and skill development initiatives.

### **Report on We-Chemie Certification Programme (2023-2024)**

Somaiya Vidyavihar University, in collaboration with BASF India Limited, launched *We-Chemie* (Women Enabled for Careers in Chemistry), a CSR initiative aimed at empowering women from underprivileged backgrounds to get employment in chemical industry. The programme, supported by the Indian Chemical Council, aimed to enhance the knowledge, skills, and employability of final-year BSc and MSc Chemistry students through a structured curriculum.

The 25-day hybrid programme, conducted on weekends and during vacations from November 2023 to February 2024, focused on technical and soft skills training. As part of the selection process, students were interviewed based on their passion for chemistry, motivation, and commitment to learning.

Kirti College Chemistry students has successfully

participated in this initiative, with three students meeting the selection criteria for the 2023-2024 batch. These students diligently completed the course, gaining valuable expertise and industry-relevant skills. Upon completion, they were awarded certificates, strengthening their resumes and increasing their employability. Significantly, all three students have secured employment in the chemical industry, highlighting the programme's success in bridging the skill gap and promoting women's inclusion in the sector.

The *We-Chemie* initiative has proven to be a valuable step towards empowering women in chemistry, fostering career opportunities, and contributing to the growth of the industry.

### **The following students of MSc out going got the placements as follows**

Ms Vijeeta Valunj and Shruti Badgujar Joined as Associate Trainee Godrej Industries Limited (Chemicals)Valia and Ms. Firdosh B Ansari joined as Associate Teacher at ITeach Schools

### **During the year 2023-24 faculty participated and presented research paper in the seminar/workshop/conference.**

**Y. U. Makandar** presented paper on Indian Knowledge System in the International conference conducted on 4 September to 9 September 2023 by the University of Mumbai and Kirti College and NMITD. And attended National symposium on Nanoscale and green technology on 6 April 2024 organised by Chemistry and Physics Depts Kirti College.

**Dr. Prashant V. Ghorpade** attended National seminar on Future Perspectives and Innovative Trends in Chemical Sciences (FPITCS-2024) conducted on 16 & 17 February, 2024 by Kolhapur University, Kolhapur and Devchand College, Arjunagar and International

Conference on "Current Emerging Trends for Advancement in Commerce and Science at Globallevel 8 & 9, December 2023 conducted by Ramsheth Thakur College of Commerce & Science, Kharghar, Navi Mumbai.

**Boraste Deepak Ramdas**

**2.Ghorpade Prashant Vasantrao jointly received** patent in the Improvement on Product yield in Organic Synthesis.(Patent Number: 510424)

## DEPARTMENT OF COMPUTER SCIENCE AND INFORMATION TECHNOLOGY

The Computer Science and Information Technology Department, comprising approximately **850** students, is committed to fostering a conducive environment for high-quality academic and research-oriented education at both the undergraduate and postgraduate levels.

We aim to provide accessible and affordable education to all segments of society, including various disadvantaged groups. This commitment ensures that education in computer science and information technology is inclusive and empowers students from diverse backgrounds.

Our department focuses on the holistic development of students by promoting overall personality growth and flexibility in learning. We encourage significant research and nurture creativity through industrial partnerships, offering practical projects that bridge the gap between theoretical knowledge and real-world application.

In the ever-evolving field of Computer Science and Information Technology, students have the opportunity to apply their general computer knowledge across a range of specialized areas. Our programs—including **B.Sc (IT), B.Sc (CS), M.Sc (IT), M.Sc (CS), and M.Sc (Data Science)**—are designed to equip students with the skills needed to keep pace with rapid technological advancements.

Keeping up with the latest technological trends and the evolving online landscape is essential for improving job security and advancing careers. As

information technology plays an increasingly vital role in societal development, it is imperative to boost enrollment in professional programs such as Computer Science and Information Technology. This approach will better equip our students to make significant contributions to the technological landscape and positively impact society as a whole.

### ☐ Academic

☐ CS-IT Department is known as an incubator for up-and-coming IT talents. In hopes of discovering some new great minds, placements and research development, around 50 students participated in the Infosys, IGATE, Accenture and Tech Mahindra career fair.

☐ To educate and create awareness about social responsibility by conducting events related with environment, the Department has encouraged students of FY, SY and TY (BSc CS and BSc IT) to visit various **NGOs** to sensitize them about the social issues faced by the society. Also they had been made to read books on different genres and conducted the **book review** in order to develop their thinking and communication skills.

☐ Almost all of our academic staff is involved in undergraduate and postgraduate teaching. Students are actively involved in internships and projects modules. Many students spend summers as interns in companies. Social activities include participation in Art and Music competitions, Welcoming Freshers, Sports and Gaming Sessions, IT festivals HORIZON, Industrial visits. Students often win awards at collegiate and intercollegiate competitions and events. We also encourage

the students to take up NCC and NSS at the undergraduate level for overall personality development.

## DEPARTMENT OF ENGLISH

**Number of Field Visits: 04**

**Number of Seminars & Workshops: 04**

**Number of Activities & Events: 02**

### **1) Visit to Book Fair at Sunderbai Hall (5th August, 2023)**

Every year, a book fair is organised at the Sunderbai Hall in Churchgate. The Academic Year 2023-24 kick started with the department's first field visit to Sunderbai's Hall Book Fair on 5th August, 2023 where students not only came across the diversity of literature, but found a rekindling toward reading and buying physical books.

### **2) A Workshop on Syllabus of AEC-L1- Communication Skills in English (24th August, 2023)**

Under NEP 2020, a course, 'Communication Skills

in English' under AEC, was designed to equip students across streams and various self-financed courses with effective communication skills in English. The workshop was conducted by the department for faculty members of all concerned departments to maintain the uniformity in execution of the syllabus and evaluation pattern. 2

### **3) Field Visit to Dosti House (1st September, 2023)**

Dosti House, an American Space in Mumbai, is one of nearly 600 open-access cultural centres supported by the U.S. government, which works as a collaborative laboratory where the public can convene to develop new projects, share ideas, and increase mutual understanding. The Department of English organised a field visit to acquaint students with the American Library and gain an exposure of the resources available there. This was followed by a

movie screening (based on the theme of apartheid) and post-screening discussion. 3

#### 4) **Felicity Workshop** (9th September, 2023)

The joint venture of the departments of English and Psychology conducted two interdisciplinary activities - a movie screening (*UDAAN*) and a creative writing session. Experts from the respective fields - Ms. Vidula Sawant, Clinical Psychologist and Ms. Deepti Mujumdar, Blogger and Academician, interacted with the students to improve their conflict resolution skills on one hand, and enhance creativity on the other. Students explored experiences beyond the classroom walls and pure bookish learning.

#### 5) **SRUJAN (12th - 15th September, 2023)**

**Performer in You:** The purpose of the first event *Performer in YOU* was to encourage graduate and post graduate students to perform a character's role: either deliver a soliloquy or a speech, enact a small part or whole of a scene. The idea was to bring the characters to life and help create a deeper understanding of the works performed.

6) **Wit on the Wall:** Spread across seven days, *Wit on the Wall* saw students of first-year BA to M.A second year bring cut-outs/ hand-outs/ artworks on and of various contemporary Indian writers to American writers.

#### 7) **Online Quiz on Human Rights' Day** (10th December, 2023)

On 10th December, 2023 at 9 am, a Google form containing the quiz was floated on the students' and staff WhatsApp groups of the college. The same was also posted on the Social Media account of the college. Everyone was asked to participate in the online quiz.

#### 8) **Workshop on Dissertation Writing** (12th December 2023)

English, Economics, and Political Science departments conducted a joint workshop on dissertation writing for PG students. Students of MA programmes got absolute clarity about various components of the research which would then be reflected in the quality of their dissertations.

#### 9) **Visit to Kala Ghoda Fest** (27th January, 2024)

Transforming the heart of Mumbai into a vibrant hub of arts, crafts, and creativity, the Kala Ghoda Fest is a huge celebration for people from all walks of life. The Department of English uses this opportunity to expose students to different styles of artistic creations and understand how the texts they study in classrooms are enacted on a stage by watching a live play. This year, the play was - *Sad Sakharam*.

#### 10) **Visit to Tribal Village - Jungle Farm** (8th - 9th February, 2024)

The departments of English and Psychology organised a field visit to a tribal village in the lap of Sahyadri range - The Jungle Farm, Bordi, Dahanu. The trip at The Jungle Farm motivated students to observe nature closely, understand its importance and learn to interact with it. The students got an opportunity to interact and develop friendship with the students from other departments, and overwhelming cooperation was seen among the students.

#### 11) **Webinar on Carving Careers with Soft Skills (24th February, 2024)**

A webinar was organised especially for the students of English language and literature to provide them with valuable insights into the diverse career opportunities that exist within the field of English Language and Literature as well as to equip them with the necessary soft skills and knowledge to excel in various aspects of their lives.

## EVENTS AND OTHER ACTIVITIES DONE BY OUR CADETS:-

### INTERNATIONAL YOGA DAY

**INTERNATIONAL YOGA DAY** was held on 21st June, 2023, at the Kirti College Ground. It was organized by the 1 MAH BN NCC in collaboration with Hindustan Unilever Limited and The Yoga Institute. The theme for this year's Yoga Day celebration was "**Yoga for Humanity**" emphasizing the importance of yoga in promoting global health and wellness. Around 25 crore people worldwide participated in various Yoga Day events, demonstrating the unifying power of yoga. We, the cadets of 1 MAH BN NCC Kirti College, contributed to this significant initiative by organizing a grand Yoga Day event on our campus. **Over 300 cadets** from various colleges and schools, accompanied by their respective ANOs and CTOs, participated enthusiastically. **50 cadets** from Kirti College NCC played a vital role in coordinating and managing the event. The event began with a warm welcome, followed by a well-structured yoga session conducted in unison, aimed at fostering better health and wellness for all. This session was guided by experienced yoga instructors from The Yoga Institute, ensuring proper techniques and postures were demonstrated. The occasion was not only a proud moment for Kirti College but also a testament to the discipline, teamwork, and dedication of our NCC cadets. We extend our heartfelt gratitude to all the dignitaries, teachers, supporting staff, and cadets who contributed to making this event a grand success. This memorable day highlighted the essence of yoga as a unifying force and reaffirmed our commitment to promoting health and well-being in the community. Event was led by **CJOO POWAR SAURAVS**.

### BEACH CLEAN-UP ACTIVITY

On 7th July, 2023, the 1 MAH BN NCC (Boys)

department participated in a Beach Clean-Up Activity at Dadar, **Kirti College Beach**, with the objective of promoting a clean, healthy, and sustainable coastal environment. Under the guidance of **Lt. Dr. P. V. Ghorpade**, the event commenced at 9:00 AM with a fall-in at Mahim Beach, located behind Kirti College. Lt. Dr. Prashant Ghorpade addressed the **36 participating cadets**, emphasizing the importance of cleanliness and environmental sustainability. The cadets actively participated in cleaning the beach, **collecting and handing over more than 5 kilograms of waste to Municipal Corporation workers** for proper disposal. This initiative not only aimed to maintain a clean environment but also served as an effective awareness campaign, encouraging students and civilians to adopt eco-friendly practices and refrain from littering. The activity concluded with snacks served to all cadets, followed by a formal dispersal. The key take aways from the event included **fostering a clean environment, promoting the use of recycled products, and emphasizing the conservation of marine life, all contributing to a healthier and more sustainable ecosystem.** The event was led by **CJOO GOLE VAIBHAV M.**

### PUNEET SAGAR ABHIYAN

on 29th September, 2023, the 1 MAH BN NCC (Boys) department of Kirti College participated in a beach cleanup activity under the Puneet Sagar Abhiyaan initiative at **Girgaon Chowpatty**. The primary objective of this activity was to promote a clean, healthy, and sustainable coastal environment. Under the guidance of Lt. Dr. Prashant V. Ghorpade, the cadets embarked on this mission to restore the beach's cleanliness following the **Ananta Chaturthi celebrations**, during which Lord Ganesha's Visarjan ceremonies had left the area polluted with waste and debris. Recognizing that beaches play a critical role in the marine ecosystem and are not

merely recreational spots, the cadets demonstrated their shared responsibility toward nature by actively participating in the cleanup drive. The efforts of the PI staff and **10 cadets** were commendable, as they worked together to ensure the beach was restored to a cleaner and healthier state. The activity not only raised awareness about the impact of pollution on the environment but also inspired participants to **adopt sustainable habits, such as reducing plastic use, recycling, and proper waste disposal.** Moreover, the experience encouraged individuals to commit to regular cleanup efforts and environmental stewardship in their communities, fostering a deeper sense of responsibility toward the preservation of natural ecosystems. The event was led by **SGT DERVANKAR OHAM R.**

#### KARGIL VIJAY DIWAS

The Kargil Vijay Diwas event was held at the **auditorium** on 26th July, 2023 to honor the brave soldiers who sacrificed their lives for the nation during the Kargil War. The event commenced with the arrival of the distinguished guests at 10:00 AM, escorted to the venue by the NCC pilots. The Chief Guest for the event was **Lt. Gen. Shailesh Tinaikar (Retired), while the Guest of Honour was Hav. Pandurang Ambre,** a decorated war veteran. Both dignitaries graced the occasion with their presence and inspiring words. The program began with cultural activities and theatrical plays performed by NCC cadets, which showcased the valor and sacrifices of our soldiers during the Kargil War. The performances left the audience deeply moved and instilled a sense of patriotism. As part of the event, the NCC cadets prepared a beautifully designed flag area that symbolized the spirit of the nation. The significance of this flag area and its various elements was explained in detail to the Chief Guest and Guest of Honour, who were deeply impressed by the effort and creativity. During his

speech, Hav. Pandurang Ambre shared his personal experiences from the Kargil War, **recounting the bravery and resilience of the soldiers on the battlefield.** His words left a profound impact on everyone present, providing invaluable insights into the sacrifices made for the country. The celebration concluded with light refreshments served to the attendees, and the event officially wrapped up at 12:30 PM. The program saw the enthusiastic participation of Lt. Dr. Prashant Ghorpade, **40 NCC cadets,** and committee members, including Prof. Vitthal Sontakke, who all contributed to making the event a memorable and meaningful tribute. The event was led by **CJUO POWAR SAURAV S.**

#### BLOOD DONATION CAMP

On 28th November, 2023, the **1 MAH BN NCC (Boys)** department organized a Blood Donation Campaign at **Kirti College, Dadar.** The event aimed to provide safe and quality blood and blood components collected from voluntary donors, ensuring these are made available round the clock at affordable costs to the general public and free of cost to the underprivileged. Under the command of Lt. Dr. Prashant V. Ghorpade, the campaign highlighted the importance of blood donation, emphasizing the idea that when you give, others live. Regular donors play a crucial role in maintaining a stable blood supply, which is essential not only during disasters but also for everyday needs. To spread awareness about this cause, our unit conducted the campaign, which saw the enthusiastic participation of PI staff members and **20 cadets.** One of the key take aways from the event was the **realization that teamwork can create wonders, as volunteers naturally came together and took charge of various functions.** Emotional connection to the task also emerged as a significant factor, reminding everyone that passion and dedication lead to meaningful outcomes. A delightful

surprise occurred when a group of outstation students visiting the campus joined the drive and contributed significantly, showcasing the power of community and collective effort. Overall, the campaign not only achieved its objectives but also inspired a sense of purpose and collaboration among all participants. The event was led by **SGT DERVANKAR SOHAM R.**

## INDEPENDENCE DAY

The Independence Day celebration was held at the **Kirti College Ground** on 15th August, 2023. The event commenced punctually at 8:30 AM. At the beginning of the event, the Chief Guest, **Dr. D.V. Pawar**, was formally escorted to the flag area by escort pilots **SGT GURAV OMKAR A.** and **SGT PATIL MAYUR K.** Once at the flag area, Dr. Pawar hoisted the National Flag, marking the start of the ceremony. The parade was led by Parade Commander **CSUO Desai Mandar M.** who commanded the contingent to present a ceremonial salute (**Salami Shashtra**) to the National Flag. The second-in-command, **CJUO Redia Lalit S.** along with the Band Squad Commander **CJUO Gole Vaibhav M.** and the 2nd Guard Commander **CSM Shirgaonkar Swaroop R.** played pivotal roles in ensuring the parade's smooth execution. Following the flag hoisting, the National Anthem was sung by the cadets, fostering a sense of pride and unity. The Chief Guest, Dr. Pawar, then **administered the NCC Oath** to all cadets present, instilling in them a sense of duty and patriotism. Subsequently, all guests and participants proceeded to the JSKB Hall, where the next segment of the program unfolded. The event witnessed enthusiastic participation, with **100 NCC cadets** taking part under the command of Lt. Dr. P. V. Ghorpade. The celebration exemplified discipline, patriotism, and unity, leaving a lasting impression on everyone in attendance. The event was led by **CSUO DESAI MANDAR M.**

## CADETS CORNER

### GSUO NAGTILAK ANIKET B.

**-: Jai hind. I'm CSUO**

**NAGTILAK ANIKET B.** from

Kirti M Doongursee College and an NCC cadet of 1 MAH BN Mumbai-B Group. I feel honoured to share the best experience of rifle shooting through my NCC camps. A rifle is an emotion for me, it just taught me to stay calm, be confident and believe in myself that "Yes, I can hit the bulls eye". NCC has a shooting camp called All India G.V. Mavlankar for which you have to pass through various competitions among Batta lion, Groups and Directorates. At every steps I have learned a lot. The body stability, the high amount of concentration and overall calmness gives a special moulding to the personality. I have achieved a life lesson, a technique to happy life and also a winning spirit during the competitions. I have made many achievements through my journey till Nationals which has given me a wonderful experience. Talking about the achievement, I have won **Silver medal** at **INTER GROUP SHOOTING COMPETITION** which is held in **Pune Headquarters** Maharashtra further I selected for Inter Directorate Sports Shooting Championships

selection camp in which you have to constantly perform the same and maintain your score to secure your place in the team on the basis of your results, score and your 3 months continuous firing training I selected in the Maharashtra Directorate Team in 50m 3P and 10m Air rifle event. In **INTER DIRECTORATE SPORTS SHOOTING COMPETITION** which is held in **Thiruvananthapuram Kerala** I secure **Rank 01 Gold Medal in 50M Peepsight 3P individual** and **Silver medal in 10M Air Rifle** and making my Battalion, Group and Directorate proud. I am being the first CDT to go for IDSSC and win both Gold and Silver Medal and represented Pre Nationals and Nationals is my own achievement and proud moment for the College and Battalion. Further I'm selected for G. V. MAVLANKAR, which is held in Mahu Indore Madhya Pradesh. Also in Gy. MAVIANKAR I won **Gold Medal in 10m Air Rifle** and secure **All India rank 16th in 50m 3P** and Select for Nationals. After getting selected for Nationals, I represent **DG NCC in 50m 3P and 10m Air rifle event** and qualify in both for Trails. During the matches I always said one thing to myself that the medal is waiting for you to give your best shot. **Keep calm, load, Aim, Breathe & fire.** If you want to be a

good shooter, you have to give your best shot with your best concentration, focus, holding, breathing, calmness, self-belief & confidence in your rifle is what will take you to the top. **The sky is the limit go for it!** Thank you. **Jai hind.**

**GSUO POWAR SAURAV S. :- Jai Hind!** I am CSUO Powar Saurav S. student from TYCS Department, Kirti M. Doongursee College and an NCC Cadet from 1 MAH BN NCC (Boy's) Mumbai 'B' Group. I feel honored to share the best experiences of my three incredible years in NCC. I was enrolled in NCC during my first year in 2021- 2022. NCC has played a significant role in transforming me. The discipline and training in NCC have greatly contributed to the advancement of my

personality. In 1 year on my NCC, due to my hard work, dedication, and exceptional performance in drill, I was selected as a PILOT and promoted to the rank of SGT during the 66th NCC Day celebrations at Kirti M. Doongursee College. In 2022-2023, during my 2nd year, I began with the appointment of CPL (corporal). The NCC year officially started on 3rd June 2022. In September, I participated in a drill competition held at ASC Thane College for Pre-RDC 2022 selection, where I was promoted to the rank of SGT (sergeant). I successfully completed Pre-RDC CATC 1 and Pre-RDC CATC 2, but unfortunately, I was disqualified for the next RDC camp due to a medical issue with my swollen foot thumb. After returning to my unit, I was appointed as a second-year senior with the rank of CQMS (company quarter master sergeant). On the 67th NCC Day, I had the honor of being the 2nd Guard Commander a proud achievement for me. Late 4 during our 'B' Certificate Examination, I was promoted to the rank of CSM (company sergeant master). On 26th January 2023, I was promoted to CIUO (company junior under officer), for the day and was sent to Kalina university as a Parade Commander. My 3rd year in NCC started on 7th June 2023, where I was appointed as CJUO among three officers and designated as the Officer-in-Charge.

Although I was selected for the TSC IGC Camp, which prevented me from attending the Independence Day event on 15th August 2023, I was promoted to CSUO (company senior under officer), before going for the camp. Upon my return, I resumed charge of my unit and actively participated in all subsequent events. In November 2023, I was selected for the All India tMA ATT Camp. It was an honor to attend this prestigious national camp, where I represented Maharashtra as one of 17 cadets and joined 250 cadets from across India. I had the golden opportunity to visit the Indian Military Academy (IMA), learn leadership qualities, and implement them in my life. I was later promoted to the Golden

Rank of GSUO (golden senior under officer). On the 68th NCC Day, I had the privilege of serving as the Parade Commander, where I presented the Sword of Honor to the Chief Guest. It was a memorable day! Additionally, I introduced a new event, Rifle Guard Formation, which was highly appreciated by the audience. My dedication and efforts, along with those of my juniors, received commendation from our Associate NCC Officer, [t. Dr. Prashant V. Ghorpade. From my experience, I have learned one important lesson: Never give up. Keep pushing yourself harder. The more you push, the better you will become. Never settle for small achievements, always aim higher and keep moving forward. Thank you! Jai Hind!

### Anti Addiction:

This project aimed to understand and control the level of addiction within people. This has been a serious issue considering the youth of this generation, how this addiction has now surpassed the level and taken control over the minds of people. There are various addictions such as mobile and social media addiction, smoking addiction, and many more. We managed to conduct sessions for how harmful alcohol and other hallucinations can prove. Also a drama and skit was demonstrated for the same along with a rally at university level. No crumps were left in

order to take the slightest effort for this project and create awareness amongst the youth. This project also made them understand what should be one's main purpose of life at this age, instead of engaging in wrong practices. As these may not only affect them but would have a strong impact on their family members and close ones! shThe activities and sessions had high number of participation during both offline as well as online mode.

## NSS (JUNIOR COLLEGE)

In the academic year 2023-24, the National Service Scheme (NSS) Unit of Kirti M. Doongursee College undertook a remarkable journey of service, awareness, and student development. The NSS unit organized over **100 diverse activities**, impacting thousands within and beyond the campus. From health awareness campaigns and environmental drives to youth empowerment and community outreach, the unit exemplified the motto: "Not Me But You" Health, Hygiene, and Awareness. The NSS year began with participation in the Polio Eradication Drive in May 2023, in collaboration with BMC, where 14 volunteers worked tirelessly for 6 days, covering booths and door-to-door vaccinations.

**This health focus continued with activities like:**

- ☐ AIDS Awareness Rally (Dec 2023) and Sessions on AIDS and First Aid during the Nav Kirti campaign.
  - ☐ Mental Health Day (Oct 10) with green ribbon awareness campaigns.
  - ☐ Nutrition and Bank Literacy Sessions (Oct 22).
  - ☐ POSCO and Cyber Crime Awareness (Jan 2024).
- Vanmohatsav: A Week-long Environmental Campaign In July 2023, the NSS Unit celebrated Vanmohatsav Week with varied activities each day:
- ☐ Poster making, poetry, greeting cards, street plays, and tree plantation.
  - ☐ Public awareness rallies on deforestation.
  - ☐ Hands-on environmental care like unit cleaning, animal feeding, and street performances on forest conservation.

The campaign involved over 100 volunteers in total, raising environmental consciousness with creativity and community spirit. Swachh Bharat and Cleanliness Fortnight Throughout October 2023, volunteers championed the Swachhata Pakhwada, conducting:

- ❑ Unit, class, beach, railway station, and bus stop cleanups.
- ❑ Poster making, essay competitions, and public awareness campaigns at prominent sites like Siddhivinayak Temple and Dadar Station.
- ❑ An innovative reel-making initiative to amplify their message via social media. The fortnight concluded with a solemn oath ceremony affirming their commitment to cleanliness.

Youth, Education, and Empowerment. Youth development was a central theme through activities like:

- ❑ International Yoga Day (June 21) and Gender Sensitization Sessions.
- ❑ Youth Orientation, NEP Awareness, and Competitive Exam Guidance with civil servant guest speakers.
- ❑ Sessions with Prime Minister Modi under "Mera Yuva Bharat," encouraging civic responsibility and electoral participation. Further, the NSS Unit supported blind students during board exams through the "Kirti Sahayya" initiative, showcasing empathy in action. Cultural Engagement and Social Inclusion Kirti NSS Unit participated in several intercollegiate fests including:
- ❑ Avyaan Fest, Janeev, Hunar, Devdoot, and Jagrutva, securing top positions in street plays, dance, debate, rangoli, and more.

- ❑ Volunteers performed over 100 street plays during Ganesh Utsav to spread messages on disaster management, earning praise from local leaders and the media.

On Women's Day (March 7) and during "Spreading Happiness" drives, volunteers honored women staff and celebrated festivals with the underprivileged, distributing clothes and sweets with compassion. Special 7-Day Residential Camp Held in December at Talasari Vanvasi Kalyan Kendra, the residential camp included:

- ❑ Daily exercise, Shramdan, cultural nights, and sessions on constitutional values, partition history, wars, and gender equality.
- ❑ Visits to ISKCON Temple and interaction with tribal communities.
- ❑ A true embodiment of rural immersion and experiential learning.

## Conclusion

With over 100 plus activities, Kirti College's NSS Unit stood as a beacon of youth-led transformation. Whether it was cleaning a beach, educating a crowd, feeding a stray, or performing a street play, every initiative reflected dedication, creativity, and social responsibility. As we look forward, the NSS Unit promises to continue empowering students to become socially aware citizens — not just building a better campus, but a better country.

## DEPARTMENT OF PSYCHOLOGY

The Psychology Department at Kirti M. Doongursee College, established in 2003, is committed to excellence in teaching, research, and applied psychology. The department explores the complexities of human behavior, cognition, emotions, and mental health with a strong vision of imparting quality education to students not only through traditional academic practices, but also through indirect, more enjoyable activities other than academics. Following activities were attempted directed towards increasing the scope of psychology in the applied world.

### 1. A workshop on Suicide Prevention Day:

To make the participants aware of the sensitivity of the topic of suicide, identify the signs of suicide, understand how to deal with emergency situations and to promote the methods to deal with suicidal cases among students Psychology Department in collaboration with Aastha Counselling Cell conducted a workshop on Suicide Prevention on 21<sup>st</sup> Aug, 2023. The Workshop was held by Ms. Siddhi Kalbhor, Psychologist at NGO - Sisters Living Works who has been working in this area since a year.

2. Srujan 2023-24: Kirti College Academic Festival Under Srujan Fest, the department of Psychology conducted two lively events on 13/9/2023 and 14/09/2023. The workshop on Assertiveness on the first day received overwhelming response from the students from various streams. Total 58 participants attended the workshop. It focused on the skill of 'Assertiveness' which is a key factor in maintaining interpersonal and intrapersonal peace and relationships. Students tried to address the same in the context of aggressive and uncomfortable situations using role plays and various games which made it more interactive and liked by the students. On the second day, the students set up a stall-like structure in classroom 2.8 at 09.00 am for the testing booth where students and teachers from various departments came for the psychological testing. Total two tests were used - Locus of Control and Big-Five personality inventory. Total 58 students took the tests and left the booth happily. At 01.00 pm, the booth was closed by the students and the two-days Srujan Festival of psychology department adjourned.

3. **Premarital Counseling:**

A session on Premarital Counseling was conducted on 12/03/2024 in an online mode to help students learn the science and theories of choosing a right partner, burst the myths and misconceptions about marriage and having an ideal partner. The session received an overwhelming response from students across multiple streams and saw the participation of 57 participants in all. Ms. Shraddha Raje very delicately elaborated on the topic of Premarital Counseling by gently touching the areas of Realistic and Unrealistic expectations of choosing a partner. Then she elaborated on what qualities. After the discussion, the session by Ms. Shraddha Raje, was followed by a Q&A session. The students were seen interacting with Ms. Shraddha Raje after her presentation.

4. **Peer-to-Peer Learning Session:**

Our department also conducted a Peer-to-Peer learning session recognizing students' ability to learn effectively when the concepts are taught by the fellow students. The session was conducted on January 31st, 2024, Wednesday, at 10.30 am. In this session Mr. Sumit Pathoria, a student of SYBA explained the techniques to score well in the exam and covered effective ways to remember concepts of psychology in general. The session was a good response by the students.

5. **Session on Mental Health under Nav-Kirti**  
The Department of Psychology also conducted a session mental health under Navratri Festival - Nav-Kirti to make the participants understand the importance of mental health for a healthy lifestyle, learn easy methods to maintain their mental well being, understand how to deal with negative thought, and to promote among the students the scientific understanding of

how the mind works. The activity was conducted on 21<sup>st</sup> Oct, 2023, in E4 classroom and it was followed by the question and answer session where the students asked their queries and also shared their experiences. After answering the questions and sharing insights, the session was concluded with a formal vote of thanks by NSS volunteers. Total 37 students enjoyed the session.

6. **Felicity- Express Yourself: (Movie Screening workshop)**

Department of Psychology along with the Department of English conducted a university-level workshop on 09<sup>th</sup> September, 2023, in the 0.8 Auditorium to make the participants connect the film with the problems faced by teenagers and parents, making them aware of the psychological dynamics involved in it, and acquainted with various communication strategies to deal with the daily conflict causing situations. The workshop received an overwhelming response across multiple streams and saw the participation of students, staff as well as departmental heads from 6 other colleges: NL College, Nagindas Khandwala College, Abhinav College, Dr. B. R. Ambedkar College, Patkar College, and Elphinstone College. There were 78 participants in all.

The first session by Ms. Vidula Sawant, on Parent-Child communication focused on explaining various perspectives and causes of conflicts, the effects, and the effective methods to mould the conflicting situation into constructive communication. The second session of this workshop on Explore a Writer in You; was taken by Ms. Deepti Mujumdar, an academican and blogger, in which she not only explained different types and tips of writing effectively, but also some tips to boost creativity.

### 7. Educational Trip to The Jungle Farm, Bordi, Maharashtra 401701

The Department of Psychology organized an educational trip to The Jungle Farm, Bordi, Maharashtra on 8th and 9th February, 2024, to make students acquainted with rural life and give them an opportunity to understand the life of humans and animals in the jungle, connect with nature and learn vital survival skills, help students understand the role of nature in expression and

literature. Total 25 students were accompanied by 3 teachers from both departments. The expert guidance and advice from Mr. Suryahas Chaudhari and Mr. Tapan Chaudhari made it most memorable for the students. Their intensive knowledge about the plants, animals, their behavior, and overall nature motivated students to come more closer to and appreciate nature.

## DEPARTMENT OF STATISTICS

The department of Statistics had a remarkable academic year 2023-24 with many activities & here are some of the highlights of the year.

### (1) Guest Lecture:

The department had organized a Guest lecture to highlight the diverse applications of statistics within the government sector. The lecture was held on "Applications of Statistics in Government Sector & Statistical Bridge to Government Careers", 11 th September 2023. The distinguished speaker was Mr. Pushkar Bhagoorkar, who has recently retired from his position as Additional Director at the Directorate of Economics and Statistics, Planning Department of the Government of Maharashtra in Mumbai. He has provided valuable insights into the practical applications of statistics in government and offered guidance to the students, aspiring to pursue meaningful careers in the government sector. The program ended with interactive sessions.

### (2) Co-curricular Activities:

#### (a) R Graph Battle-

The department has taken a new initiative, to encourage students to enhance their data

visualization skills using the R programming language. On 12 th September 2023, the competition, R Graph Battle, was conducted exclusively for T.Y.B.Sc Statistics students. Participants were provided with a dataset and granted the flexibility to utilize any R packages and libraries they deemed necessary for their data visualization tasks. The participant, who successfully completed the given task with the correct output in the shortest time, was declared as the winner. Here students also learned the importance of balancing speed with accuracy in data visualization.

#### (b) The Statistical Quiz -

In our department this has been regular activity for more than 3 years. The quiz was conducted which is based on Statistics, to generate interest and enthusiasm for the field of Statistics that showcase its relevance, importance, and real-world applications. The competition was organized for S.Y.B.Sc. and T.Y.B.Sc. Statistics students on 12 th September 2023. The quiz comprised multiple-choice questions, testing students understanding of statistical concepts and principles.

**The quiz competition made learning statistics an enjoyable and engaging experience.**

### (3) Parents meeting:

The Parent's Meeting was held on 6 th February 2024, to introduce parents with Statistics department, its facilities, and resources available for students. During this meeting, our faculty member discussed the academic calendar, lecture timetable, and examination schedule for the academic year 2023-24. Also presented PPT on potential career opportunities and further education paths available to the Statistics graduates. This meeting serves the purpose of Meeting faculty members in person, provides parents with the opportunity to ask questions, seek clarifications, and address any concerns they may have regarding their child's academic progress.

### (4) Alumni Meet & Counselling Sessions:

The program was hosted by our college Statistics BOS Alumni members; Mr. Amiit Naik & Mr. Swapnil Kadam on 9 th March 2024. The event began with a warm welcome by Dr. S. R. Patgaonkar, followed by brief introductions to alumni and current students. The principal provided valuable information about the college and its commitment to supporting alumni and current students in their academic and professional endeavors. Alumni from various fields shared their career experiences and offered advice to students. Some of the speakers were:

- (i) Mr. Amiit Naik (Ancillarie, President & Head of Clinical Data Services, Ancillarie
- (ii) Mr. Swapnil Kadam, Senior Consultant, Fractal Analytics
- (iii) Mr. Akshay Gaikwad, Deutsche Bank India

The program ended with a lively Q&A session enabled students to engage with alumni and gain insights. After this program, by hearing success stories and career journeys of alumni served as inspiration to the current students and motivate them to choose career paths with confidence and determination.

### (5) Students Enrichment Program:

The Certificate course was organized on 'Data Analysis using SPSS' from 26 th February 2024 to 5 th March 2024. The course was arranged for F.Y.B.Sc., S.Y.B.Sc. and T.Y.B.Sc. Statistics students. In this course, students got familiar with the SPSS software interface, basic functionalities, and tools for data analysis. Also, they learnt basic data visualization techniques, which were added additional skills in interpreting analysis results including writing clear and concise interpretations of statistical outputs.

### (6) Research Activities:

- (a) Our two T.Y.B.Sc. Statistics students, "Krutanya Ghadi" & "Yash Mhatre", won the first prize in "KIRTI AVISHKAR Research Convention- 2023'. The research project titled, "Effect of Pop music and Classical music on personality: A case study of UG students". The research project is guided by Dr, S, R, Patgaonkar.
- (b) The same project was participated in '18 th Aavishkar Research Convention- 2023' under UG level. The project was selected for the podium presentation.

### (7) Other activities:

Statistics department is fortunate that college had given the responsibility of preparing analysis reports on feedback given by Teachers & Parents on current curriculum. Due to Dr. Minal Mapuskar, IQAC Coordinator, encouragement helped us in writing these reports successfully and it was submitted to the NAAC.

The feedback analysis and its report was prepared by

## WOMEN DEVELOPMENT CELL

### **Women Development Cell Activities 2023-24 DES's Kirti M. Doongursee College**

The Women Development Cell (WDC) of Kirti M. Doongursee College serves as a dynamic platform dedicated to empowering women students by fostering skill development, personal growth, and community engagement. Through a variety of initiatives, the WDC nurtures creativity, self-confidence, and leadership qualities while addressing crucial issues such as health, hygiene, and professional readiness.

WDC organizes workshops, job fairs, and collaborative programs with renowned organizations, the WDC equips students with practical skills and career-oriented training, bridging the gap between academics and employment. The cell also emphasizes inclusivity, creating a supportive environment where students can explore their potential and gain recognition for their achievements. With its holistic approach, the WDC plays a pivotal role in shaping well-rounded individuals who are confident, competent, and ready to contribute positively to society.

The Women Development Cell (WDC) organized a series of impactful initiatives during the academic year 2023-24, aimed at empowering women students through skill development, personal growth, and community engagement.

☐ **"She Shines" Program** A session on women's hygiene and personality development led by Ms. Vinath Hegde emphasized self-awareness, leadership, financial literacy, and stress management. Participants left inspired, confident, and equipped to build their personal brands and achieve professional goals.

☐ **LINK Women Project Certificate Ceremony** Participants were celebrated for

their dedication and achievements in the project, which focused on skill development and community empowerment. Success stories shared during the event inspired further growth and recognition.

#### **4. International Women's Day**

The college celebrated women's achievements, with special recognition for student **Ms. Kusum Salvi** by **UN Women** for her contributions to the LINK Women Project, showcasing the importance of gender equality and empowerment.

#### **5. Digital Marketing Workshop**

Students were trained in soft skills and online marketing strategies, LinkedIn optimization, and digital tools. Collaboration with the Placement Cell offered additional support through resume-building and interview skills workshops.

#### **6. P&G "Salena" Program**

This initiative raised awareness about menstrual hygiene and professional appearance, helping students understand the importance of self-care and workplace readiness.

#### **7. Job Fair**

The WDC, Placement Cell, and LINK Women Project jointly organized a job fair to provide students with opportunities for full-time employment and internships. The event also featured resume-building workshops and interview preparation sessions, equipping students with the skills and confidence needed to excel in the job market.

The WDC's activities fostered creativity, self-confidence, and professional growth among women students, creating a robust platform for empowerment and holistic development.

### आयुष्यभर एकट सोडले, आता गर्दी करू नका....

जेव्हा मृत्यू होईल माझा,  
निदान तेव्हा तरी दिखावे करू नका ...  
रडवलयं तुम्ही क्षणो क्षणी  
आता रडण्याच नाटक करू नका ...  
आयुष्यभर एकटं सोडल  
आता गर्दी करू नका .....

माझ्या देहाचा चार खांदे देऊ नका,  
आयुष्यभर मीच खांदा दिलाय स्वतःला  
आता जाताना खांदा देऊन,  
तुमच्या उपकाराचं ओझ मला देऊ नका ....

माझ्या मृत देहासाठी सरण रचण्याचं कष्ट तुम्ही करू नका.  
जिवंत असताना माझ्या प्रत्येक गोष्टीत अडकाटे  
न घातल्याचा आव, तुम्ही आणू नका ....

नको मला तुमचा नवा कपडा अन् मला पाणी पाजू नका.  
तो कावळा चालेल मला, पण तुम्ही मला शिवू नका.

माझ्या देहाला जाळून आता तरी मला पाणी पाजू नका.  
आयुष्यभर जळत जगलोय,  
मला मुक्ती देण्याचं सोंग आणू नका.

आयुष्यभर पाय खेचले माझे,  
आता माझ्या मृत शरीराच्या पाया पडू नका  
मी तुमचा होतो दाखवण्यासाठी,  
रडण्याचे दिखावे करू नका .....

आयुष्यभर एकट सोडले,  
आता गर्दी करू नका....

### माणुस थकला

माणुस थकला उभा राहून  
आयुष्याच्या वाटेवर हरलेला गळलेला  
कधी हसला कधी रडला  
पण कधीच त्याने आपला मार्ग नाही सोडला

थकलेला पाय रुंद झाली वाट  
स्वपनांची पंख आता गळून पडली थाट  
उधळलेली आशा हरवलेला विश्वास  
माणुस जणु सापडा एक सापडणारा श्वास

श्वास जणु माणुस तुकडेजात आहे.  
या पाठीवर किती जड ओझे आहे.  
या मनाच्या कळ्या आता कीती थंड पडल्या  
तु उभा आहेस स्वप्नांचा एक आधार शोधत

कधी कुणाच्या शब्दात आधार हवा  
तरी कधी नशिबाशी लढत हवा.  
पण हिंमत तुझी कधी जाऊ देऊ नकोस  
कळतील की तु अजुन जिवंत आहेस की  
अडचणीचा सामना करणारा ।

उधळलेले पंख परत उंच होणार  
आशा ही कधी मरणार नाही  
कारण माणुस थकला तरि तु पून्हा उभा राहणार

## परत ये ना गं आई !

आमच्यावर रूसून तू गेली देवाघरी  
नशीबाची फिरली पाठ आमच्या दारी ।  
पुन्हा नशीब पलटायला गं  
परत ये ना गं आई ॥

वाटते जेव्हा मला भीती  
हवीहवीशी वाटते तुझी कुशी ।  
कुशीत मला घ्यायला गं  
परत ये ना गं आई ॥

लागली भूक लागली तहान  
वाटते पुन्हा होऊनि लहान ।  
तुझ्या हातचा एक घोट आणि दोन घास  
भरवायला परत ये ना गं आई ॥

येते तुझी आठवण मला  
कसं सांगू हे मी तुला ।  
रडूनरडून ओली झाली माझी उशी  
डोळे पुसायला परत ये ना गं आई ॥

नाही राहायचं मला अनाथ  
हवे मला तुझी आयुष्यभराची साथ ।  
आयुष्याचा मार्ग दाखवायला  
परत ये ना गं आई ॥

करीत तुझी आयुष्यभर सेवा  
हेच मागणे आईसाठी तुझ्याजवळ देवा ।  
या मुलाला आशीर्वाद आणि सेवेची संधी  
द्यायला परत ये ना गं आई ॥

## माय मराठी : अभिमान आमचा, ओळख संस्कृतीची

आपला भारत देश विविध संस्कृती आणि परंपरेने नटला आहे, या परंपरा आणि संस्कृती भारताच्या विविध प्रांतांशी निगडीत आहे. व या प्रांताना लाभला आहे. एका विशिष्ट भाषेच वैशिष्ट. या भाषावरून त्या प्रांताची खरी आहे. प्रत्येक प्रांताला आपल्या भाषेचा अभिमान? जर एक विशिष्ट भाषा त्याला आपल्या भावना प्रकट करायला, संवादला, लिखाणाला सहज आणि सोप्या जाते तर त्याला त्या भाषेचा अभिमान बाळगायला कसली लाज? भाषा या आपल्या आईसारख्या असतात. ज्या आपल्याबरोबर आयुष्याच्या शेवटापर्यंत सोबत राहतात. मग आईसारख्या भाषेचा अभिमान बाळगायला लाज कसली बाळगता. तामिळनाडूची तमिळ, तेलंगणाची तेलगू उत्तरेकडील प्रांताची हिंदी, संस्कृत आणि आपल्या महाराष्ट्राची माय मराठी !

“लाभले आम्हांस भाग्य, बोलतो मराठी ।  
जाहलो खरेच धन्य, ऐकतो मराठी ।  
धर्म, पंथ, जात एक जाणतो मराठी ।  
एवढ्या जगात माय मानतो मराठी ।”

मराठी ही भाषा केवळ संवादाची नव्हे तर ती भाषा आपल्या महाराष्ट्र राज्याच्या संस्कृतीची अस्मितेची आहे आणि या भाषेबद्दल जेवढे लिहू, बोलू तेवढं कमी आहे. या माझ्या आईचा जेवढा गोडवा गावा जेवढी स्तुती करावी ती कमीच कारण मराठी भाषा ही सर्व सामान्य जनतेची भाषा. प्रत्येकाला ककणारी. महाराष्ट्राच्या मातीत रुजलेली ही भाषा शिवरायांचा हिंदवी स्वराज्याचा मंत्र आहे. संत ज्ञानेश्वरांच्या अभंगातून उमटलेली भक्तिभावना आहे आणि पु.ल.देशपांडेच्या विनोदातून प्रकटलेला हलकाच फुंकर आहे. मराठी म्हणजे आमची ओळख, आमची मायबोली आणि आमचा अभिमान.

मराठी भाषेचा इतिहास खूपच जुना १५००-२५०० वर्षांपूर्वीचा. जेव्हा सव सामान्य लोकांना संस्कृत भाषा कळत नाही तेव्हा मराठीचा जन्म भाषेचा झाला. मग संत ज्ञानेश्वरानी, संत तुकारामानी, संत एकनाथांनी या भाषेतून सर्वाना हसवले आणि ज्यामुळे आपण २८ फेब्रुवारी मराठी दिवस म्हणून साजरा करतो ते म्हणजे वि.वा.शिरवाडकर ज्यांनी रामायणेचे गीतेत रुपांतर करून सर्व सामान्य जनतेला रामायणाची ओळख करून दिली. तसेच लावणी, तमाशा, भारुड, लोकगीत, नाटक, लोककथा आणि कादंबऱ्या या साधनातून मराठी भाषा सतत फुलत गेली.

पण इंग्रज आले आणि मराठी भाषेचे महत्त्व हळूहळू कमी

## पर्यावरणीय बदल व भारत : एक आकलन

पर्यावरणीय बदल एक महत्वपूर्ण व गांभीर्यापूर्ण विषय आहे. मानवाने स्वतःच्या विकासासाठी व त्यांच्या विकासीय ध्येयासाठी पर्यावरणास केलेली हानी हे आजच्या काळात दिसून येणारे पर्यावरण व वातावरणीय बदल त्याचे परिणाम आहेत.

भारत हा एक विकासशील देश आहे. १.३ अब्ज लोकसंख्या असलेला भारत सुद्धा वातावरणीय बदलाला सामोरे जात आहे. भारत ह्या देशात निसर्गातील सर्व ऋतू दिसून येतात. उत्तरेला बर्फाची चादर व दक्षिणेस नदी, समुद्रे व नैसर्गिक समपन्नता तसे पूर्वेकडील राज्यांना बसनारे चक्रीवादळाचे परिणाम व पश्चिमेस होणारे वातावरणीय बदल.

जग भारत वाहनांची खरेदी/विक्री यात मोठ्या प्रमाणात वाढ होत असून त्या वाहनांमुळे होणारे पर्यावरणास नुकसान हे स्पष्ट दिसून येते. उत्तर व दक्षिणेतील हिम बर्फामध्ये होणारे बदल व वेगाने त्यांचे होत असलेले पाण्यात रुपांतर हे पर्यावरणात उष्णतेच्या वाढीस दर्शविते प्रदूषण हे केवळ वाहनांमुळे नव्हे तर औद्योगिक करण व विविध प्रकल्प यामुळे सुद्धा होते. समुद्र पातळीत होणारी वाढ व किनाऱ्यावरील शहरे, गावांना त्याचे परिणाम, हे पर्यावरणीय बदल दर्शविते.

या बदलांमध्ये फक्त भारताचा उदाहरण म्हटले तर काही वर्षांपासून सुरू असलेले समुद्र पातळीत वाढ व पूर्वेकडील (बंगाल) सागरात येणारे चक्रीवादळांचे वाढलेले प्रमाण तसेच उत्तरेतील उष्णता वाढ दिली. U.P. च्या प्रदेशात उष्णेची तीव्रता तसेच जम्मू - काश्मीरमध्ये तापमानात सतत होणारी घट, हे सर्व पर्यावरणास झालेली हानी व वातावरणात झालेले बदल दर्शविते.

अचानक होणारे बदल उदा. अचानक अवकाळी पावसाचे आगमन व उष्णतेची लाट, थंडीची तीव्रता हे सर्व मानवा कडून प्रत्येक्ष व अप्रत्येक्ष केलेले नुकसानाचे परिणाम आहेत.

सध्या होत असलेले बदलांमुळे भारत सरकारने सुद्धा या विषयास गांभीर्यापूर्ण लक्ष दिले आहे. सरकारने अनेक योजनांची अंमलबजावणी सुरू केली आहे. उदा.

- १) उजला योजना - या योजनेत सरकार ग्रीन एनर्जी ला प्रोत्साहन देत आहे. दिवेंय वापर.
- २) सौर ऊर्जा योजना - भारत सरकार हे देश नागरिकांना सौर ऊर्जा पासून निर्माण होणारे वीज या साठी सरकार आर्थिक मदत सुद्धा करू इच्छिते.

या सर्व व अशा अनेक योजना सरकार मार्फत राबवण्यात येत आहेत यांचा मूळ उद्देश्य हेच आहे की मानवी विकासाचे पर्यावरणाशी समतोल राखणे, विकास करणे, भारत हा विकास करत असताना काही नैसर्गिक गोष्टींना हानी सुद्धा करत आहे. जसे की महाराष्ट्रातील दोन प्रकल्प जे नैसर्गिक समपत्तीला नुकसान पोहचवत हे ।

- १) कोकणातील रिफायनरी - कोकण हे महाराष्ट्र व भारतास लाभलेल नैसर्गिक वरदान आहे. अशा ठिकाणी नैसर्गिक संपत्तीचे नुकसान करणे. या मूळेच नागरिकांमध्ये होणारा विरोध.
- २) मुंबई समुद्री रस्ता - सागरी संपत्तीचे केलेले नुकसान हे या प्रकल्पा मार्फत दिसून येते.

सध्या सरकार पर्यावरण व वातावरण यांना जपण्याचे व संग्रहीत करण्याचे प्रयत्न करत आहे. भारतात सुद्धा पर्यावरण व वातावरण यासाठी नियमांमध्ये बदल करून कठोर पावले उचलणे गरजेचे आहे. भविष्याचे विचार करून नैसर्गिक संपत्तीचे जतन करणे अत्यावश्यक आहे. भारताला लाभलेल नैसर्गिक वरदानास हाती न पोहचवता विकासाचं ध्येय गाठणे हेच खरे मानवी व पर्यावरणीय विकास.

### समुद्र की व्यथा

मैं विशाल समुद्र तुम मनुष्य को अपनी बात सुनाता हूँ,  
इन लहरों की ध्वनी से अपनी व्यथा समझाता हूँ।

मैं निरंतर ही चलता रहता हूँ,  
लहरों के स्वरूप में नियमित तट पर आता जाता रहता हूँ।

मुझ में कई प्रकार के जीवों का आवास है,  
कुछ तो उसमें बहुत ही खास है।

मेरी इस विशालता से, मैं सभी का मन मोह लेता हूँ,  
अपनी लहरों की ध्वनी, शीतल पवन से सभी को अपनी  
और आकर्षित कर लेता हूँ।

मैंने अपनी निरंतरता से किया इन सुंदर तटों का निर्माण,  
लेकिन तुमने अपनी लापरवाही से बना दिया इसको दूषित,  
गंदा और अस्वच्छता की पहचान।

सभी को मेरी सुंदरता और शीतलता का लुप्त उठाने में  
आता है बड़ा मजा,  
लेकिन तुम मुझे भला दे रहे हो किस बात की सजा?

निरंतर कचरा, दूषित पानी, फूल, पत्तियाँ क्यों मुझ में  
छोड़ते हो?  
मुझ में बसे सजीवों की जान तुम क्यों लेते हो?

यह दुनिया गोल है और मैं फैला हूँ चारों ओर,  
अभी शांत हूँ लेकिन मुझ में भी है बड़ा जोर।

मेरी शीतलता और सरलता को मेरी कमजोरी समझने  
की भूल न करना,  
नुकसान होगा बहुत बड़ा, अगर सुधरे नहीं वरना।

अपने पैर को कुल्हाड़ी पर क्यों मारते हो?  
क्यों धरती का तापमान बढ़ाए जाते हो?

पिघलती जा रही है सारी बर्फ, और बढ़ाए रही है  
जल की मात्रा  
नहीं संभले अभी तो मैं बन जाऊंगा बड़ा खतरा।

हे मनुष इस कुदरत का करो थोड़ा तो सम्मान,  
वरना देखकर रौद्र रूप कुदरत का रह जाओगे तुम हैरान

हे इंसान सुधर जा और मान ले मेरा कहना,  
बंद कर यह प्रदूषण और मुझे गंदा करना।

वक्त है तेरे हाथ में, तू विनाश जरूर रोक सकता है  
ध्यान न दिया मेरी बात पर, तो होगा ऐसा विध्वंसक  
सर्वनाश जिससे कोई नहीं बच सकता है।

### एक राही

मैं हूँ एक राही,  
जो मंजिल तक अभी पहुँचा नहीं।  
थका तो है, पर रुका नहीं।  
रुका अगर किसी मंजर पर,  
मुसीबत को देखकर वापस मुड़ा नहीं,  
मैं हूँ एक राही  
जो मंजिल तक अभी पहुँचा नहीं।

### इतने दिन बाद आये हो,

इतने दिन बाद आये हो,  
क्या खुशी की खबर लाये हो,  
या कोई दुःख का पैगाम लाये हो?  
साथ मे क्या तोहफा लाये हो,  
या कोई धोका लाये हो?  
इतने दिन बाद आये हो।

## ‘फेल’

‘फेल’ ये शब्द विद्यार्थियों के लिए कितना डरावना, चुभनेवाला और जानलेवा बन चुका है, फेल मतलब सब कुछ खत्म, माता-पिता, रिश्तेदार सभी की अस्विकृति, जीवन में कुछ बाकी न रहा, जिंदगी में सफलता दिलाने वाले सारे, दरवाजे बंद, अतहीन घुटन और जीवन का अंत।

ये शब्द इतना खौफनाक कैसे बन गया कब ये जीवन पर इतना हावी हो गया, कि मृत्यू उसका पर्याय बन गई। किस-किस का योगदान है, इसे इतना जहरीला शब्द बनाने में क्यों मनुष्य की अपराजय चेतना ध्वस्त हो गई, इस शब्द के सामने कौन है, जिम्मेदार उन जिंदगीयों का, जो इस शब्द की बली चढ़ गये। कहाँ गई मनुष्य की बुद्धिमानी जो “फेल” शब्द का सही अर्थ अपनी पीड़ियों को न समझा सकी ?

सर्वश्रेष्ठ बनने की होड़ ने मनुष्य की चेतना को गहरी नींद सुला दिया है। हमें ये अहसास ही नहीं, कि ये बदहवास और अंधी दौड़, हमें मंजिल तक पहुँचाने की क्या कीमत ले रही है ! हम जीवन का सही ढंग से उपयोग करने में असफल हो रहे हैं। हमने अपने चारों ओर इस प्रकार की व्यवस्था तैयार कर ली है, जिसने सफलता की परिभाषा को विकृत कर दिया है।

आज सफलता मतलब हर कक्षा में प्रथम आना। कामियाही मतलब दूसरों को हराकर शीर्ष स्थान प्राप्त करना। मंजिल मतलब धन, आलीशान घर, गाड़ी प्राप्त करना। जीवन का लक्ष्य ये सब पाने के लिए वर्तमान में अपने शरीर और आत्मा के घावों की परवाह किए बिना संघर्ष करते रहना।

खुशी मतलब जब तक सारे ऐशो आराम के साधन न मिल जाए तब तक खुश न होना, सब कुछ अर्जित करने के बोझ तलें दुबें रहना। परंतु खुशी एक आत्मिक अहसास है और संसाधन हमारे शरीर को आराम देते हैं। दुनियाँ में ऐसे बहुत लोग हैं, जिनके पास संसार की सभी सुख सुविधाएँ हैं, लेकिन फिर भी वे अतृप्त हैं, दुखी हैं।

जिंदगी की गणित में भौतिक साधन इकट्ठा करनेवाले दुखी भी मौजूद हैं, और कम से कम संसाधनों के साथ आनंदित, व्यक्ति भी हमें मिल जाएंगे। इसका अर्थ यह है, कि आनंद की तलाश में हम भटक चुके हैं, और सचमुच हमें किस चीज से और किस प्रकार खुशहाल जीवन जी सकते हैं, इसका पता ही नहीं।

जिंदगी इतनी सरल घटना नहीं है, जिसने हम कोई नियम बनाए और वो सबके लिए सही और उपयोगी शाबित हो। जिंदगी इन्सानों के नियमों से नहीं चलती बल्कि हमें अस्तित्व के नियमों से चलना पड़ेगा। जिंदगी एक, अद्भुत, घटना है, जो विविधताओं से भरी हुई है। यहाँ जितने व्यक्ति हैं, उतने ही अलग रास्ते हैं, आनंद पाने के। हर व्यक्ति का जीवन एक अलग प्रकार का ताला है, जो उसके ही पास मौजूद चाभी से खुलेगा और तभी उसे खुशहाल जीवन प्राप्त होगा।

आज की दुनियाँ में इतने सारे अविष्कार हो रहे हैं। इंसानों का भौतिक जीवन सुगम बनाने के लिए अनगिनत मशीनें बनाई जा चुकी हैं। हर प्रकार का शारीरिक सुख देनेवाले यंत्र मौजूद हैं। इंसान की जिंदगी हर रोज आसान होती जा रही है। फिर भी इंसान सुखी क्यों हर चेहरे पर एक दबी हुई निराशा दिखाई पड़ती है। ये प्रमाण है, कि खुशी,

आनंद, सुख इन सब की खोज में हम गलत रास्तों पर दौड़ रहे हैं।

आनंद पाने का सबसे बड़ा मंत्र है, अस्तित्व ने जिसे जो होने के लिए बनाया है, वो वही बनें। जो काम करने के लिए उसे जीवन मिल, है वही करें। गुलाब के बीज को तुम जबरन कमल बनाना चाहोगे तो वह विकृत हो जाएगा। हम मनुष्य जाति के साथ यही कर रहे हैं। हर बच्चे में किन गुणों का बीज है, उनकी रुचि किस काम में है, वो क्या होना चाहता है, वो क्या करने पर आनंदित होंगे, इन सब बातों पर गौर ही नहीं किया जाता। सबसे महत्वपूर्ण मुद्दे को ही नजर अंदाज कर दिया गया।

हमने सीधा हिसाब लगा लिया जिसके पास ज्यादा पैसा वो सुखी। जिसके पास नाम ओहदा वो सबसे ज्यादा आनंदित। सबको ऊँचे से ऊँचा पद पाना है ज्यादा से ज्यादा वेतनवाली नौकरी पानी है। लेकिन प्रकृति कहें या अस्तित्व कहें, ये एक संतुलित, स्वस्थ, आनंदित दुनियाँ बनाने में पर्याप्त है। इसलिए उसने इस पृथ्वी को विविधता से सँवारा है। इसी प्रकार उसने मनुष्यों को भी अद्वितीय बनाया है। इसी प्रकार उसने मनुष्यों को भी अद्वितीय बनाया है। हर इंसान अपने आप में खास है, हर एक को अलग-अलग गुणों से संपन्न बनाया है, प्रत्येक को खास काम करने के लिए बनाया। हमारी दुनियाँ में जितनी जरूरत डॉक्टर, इंजिनियर, वैज्ञानिक या आय.एस ऑफिसर की है, उतनी ही जरूरत अस्पताल में काम करनेवाली परिचारिका या स्वच्छता कर्मों की होती है। एक सड़क, इमारत या पुल बनानेवाला मजदूर भी उतना ही महत्वपूर्ण है। बाहर जाकर पैसे कमानेवाला और घर संभालनेवाला परिवार का खयाल रखनेवाला भी महत्वपूर्ण कड़ी है। जैसे पृथ्वी के सारे तत्व एक दूसरे के पूरक हैं और एक-दूसरे पर अवलंबित हैं, उसी प्रकार हर एक मनुष्य का गुण इस संसार को परिपूर्ण बनाने के लिए आवश्यक है।

विद्यार्थियों के लिए ये जागरूकता बहुत ही जरूरी है, क्योंकि सफलता-असफलता का सारा, बोझ इन्हीं के नाजुक कंधों पर रख दिया गया है। उन्हें “फेल” शब्द का व्यापक और सही अर्थ जानना बहुत ही जरूरी है।

फेल शब्द का वास्तविक अर्थ है, आपके अपने शैक्षणिक ज्ञान को बेहतर बनाने का एक और मौका दिया जाता है। ये किस महान पुस्तक में लिखा हुआ है, कि परीक्षा को एक ही बार में उत्तीर्ण करनेवाला ही महान होता है। परीक्षा उत्तीर्ण न होने का केवल इतना ही अर्थ है, कि अभी आप अगली कक्षा में जाने योग्य ज्ञान नहीं प्राप्त किया है। आपको मौका दिया जा रहा है, कि आप फिर से परिश्रम करें और अपने बौद्धिक ज्ञान को बढ़ाएँ, फिर हक से अगली कक्षा में जाएँ। फेल होना अभिशाप नहीं, एक तरह का वरदान है। आप को फिर हक से अगली कक्षा में जाएँ। फेल होना अभिशाप नहीं, एक तरह का वरदान है। आप को फिर से ज्ञान पाने का अवसर प्राप्त हो रहा है। साधारण ज्ञान पाकर उत्तीर्ण होने से अच्छा है, फेल होकर, अच्छी तरह पढ़ाई कर उत्तीर्ण होना। जब आप वास्तिक दुनियाँ में काम करने जाते हो, तो वहाँ आपकी क्षमता, गुण देखे जाते हैं न की आपने कितनी बार में ये क्षमता अर्जित की।

हमारे आस-पास के लोगों ने, समाज ने फेल शब्द को घृणित बना कर रखा है, वास्तव में इसमें शर्म या अपमान की कोई बात नहीं है, ईश्वर ने सभी को शिक्षा के, ही क्षेत्र में अलत आने के लिए नहीं बनाया है। शिक्षा में भी बहुत विविधता है। जब विद्यार्थी अपने रुचि के विपरीत विषयों का अदमय करता है, तो उसे कठिनाई महसूस होती है, और वह एक बार में उत्तीर्ण नहीं हो पाता। फेल होने के और भी बहुत कारण होते हैं। इसलिए उन सब कारणों को

हटाकर हम कितनी भी बार मे उत्तीर्ण हो सकते है ।

एक और भ्रांति प्रचलित है, कि फेल होने से वर्ष खराब हो जाता है, और हम औरो से पिछे रह जाते है । फेल होने से सफलता पाने में देरी होती, पर वर्ष व्यर्थ नहीं होता । आप एक बेहतर बौद्धिक व्यक्ति बन कर निकलते है । जिसने फेल होने के अर्थ को सकारात्मकता से समझ लिया और इस मौके का सही उपयोग कर लिया वो सचमुच एक विजेता बन जाता है और जिंदगी में फिर कोई भी बाँधा उसे हरा नहीं सकती । वह समाज और लोगों द्वारा बनाई गई “फेल” शब्द कि भ्रांति को तोडकर वास्तविक सफलता की उडान भरता है ।

थॉमस एडिसन ने सैकड़ों बार फेल होने के बाद विद्युत बल्ब ला आविष्कार किया । अगर वो भी एक बार फेल होने पर निराश, हताश होकर कोशिश करना छोड़ देते, तो दुनिया को विद्युत बल्ब के प्रकाश के लिए वर्षों इतजार करना पडता । फेल होने पर भी जो सही नजरिएँ से इसे स्वीकार कर प्रयास करता है, वह दुनियाँ के लिए आदर्श बनता है । उसकी असफलता की कहानी भी गर्व से सुनाई जाती है ।

कोई विद्यार्थी अगर शैक्षणिक क्षेत्र में बेहतर नहीं भी कर पाया, तो भी निराशा की कोई भी बात नहीं वह किसी और क्षेत्र में या कोई और काम श्रेष्ठ कर सकता है । कोई गायन में श्रेष्ठ हो सकता है, कोई नृत्य में, कोई तैराकी मे, कोई पाककला में । कोई चित्रकार बन सकता है, तो कोई मूर्तिकार । किसी में पाक कला है, तो कोई ध्यानी । कोई कलाकार है, तो कोई पत्रकार ।

ईश्वर ने इतनी विविधता बनाई है, कि किसी दो व्यक्ति की हाथ की रेखाए तक समान नहीं होती, तो एक समान परीक्षा कैसे सभी का मूल्यांकर उन्हे पास या फेल घोषित कर सकती है । व्यापक दृष्टि से देखे तो विराट जीवन के समक्ष परीक्षा में फेल या पास होने का महत्व गौण है । जीवन ही महत्वपूर्ण है ।

### Coffee and milk-bikis

Humans are an epitome of  
broken hearts,  
the blood paintings, the cry arts,  
the jealous darts, the gasped hope,  
bones shattering like glass,  
anxiety choking like rope,  
stress sounding like joy,  
we lessening down the sanity  
to be quiet when the  
heart wants to speak

Where are they?  
the people who left,  
which we wanted to keep  
losing hope, high coffee dose,  
panick attacks, dis we lose?  
lining up the past to destroy  
the present which will be  
eventually destroying the  
future and finally the  
mind accepting the heart's torture.

### Burden of Unspoken Emotions

To all the shadows you are scared,  
are the emotions you never shared  
Let your inner child speak aloud  
about the things that should be heard

Icy fingers of anxiety, choking your neck,  
Just to protect your inner child,  
you have endured a lot,  
breathe, don't go on your heart so wild.

The only thing that an inner child needs at  
the time the anxiety takes over is a  
mother's womb, a father's head pat  
and a bit of your own warmth  
Maybe they are all that you need

Less intelligent is the one who cannot even  
hear to speak about their own pain,  
and even equally less intelligent is the one  
who cannot understand even,  
after listening to it.

And all the agony that you hold for the  
things you lost, is what makes you  
all a human being, and not a weakling

## Dreaming of Another Chance

He was flawed in countless ways, yet that's what I adored the most.  
Being with him filled me with a happiness I've never known before.

When I was by his side, my smile stretched wide  
And I blushed so hard, my cheeks ached with delight.  
Every time I prayed, his name was in my heart.  
I asked God to calm the storms between us.  
To grant us the peace we both deserved  
Because as much as I loved him,  
This love deserved a better story than the one we lived.  
But now it's too late ; we've gone our separate ways  
A chapter closed, lost in time's endless haze.  
Yet deep in my heart, a quiet hope remains  
That one day, life might lead us back to each other,  
And we'll write a new ending , together.

## Fading but not Forgotten

I do not regret the time we spent together  
Rather it was one of the best time that I have spent with someone  
I become vulnerable shy when I am with you  
Can't think anything straight, things mess up my mind  
Now that we are no more together, I miss all the fun we had together,  
I miss us  
You are still in my heart, in my mind  
When I think of moving on, finding someone else, I tend to find you in  
others  
I am not unromantic, though it may seem that way,  
For words often escape me, and my thoughts lose their way.  
I fear that you'll judge, or that my response won't be right,  
That I'll upset you with my silence, or my heart's quiet fight.

# THEME OF MAGAZINE 2024 Indian Cinema

## Depiction of Violence in Indian Cinema

Interesting shift - love and violence are both powerful themes in Indian cinema and sometimes they're intertwined. Many iconic films demonstrate an order and flavour of passion and pain that come with intense relationships or societal struggles.

Think of Gangs of Wasseypur- raw violence and complex relationships or Baahubali, which mixes grand romance with epic battle scene. Then there's Kabir Singh, controversial but popular where love and aggression are tightly interwoven.

Got it you're feeling the intensity how Indian cinema has produced some truly gripping, now, and Stylish violent films that go beyond just action they often carry deep emotions social commentary or personal vendettas. Here's a mix of violence, intense and gritty Indian Films you might like

Hindi Cinema (Bollywood and beyond)

- ❖ Gangs of Wasseypur (1 and 2) - Mafia revenge family feuds a modern classic
- ❖ Company - Underworld drama inspired by real-life gang wars
- ❖ Satya-Gritty realistic look at Mumbai's Crime world.
- ❖ Agneepath (2012). Revenge drama with the emotional depth and brutal action.
- ❖ Haider : Shakespeare a tale with haunting violence and political conflict
- ❖ Shaitan - stylish, psychological & violent outburst.

South Indian Cinema ( some of the most stylish action comes from here)

- Arjun Reddy (Telugu)-Not action-packed but emotionally violent and raw.
- KDF (1 and 2). Mass action meets stylish violence all set in a gritty gold mafia world.
- Pushpa.. Red sandalwood smuggling, rugged, style, anti - hero vides.

## Bollywood and Regional Cinema

Indian cinema, encompassing both Bollywood and regional cinemas is a vibrant and influential force, reflecting the diverse cultural and social landscapes of India. It explores themes of love, family, violence, and the impact of historical events like partition, often interwoven with rich musical traditions and powerful storytelling.

Themes and values in Indian cinema : Indian cinema, both Bollywood and regional, explore a wide range of themes and values, often reflecting the socio-political and cultural realities of the country.

Partition and Trauma : The Partition of India, a deeply traumatic period in the nation's history, has been a recurring theme in Indian cinema. Films like "Garm Hawa" (1973) and "Tamas" (1987) portray the violence, displacement, and loss experienced by people during this time. These films serve as a reminder of the historical trauma and its enduring impact on Indian society.

General observations and reflections : Indian cinema is a powerful medium for social commentary, entertainment and cultural expression. It reflects the diverse tapestry of India, its rich history, and the ongoing struggles of its people. As a global phenomenon, Indian cinema continues to evolve, adapting to changing times and technologies while maintaining its unique identity.

## Bollywood A Unique blend of Music, Love, emotion & Violence

Indian Cinema, often synonymous with Bollywood for the global audience, is a sprawling and multifaceted industry that mirrors the soul of a diverse nation. From the bustling sets of Mumbai to the culturally rich Studios of Chennai, Hyderabad and Kolkata, Indian Cinema is more than just a source of entertainment, it is a reflection of the country's historic values, aspirations and contradictions. Spanning over a Century, the evolution of Indian films reveals not only technical and artistic growth but also the nation's collective emotional and social journey.

Bollywood, the Hindi-language film industry centered in Mumbai is perhaps the most well-known face of Indian Cinema known for its grandiose storytelling, colorful song-and-dance sequences, and deeply emotional narratives. Bollywood captures a wide range of human experiences. At its heart, Bollywood has always been about escapism and idealism, but it is also capable of profound social commentary.

### Themes of Love and Music

Themes of Love dominate Bollywood's narratives, often portrayed as eternal, all-conquering, and transcendent. From the classic tragic romances like *Mughal-e-Azam* and *Devdas* to modern explorations of complex relationships in films like *Tamasha* and *Kapoor & Sons*, Bollywood has continually redefined love in its various shades. These stories not only tug at the heartstrings but also reflect changing societal norms, gender roles, and general relationships.

Music, an inseparable part of Indian Cinema, plays a critical role in expressing emotion, advancing plots, and enhancing the viewing experience. Bollywood songs are cultural markers in their own right, carriers of joy, sorrow, protest, and celebration. Legendary music directors like R. D. Burman, A.R. Rehman and contemporary icons like Pritam have created soundtracks that transcend the screen and become part of everyday Indian life.

### Conclusion

Indian Cinema is not a monolith but a vibrant, dynamic organism. Whether through the grandeur of Bollywood or the intimacy of regional films, it continues to inspire, entertain, provoke, and reflect. It carries the burden of history, the melody of love, the scars of violence, and the promise of change. In capturing the vast spectrum of Indian life, Cinema has become both a mirror and a mold of the nation's identity. As India moves forward, its Cinema will undoubtedly remain a powerful storyteller of its journey.

### शांतीवनाला दिलेली भेट : एक अनुभव

रविवार दूपारची वेळ तक्यावर टेकून पहुडले होते, इतक्यात Mobile what's App Group वर message आला - सहल काढायची का? मग काय, झालं सहल हा शब्द वाचताच काय ऊर्जा संचारते हे शब्दात सांगणे अशक्यच ! टकटक सगळ्यांचेच Reply कोणी Smily तर कोणाचा कोणता अश्या बऱ्याच Emojis चा पाऊस ग्रुप वर पडयला लागला. मग चर्चासत्रासाठी Admin च्या घरी सात वाजता संध्याकाळी भेटायचे ठरले आणि पोहचलोही. कोणी म्हणे तीन दिवसीय जाऊ, शुक्रवारी रात्री निघू आणि रविवारी येऊ, तर कोणी सांगे मंदीरे Resorts, प्रेक्षणीय स्थळे, Farm House, वेळा, तारिखा वगैरे ह्या सगळ्याच्या चर्चा झाल्या. चर्चेअंती असे ठरले की आता ह्या नविन शैक्षणिक धोरणामुळे एप्रिल महिनाही शालेय जीवनाचा भाग झाला आहे. त्यामुळे एकदिवसीय Picnic काढायचे ठरविले व मुंबईच्या जवळच शनिवारी जाऊ म्हणजे रविवारी Hangover काढता

येईल. पनवेल ला शांतिवन म्हणून एक आश्रम आहे तेथे जाऊ असे ठरले. पण खरे सांगू का तेथे जाऊन आल्यावर ते आश्रम नसून एक जीवनामृत आहे. असे वाटले ठरल्याप्रमाणे वर्गणी gpay, online pay करून, शनिवारी सकाळी ७ वाजता दादर ला उड्डाणपूलाजवळ जमायचे ठरले.

अखेर आमच्या सहलीचा दिवस उजाडला. गंमत सांगायची म्हणजे असे म्हणतात की, स्त्रीयांना आवरायला खूप वेळ लागतो पण ह्या सहलीला तसे काही घडलेच नाही. सगळ्या स्त्रिया ७ च्या आत आल्या होत्या पुरुष आपल्या धिम्या गतीने जमत होते. ७.३० झाले एकजणच यायचे उरले ते म्हणजे आपले accountant. त्यांच्यापाशी निधी जमा होता त्यामुळे त्यांना वाटेत Pickup करू असे ठरले. ह्यात एक अविस्मरणीय गोष्ट घडली. आपण निघताना श्रीफळ वाढवितो पण आमचा श्रीफळ काही वाढेना. तीनदा गणपती बाप्पाचा गजर झाला पण त्या श्रीफळाचा की, तो वाढवणाऱ्याचा हट्ट म्हणता किंवा काय कोणास ठाऊक आमच्यातल्या एकाची नजर रस्त्याच्या पलीकडे गेली आणि ए तो बघ संजय आला असे बोलताच तो श्रीफळ वाढला जणू काही संजय आणि श्रीफळाचा योगायोग ठरला होता अशी ती गोष्ट. सगळे headcount करून बसमध्ये चढलो. बसमध्ये पुन्हा एकदा बऱ्याच देवी देवताचा गजर झाला आणि प्रत्येकानी आपापल्या फराळाच्या पिशव्या उघडल्या. कोणी कचोऱ्या कोणी वेफर्स, ढोकळे, भाकरवडी, चिवडे असे Sharing caring चालू झाले. फराळ फस्त केल्यावर गाण्याच्या भेंड्या अंताक्षरीने सुरु झाल्या. आम्ही सगळेच वेगवेगळ्या generation चे असल्यामुळे अगदी रफीपासून Arjit Singh, Alyaf, Aslam पर्यंत गाणी रंगली होती. सारखे सारखे त्यांच अंतिम शब्दांची गाणी आली की हे झालंय असा सूर यायचा हा त्यात कहर म्हणजे एका मॅडमचा उत्साह एवढा ओसंडून वाहत होता की, त्या काही हरेना. शिवाय ह्या गाण्याची सुरुवात या वरून नाही तर ए वरून आहे असे सुरु झाले. त्या अगदी शिगेसच पोहचल्या मग त्यामुळे अंताक्षरी च्या भेंड्या शब्दाक्षरी ने सुरु झाल्या. ह्यात सगळ्या प्रकारचे समुहगीते, भक्तिगीते, प्रेमी युगल गाण्याचा समावेश झाला. सगळे इतके रंगलो होतो की गाण्याचा शब्द संपतो न संपतो की दूसरे गाणे हजर असे करत करत एकमेकांनी केलेल्या Shopping ची तयारी, मग हा Stole मला match होतो, Bracelet, earring exchange करून वगैरे वगैरे तिचे कानातले, तिने तिचे हिन वगैरे करत आम्ही सहलीच्या ठिकाळी पोहचलो. Bus Park झाली आणि उतरलो. पुन्हा दोनदा headcount झाले आणि group तयार करण्यात आला. भोवताली नजर गेली तर निसर्गरम्य खजिना 'बहारा बहारा' काय असते ते खरच अनुभवयास मिळाले. तिथे आम्ही प्रवासी न होता निसर्गाचे शांत साक्षीदार झालो. विविध फूलांची रंगीबेरंगी आणि मनमोहक फूलपाखरे, फूलाच्या बागा आणि सुगंधळलेल्या फुलझाडांच्या सानिध्यात आम्ही मंत्रमुग्ध झालो. ऐन फेब्रुवारीतही उन्हाचे चटके

जाणवतात पण या निसर्गाच्या कुशीत आणि मोकळ्या बागडणाऱ्या फूलपाखरांच्या संगतीने ते सहज सुसह्य झाले एवढ्यात meeting hall मध्ये यायचे आहे अशी घोषणा झाली. Meeting hall चे ही एक वेगळे स्वरूप होते. मोठमोठ्या झाडाच्या सावलीने वेढलेला वसवलेला हॉल होता तो कौलारु छताचा व पिरेमिडच्या आकाराचा होता तो हॉल. तो हॉल एक मठच वाटत होता. श्री. शांचीवनचे ज्येष्ठ पधाधिकारी श्री. कोळी स्वतःची ओळख व त्यांच्या कटू अनुभवातून सुरु होऊन शांतीवनाचा प्रवास हा हृदयद्रावक होता. मग त्यांनी आमच्या कार्यक्रमाची रुपरेषा सांगितली किती वाजता कोठे जायचे, किती वाजेपर्यंत तिथे पहायचे, तसेच नाशत्याच्या, जेवणाच्या वेळा बॅग ठेवायची व इतर सोय ह्या सर्वांची योजना व व्यवस्थापन सांगितले. रताळ्याच्या फोडीचा शिरा व रव्याचा उपमा याचा नाशता केला. ते साहित्य इथेच वितळवलेले आहे हे शेत पाहताना कळले.

बॅग ठेऊन आम्ही शेत पहावयास निघालो, अहाहा ! फळांची झाडे, आमराई, मळे काय काय डोळ्यात साठलय. द्राक्षाचे मळे, केळीच्या बागा आमराई, कलिंगड, खरबुज विविध भाज्यांची शेती, पालेभाज्या, फळभाज्या, काकडी, टॉमेटो, संत्री, बदाम, चिकू, पेरू, तांदूळ, गहू, ज्वारी, नाचणी हे सगळे पाहतांना 'वक्त का दरिया काश यही पर थम जाये', असे वाटत होते.

शेत पाहून झाल्यावर तिथे machine च्या तेलाचा घाणा पाहिला. पुढे गेल्यावर तिथल्याच रहिवाशी असणाऱ्या मुलांसाठी स्थापिलेली शाळा पाहिली. श्री. ईब्राहिम सर यांनी त्या मुलाच्या कौटुंबिक परिस्थितीची जाणिव करून दिली. इयत्ता व वय ह्याप्रमाणे तेथील मुलांना कोणकोणत्या कामाची जबाबदारी अभ्यास सांभाळून करणे. जसे उद्बत्ती बनविण्यापासून ते भाज्या पिकविण्यापासून ते विकण्यापर्यंत कामे दिले जातात. अगदी शेती उत्पादन ते फूलांचे अत्तर तयार करण्यापासून ते विकण्यापर्यंत कोठेही outsourcing manpower नाही हे आवर्जून सांगताना त्या सरांना कोण आनंद देत होता ते प्रशंसनीय आहे.

पुढे आम्ही निसर्गोपचार center ला गेलो. तिथे त्यांनीच बनविलेले वेगवेगळी, औषधं, massage, centre. पंचकर्म ह्या सगळ्या गोष्टींचे महत्त्व गाडी व इंजिन यांच्या उदाहरण देऊन सांगितले. जशी गाडीला Servicing ची maintenance ची गरज असते. तसेच कशी maintenance गरज असते. ती कशी काय पूर्ण करता येईल, व निसर्गोपचाराचा कसा समावेश असतो, उपयोगी औषधे, Streambath, massage center ची पद्धत त्याच्या वेळा, व्यवस्था, Fee ह्या संदर्भात सांगितले.

नंतर आम्ही थेट बनविणाऱ्या हातमागाच्या वस्तूंकडे गेलो. एक मोठ्या इलेक्ट्रीक वर चालणारा चरखा मशीन होती. जेथे वेगवेगळे गालिचे, सतरंज्या, पिशव्या, शबनम च्या झोळ्या, हातपुसणे, पायपुसणे बनवितात शिवाय तिथे बहुतेक कामगारांचे हात पाय हे दिव्यांग होते. कृष्टरोगानी त्रस्त तर बरे होऊन त्याचे पडसाद असणारे, पण त्या सतरंज्या गालीचे ह्यांनी केले आहे ते पाहिल्यावरच कळते अन्यथा समवणे अशक्य. आम्ही तेथे खुप केली स्वस्त, सुंदर, टिकाऊ अश्या शबनम, गालिचे सतरंज्या तिथूनच घ्यावे हे मात्र पक्के झाले. नंतर तिथेच पिकलेल्या धान्याच्या भाकरी-भाजीचा आस्वाद तो ही वृक्षछायेत अहाहा !!!

आम्ही पुढे वृद्धाश्रमात गेलो त्या वृद्धांनी तर कमालच केली. आम्ही त्यांना पहायला आलोय की ते आम्हाला ! तिथे एक चौक होता त्या चौकात त्यांनी गाणी गायली आम्ही पण गायली. एकमेकांना मनोरंजन करण्याची चढाओढच लागली होती. हसतखेळत निरोप घेऊन श्री कोळी यांचे आभार मानत होतो. आम्हाला तो meeting hall / मठ सोडवत नव्हता. Head count झाले आणि आम्ही मध्ये बसलो. सगळेच निशब्द होतो. एक अवर्णनिय निसर्ग डोळ्यात साठवून ब्रम्हानंद आनंद काय असतो त्याची अनुभूती आपणास सांगण्यासही मला फार आनंद वाटला.

## Book Review

### जेव्हा 'अर्धसत्याची' भेट 'हिम्मतवाला' बरोबर होते.

१९८० चे दशक हे भारतामध्ये राजकीय - सामाजीक क्षेत्रात फार मोठे स्थित्यंतर घडवून आणणारे दशक ठरले आहे. हिंदी व प्रादेशिक सिनेमानंतर चा राजकीय परिस्थितीचा चांगलाच परिणाम झाला होता. परिणामी अनेक हिंदी व कित्येक प्रादेशिक चित्रपटामध्ये गंभीर आशय घेत चित्रपटांची नांदी सुरु झाली. राजकीय - सामाजीक स्थित्यंतराबरोबरच सार्वजनिक

क्षेत्रामध्ये देखिल फार मोठे बदल होताना आपल्याला दिसले आहेत. हे बदल सार्वजनिक क्षेत्रातील संस्कृतीक - अभिव्यक्तीच्या माध्यमातून आले होते हे विशेष. त्यामुळे गंभीर चित्रपटाव्यतिरिक्त ह्या काळात काही मसालेदार चित्रपटही प्रेक्षकांनी अक्षशः डोक्यावार घेतले व त्यावर खुली चर्चा देखिल झाली. अशा वातावरणाचे आंतरबाह्य मर्म उलगडण्याचा प्रयत्न अविजीत घोष यांच्या पुस्तकाने केला आहे. अविजीत घोष १९८० च्या चित्रपट दुनियेच्या अंतरंगात शिरून त्याचा आशय उलगडण्याचा प्रयत्न तर करतातच, पण समकालीन सामाजिक, राजकीय, सांस्कृतिक घडामोडींशी तुलना करून त्या काळातील एकूणच चित्रपटसृष्टीचे अंतःसूत्र जिवंत करण्याचा प्रयत्न आपल्या पुस्तकात करतात.

२०२३ मध्ये त्यांनी लिहिलेले 'When Ardh Satya Met Himmatwala' हे पुस्तक हिंदी चित्रपट सृष्टीचे विश्लेषण सुयोग्य चित्रपट परिभाषेचा वापर करून 'चित्रपट कसा समजून घ्यावा' या संदर्भातील एक घट्ट तार्किक वीण बांधतात. घोष सुरुवातीलाच लिहितात की, ऐंशीचे दशक हे खऱ्या अर्थाने हिंदी चित्रपटसृष्टीतील विरोधाभासाचे दशक होते. तो काळ 'अर्थ सत्य' व 'हिम्मतवाला' यांचा काळ होता. के रविंद्र राव व गोविंद निहलानी चा सामर्थवान Film makers चा काळ होता. पाप को जलाकर राख कर दूंगा, सतहासे उठा आदमी इ. त्याचीच प्रारूपे होती. इंदिवर, वसंत डे, बप्पी लहीरी, वनराज भाटील, कुंदन शाह व कादर खान यांच्या रसरसलेल्या 'परिभाषेचा' काळ होता. ह्या काळात सिनेमागृहांचे खेळ काही प्रमाणात कमी होत चालले होते. १३१० वरून ११०० पर्यंत कमी झाले होते. जून्या, मोडकळीला आलेल्या सिनेमागृहांमध्ये जाण्यापेक्षा टि. व्हीवर सिनेमा पाहणे अनेकांनी पसंत केले होते.

ह्या काळात अनेक घडामोडी झाल्या, आणीबणीचा अनुभव, मंडल आयोगाच्या शिफारसी, दहशतवादाचे सावट, भ्रष्टाचाराची समस्या इ. या सर्वांचे प्रकटीकरण सिनेमांमध्ये झाले. त्यामुळे एकाबाजूच्या हधीकेश बॅनर्जी, बासू चॅटर्जी व श्याम बेनेगल तर दुसऱ्या बाजूला बासू भट्टाचार्य, गुलजार, मनी कौल, कुमार साहनी, गोविंद निहलानी, सईद मोझी, विजय महेंता इ. नी जणू भारतीय समाजातील बहुसंस्कृतीकवरच सिनेमाच्या पडद्यावर आणला पण प्रेक्षक संख्या कमी होत गेल्याने अनेक दिग्दर्शकांना दूरदर्शनाकडे वळावे लागले. म्हणूनच ऐंशी व नव्वदीच्या काळात खूप चांगल्या मालीका आपल्याला पहायला मिळाल्या.

ह्या परिस्थितीचा फायदा दक्षिणात्य चित्रपट निर्मात्यांनी घेतला व दक्षिणेतील अनेक चित्रपट हिंदी मध्ये तयार झाले. जितेंद्र हा त्याचा जणू त्याचा 'संदिच्छाईत' झाला होता. हिम्मतवाला, तोहफा, मवाली या सारखे Blockbuster देऊन मसाला तत्वाची बॉलीवूड मध्ये रुजवात केली. त्यामुळे एकाबाजूला गंभीर चित्रपट त्यातील अनेक 'केन्स' व तत्सम चित्रपट महोत्सवांना जाऊन पक्षिसदी जिंकून आहे होते. पण त्यांना म्हणावा तेवढा प्रेक्षक वर्ग लाभला नाही व आर्थिक दृष्ट्या त्यांना फायदा झाला नाही. पण दुसऱ्या बाजूला कोणतेच सामाजीक भान व योजनाबद्ध कथानक नसतानाही दक्षिणात्य टिमेक केवळ मसाला असल्यामुळे मोठी कमाई करून गेले. वर उल्लेख केलेल्या संक्रमण काळाची माहिती अविताव घोष यांची उदाहरणांसहित खूप चांगल्या पद्धतीने मांडली आहे.

ह्या पुस्तकाचे सर्वात ठळक वैशिष्ट्ये म्हणजे लेखकाने बॉलिवूड या संक्रमण काळ उचीत उदाहरणांसहित एक स्वतंत्र भूमिका घेऊन विद्वत्तापूर्वक स्पष्ट केला आहे. हिंदी सिनेमा पाहणाऱ्या प्रत्येकाने हे पुस्तक आवडीने वाचले पाहिजे. ह्यामध्ये पुस्तकांत मला कोणत्याही प्रकारच्या नैतिक अनैतिक उपदेशात्मक विवेचानाचा अंतर्भाव दिसला नाही आणि हेच ह्या पुस्तकाची जमेची बाजू आहे.

## राष्ट्रीय पुरस्कार विजेता चित्रपट 'शापित'

जात व्यवस्थेने निर्माण केलेली श्रेणीबद्ध सामाजिक रचना फक्त विषयच नाही तर अमानवी जघन्य व घृणास्पद होती व अनुनही आहे. अनादी काळापासून माणसा बरोबरचे संबंध विषम करणाऱ्या ह्या व्यवस्थेने भारतीय समाज पोखरून टाकला होता. आजही ठिकाणी मानसीकता असलेले व राजकीय अभिजनांचा पठिंबा असेले घनरांडगे लोक वंचित मागास समुहांचे शोषण करात आहेत. पैसा व सत्तेच्या बळावर मागीस जातींना गुलाम बनविण्यासाठी जात व्यवस्थेने टिकविली. ह्या विषम व विदारक परिस्थितीचे यशोचित वर्णन व मूल्यमापन शापित हा मराठी चित्रपट करतो. १९८२ साली प्रदर्शित झालेल्या ह्या चित्रपटाने मराठीतील सर्वोत्कृष्ट चित्रपटासाठी राष्ट्रपींचे रौप्य पदक मिळविले.

ज्येष्ठ कथालेखिका व शिक्षण तज्ञ स्नेहलता दसूनकर यांच्या कांदबरीवर आधारलेल्या ह्या चित्रपटाचे दिग्दर्शन राजदत्त व अरविंद देशपांडे यांनी केले मधु कांबीकर, यशवंत दत्त, कुलदीप पवार व निळू फुले यांच्या सहज सुंदर अभिनयाने हा चित्रपत्र अजरामर झाला आहे.

सावकारी पाशात भरडून निघालेल्या बळी आणि बिजली या शेतकऱ्यांची गोष्ट शापित हा चित्रपट सांगतो. यात बळीच्या झोपडीचं चित्रण करताना, त्यातला अंधार हा जणू दत्ताजींनी सोबतीला ठेवला आहे. 'शापित' च्या शीर्षकापासूनच त्याचं म्हणणं दत्ताजी सांगायला सुरुवात करतात. 'शापित' या शीर्षकाची अक्षरं काटेरी आहेत आणि क्रेडिटची कॅलिग्राफी गुंतागुंतीची आहे. इथपासूनच आपल्याला दिग्दर्शकाचं म्हणणं कळायला सुरुवात होते. यशवंत दत्त, मधू कांबीकर, निळू फुले, कुलदीप पवार असे दिग्गज आपापल्या कामानं आपल्याला त्या शोषितांच्या जगण्यात खोल खोल खोल घेऊन जातात. इनामदाराच्या मनात भरलेल्या बिजली या मुलीला मिळवण्यासाठी, तिचं लग्न बळी या अत्यंत भोळ्या गड्याशी लावण्यात येतं; मात्र पहिल्याच रात्री इनामदार बळीला खोलीबाहेर काढून बिजलीचा उपभोग घेतो. अंधारात तिला हे कळत नाही; पण सकाळी इनामदाराचं विसरलेलं लॉकेट तिला रात्रीची कहाणी सांगतं. या तरुण इनामदाराला मूलबाळ नाही. त्याची बायको वांझ म्हणून तोंड लपवते; पण बिजली गरोदर राहते. इनामदार मर्द म्हणून सगळीकडं मिरवू लागतो. हे प्रारब्ध आहे असं मानून, बळी सगळं मान्य करतो. बिजली त्याला ग्वाही देते, की होणारं मूल इनामदाराचं नसून त्याचं आहे. मुलाच्या जन्मानंतर बळीप्रमाणं त्या बाळाच्या छातीवर असलेली जन्मखूण हे नातं अधोरेखित करते. इनामदार मात्र भुलीत असतो. बिजली इनामदाराच्या अनैतिकतेचा फायदा घेऊन, बाळाचं किसनाचं शिक्षण पूर्ण करते. कॉलेजात शिकत असलेला किसना सणानिमित्त गावात परततो. त्याला इनामदाराचं सत्य कळतं. तो गावातल्या शेतमजुरांमध्ये बाबासाहेब आंबेडकरांच्या नावानं जागृती निर्माण करतो. शेतमजूर गावातली गुलामी सोडून शहराकडं निघू लागतात. किसना जाऊन इनामदाराला जाब विचारतो. इनामदार त्याला वारस म्हणून इस्टेट देऊ करतो; पण किसना त्याला जन्मखूण दाखवून, 'आत्तापर्यंत आई-वडिलांवर केलेल्या अत्याचारांचा सूड घेतल्याशिवाय राहणार नाही,' असं म्हणतो.

चिडलेला इनामदार बळीचा खून करतो. तारुण्यसुलभ सूलभावनेनं पेटलेला किसना इनामदाराचा खून करायला वाड्यावर निघतो; त्यावेळी बिजली त्याला अडवते. तो तिला झिडकारून निघतो. वाड्यावर पोचल्यावर त्याला दिसतं, की बिजलीच इनामदाराला कोयत्यानं ठार करते आहे. बिजलीला अटक होते आणि किसना शेतमजुरांसाठी काम करू लागतो. १९८० च्या दशकाच्या सुरुवातीला इतकं बोलड कथानक अत्यंत सरळ, सोपं आणि नैसर्गिकपणे मांडण्याचं धाडस दत्ताजींनी केलं.

या बळीच्या झोपडीत उन्हाचे कवडसे पडतात. त्याच्या आयुष्यात जेव्हा जेव्हा सुखाचा काळ येतो, तेव्हा तेव्हा बळीचं काम करणाऱ्या यशवंत दत्तांच्या चेहऱ्यावर हे कवडसे पडलेले दिसतात. आपल्याबरोबर अत्याचार झाला, तरी आपण उमेदीनं संसार करू, असा दिलासा बळीला देताना, बिजली तो कवडसा हातात घेऊन त्याला सोन्याची मोहोर म्हणते, तेव्हा गहिवरून आल्याखेरीज राहात नाही. स्त्री स्वातंत्र्याचा विचार करणाऱ्यांनी हा चित्रपट आवर्जून पाहावा, अशा त्यातील स्त्री व्यक्तिरेखा आहेत. बिजली हे मूर्तिमंत बंडखोरीचं प्रतीक आहे, तर इनामदाराची बायको सोशिक; पण मर्यादा संपल्यावर गावचे सरंजामशहा असलेल्या सासऱ्यांना खडे बोल सुनावणारी आहे. सध्याच्या ओटीटीच्या काळात आलेला व्हिज्युअल बोलडनेस आपल्याला 'शापित' मध्ये दत्ताजींनी हाताळलेला दिसतो; पण त्यात आत्तासारखा कामुक संवंगपणा नाही. बळी पहिल्यांदा बिजलीला अंधोळ करताना पाहतो आणि लाजतो, हा प्रसंग कमालीचा संयतपणे व नजाकतीनं दत्ताजी साकारतात. अर्थात, त्यांना यशवंत दत्त आणि मधू कांबीकर यांच्यासारख्या दिग्गजांची साथ आहे. किसना गावात परत आल्यावर त्याचा आणि बिजलीचा संवाद होत असताना, कायम शिपाटीचं एक पार्टिशन सहजपणे निर्माण होतं. त्यातून दिसणाऱ्या बिजलीचं दृश्य आपल्याला तिचं कैद्यांसारखं जिणं खोलवर जाणवून देतं. अखेरीस उगवत्या सूर्याकडं एकट्या निघालेल्या किसनाला बांधावर बसलेलं एक उघडं पोर हाक मारतं आणि त्याच्या हाताला धरून उगवतीच्या सूर्याकडे निघतं. हे दृश्य आपल्याला शिक्षणाचा हात धरून प्रकाशाकडं निघालेल्या बहुजन समाजाचं प्रतिबिंब दाखवतं. अनेक दृश्य प्रतीकं निर्माण करून, 'शापित' आपल्याला विचार करायला भाग पाडतो.

## प्राचार्य. मे. पु. रेगे : मराठी भाषकांचे प्रबोधनकार व व्रतस्थ तत्त्ववेत्ता

कोणाला अस्सल विचारवंत म्हणावे, असा प्रश्न नेहमीच सार्वजनिक चर्चाविश्वामध्ये उपस्थित होत असतो. असा सर्वश्रुत समज आहे की जे विचारवंत आपल्या सैद्धांतिक मांडणीद्वारे सत्याचे प्रत्यक्षपणे दर्शन घडवितात किंवा ते दर्शविण्याचे साधन उपलब्ध करून देतात. तेच खरे विचारवंत होय. खरा विचारवंत मूल्यात्मक सिद्धांत क्षमतांचा उपयोग प्रचलित समस्यांच्या निराकरणसाठी झाला पाहिजे याची नेहमी ज्ञानपडताळणी

करतो. कोणताही तत्त्ववेत्ता हा तेव्हाच श्रेष्ठ ठरतो, जेव्हा तो सत्य काय आहे, ह्याचा फक्त शोधच घेत नाही तर, तो शोध घेण्याचा प्रयत्न करताना सापेक्ष सैद्धांतिक चौकट निर्माण करतो. प्रा. मे. पु. रेगे हे ह्याच वैचारिक तात्विक परिभाषेत बसणारे विचारवंत होते. त्यांच्या तत्त्वज्ञानाचे आकलन करून घेणे सोपी गोष्ट नाही, पण ते नेमके कशा पद्धतीने विचार करत होते त्यांच्यावर कोणाचा प्रभाव होता व तत्त्वज्ञानातील काही मुलभूत तत्वांबद्दल त्यांची भूमिका काय होती हे थोडक्यात जाणून घेण्याचा प्रयत्न ह्या लेखातून करण्यात आला आहे.

प्रा. मे. पु. रेगे हे व्यवहारिक व तात्विक दृष्ट्या श्रेष्ठतम विचारवंतांच्या पंक्तीत जाऊन बसतात, कारण त्यांचे विचार कोणत्याही एका विशिष्ट तत्वाशी जोडलेले नव्हते किंवा एकाच वैचारिक परिपेक्ष्यात त्यांनी आपले विचार विवेचन कधीच बंदिस्त केले नव्हते. त्यांचे तात्विक विचार हे बहुआयामी आंतरविद्याशाखीय होते. विज्ञान, तत्त्वज्ञान, नीतीशास्त्र, तर्कशास्त्र, ज्ञानमीमांसा या संदर्भात प्रा. रेगे हे आपल्या विचारांतून व लेखणीतून सातत्याने प्रश्न विचारत असत.

प्रा. रेगे सरांच्या विचारांचे प्रामुख्याने दोन पैलू दिसतात ते म्हणजे सैद्धांतिक तत्त्वज्ञान व व्यावहारिक

तत्त्वज्ञान. त्यांच्या सैद्धांतिक तत्त्वज्ञानावर प्रख्यात जर्मन, तत्त्ववेत्ता, इमॅन्यूअल कांट यांचा प्रभाव जाणवतो. ह्याच प्रभावातून

त्यांनी विज्ञान व ज्ञानशास्त्र यांची समीक्षा केली, तर नैतिकता, धर्मचिकित्स, सौंदर्यशास्त्र व अभिव्यक्तीशास्त्र यांची त्यांनी केलेली समीक्षा व त्याचे सूक्ष्म अन्वेषण त्यांच्या व्यावहारिक तत्त्वज्ञानाची साक्ष देतात.

### प्रा. मे. पु. रेगे यांचे जन्मशताब्दी वर्षे २०२४

२०२४ वर्ष हे कीर्ती महाविद्यालयाचे माजी प्राचार्य प्रा. मे. पु. रेगे यांचे जन्मशताब्दी वर्ष आहे. त्यानिमित्ताने त्यांना श्रद्धांजली वाहणारे दोन लेख येथे आम्ही देत आहोत. प्रा. मे. पु. रेगे यांचे विद्यार्थी प्रा. विजय आपटे यांनी प्रा. मे. पु. रेगे सरांबद्दलच्या आपल्या स्मृतींना आपल्या लेखनाद्वारे उजाळा दिला आहे. या मासिकाचे संपादक प्रा. हर्षद भोसले यांनी प्रा. मे. पु. रेगे यांच्या तत्त्वज्ञानाचे तरुण पिढीला आकलन होईल अशा भाषेत प्रा. रेगे सर यांचे तत्त्वज्ञान संक्षिप्त रुपात मांडण्याचा प्रयत्न केला आहे.

हे प्राध्यापकांनीच केले पाहिजे अशी त्यांची धारणा होती. त्यांनी आपल्या शिकवणीतून प्रत्यक्ष विद्यार्थ्यांची ध्येयदृष्टी, विकसित तर केलीच पण “समाजातील सर्व वंचित घटकांना मुख्य प्रवाहात आणणे ही आपल्या सर्वांची कशी जबाबदारी आहे व ती आपण एका धर्मतत्वाप्रमाणे पार पाडली पाहिजे असा वस्तुपाठ महाविद्यालयाशी निगडित सर्व भागधारकांपुढे वाचला.”

**नवभारताचे संपादन -** प्रा.मे. पु. रेगे सरांची नोव्हेंबर १९६९ मध्ये वाई येथून प्रकाशित होणाऱ्या नवभारत या त्रैमासिकाचे संपादक म्हणून नियुक्ती झाली. १९९७ च्या अंकामध्ये ते लिहितात की, “१९६९ च्या अंकात माझे नाव संपादक म्हणून प्रथम छापले गेले आहे, हे मुंबईत अंक चाळत असताना माझ्या लक्षात आले.” त्यांच्या आधी गोवर्धन पारीख हे नवभारताचे संपादक होते. त्यांनी व तर्कतीर्थ लक्ष्मणशास्त्री जोशी यांनी पारिखांच्या जागी परस्पर रेगे यांची संपादक म्हणून नियुक्ती केली होती. त्यांनी नवभारतामध्ये अनेक सुधारणा घडवून आणल्या. नवभारताचे संपादक मंडळ त्यांनी अधिक व्यामिश्र व सक्रिय केले.

रेगे सरांनी नेहमीच्या गंभीर व वैचारिक विषयांबरोबरच ललित साहित्य व इतर विषयांचाही अंतर्भाव नवभारता मध्ये केला. प्रा. रेगे सरांनी मराठी विश्वकोषाच्या संपादनाची जबाबदारी अनेक वर्षे सांभाळली. त्यांनी विश्वकोशासाठी एकूण १३४ नोंदी लिहिल्या. त्या पैकी ११९ स्वतंत्र नोंदी होत्या तर ९ नोंदी ह्या सहलेखनातून केल्या होत्या. अनुवादाच्या एकूण ०६ नोंदी होत्या.

**प्रा. मे. पु. रेगे यांचे तत्त्वज्ञान -** प्रा. रेगे यांनी जे विचार आपल्या लेखणीतून, व्याख्यानांमधून व संशोधनातून व्यक्त केले. या मधून असे दिसते की रेगेसर वैज्ञानिक सिद्धांताकडे पाहताना तो वैज्ञानिक सिद्धांत बरोबर आहे कि नाही, चूक आहे कि बरोबर या अनुषंगाने विचार करत नव्हते. ते त्याकडे ‘अनुमान विवेचन’ व प्रचलित समस्यांचे निराकरण करण्याचे एक साधन म्हणून पहात असे. किंबहुना इतरांनीही वैज्ञानिक दृष्टिकोनाकडे ह्याच पद्धतीने पाहावे असे सगळ्यांना ते सांगत असत.

वरील विवेचनातून आपल्याला असे दिसते की, त्यांनी वास्तविक मुल्यांपेक्षा वैज्ञानिक विचारांच्या सिद्धांतांना (व्यावहारिक उपयुक्ततेमुळे) अधिक महत्व दिले होते. त्यांची

अशी समजूत होती की सभोवतालचे जग, संस्कृती, भौतिक जीवन व समाजाची जडणघडण यांचे आकलन होण्यासाठी विज्ञानाच्या व्यावहारिक बाजूचा जास्त उपयोग होतो. थोडक्यात प्रा. रेगे हे तात्विक सिद्धांताकडे वैज्ञानिक दृष्टिने पाहतात. समाज समजून घेण्याचे व त्यातील व्यक्ती-व्यक्ती मधील संबंधाचा अर्थबोध होण्याचे वैज्ञानिक विचार एक प्रभावी माध्यम आहे असे त्यांना वाटत होते.

आपल्या विद्यार्थ्यांना व त्यांचे मार्गदर्शन घ्यायला जो तरुण वर्ग यायचा त्यांना ते नेहमी सांगत असे की वस्तूनिष्ठ सत्याच्या ध्यासासाठी विविध सिद्धांत किंवा दार्शनिक तत्वांचा उपयोग प्रचलित समस्यांचे निराकरण करण्यासाठी झाला पाहिजे. तरुण वर्ग, विद्यार्थी एकूणच समाजातील बुद्धीजीवी, वर्गाचे त्यांनी आपल्या ओघवत्या वक्तृत्व शैलीने प्रबोधन केले. नागरी सामाजाची समाजभिमुख दालने कशी विस्तारीत होतील, यासाठी ते अनेकवेळा तरुण व मध्यम वयोगटातील सर्जनशील कार्यकर्त्यांचे प्रबोधन करत असे. महाविद्यालयातील कामे संपली कि, ते कीर्ती महाविद्यालयाच्या पाण्याच्या टाकीवर ‘प्रबोधनाचे’ तास चालवित असे. ह्यालाच ‘रेगांची प्रबोधन कार्यशाळा’ असे नाव पडले.

**मराठी भाषकांचे शिक्षक प्रबोधनकार -** प्रा. रेगे हे नवकांटवादी होते यात कोणतीच शंका नाही. म्हणून कोणत्याही विषयावर विद्वत्तापूर्वक लेख लिहिताना त्यांचे विवेचन तीक्ष्ण व अर्थपूर्ण विचारांची अनेक क्षेत्रे व्यापून टाकणारे होते. विचारांची व युक्तिवादांची रणधुमाळी माजवून ताठर व ठाम निष्कर्ष काढण्याची धाई टाळणे, ही त्यांच्या विचारांची मजबूत बाजू होती. प्रख्यात अभ्यासक प्रा. राम बापटांच्या मते “रेगे हे व्रतस्थ, कसदार, भारतीय तत्ववेत्ते होतेच पण ते मराठी भाषक समूहाचे एक शिक्षक प्रबोधनकार होते.”

प्रा. रेगे यांनी ज्ञानाची संज्ञानात्मक, वैज्ञानिक पद्धती व धर्मनिरपेक्ष जीवनातील नैतिक प्रतिपादन यांच्यातील समतोल नेहमी साधण्याचा प्रयत्न केला. या समतोल वृत्तीमुळेच ते नेहमी असे सांगत असत की, विचारांचे, तात्विक सिद्धांतांचे व मुल्यलक्षी संकल्पनांचा उपयोग प्रचलित समकालीन समस्यांच्या निराकरणासाठी झाला पाहिजे, त्यांचा उपयोग फक्त वस्तूनिष्ठ वास्तविकतेच्या ध्यासासाठी नाही.

वरील विवेचनावरून असे दिसते की, त्यांच्या

विचारांचा (epistemological terrain) पायाभूत गाभा हा instrumentalist आहे. प्रा. रेगे कोणत्याही संकल्पना किंवा विचारांचे मूल्य तीच्या कार्यामध्ये असते असे वेळोवेळी सांगत असत. मानवी जीवनासाठी व त्यांच्या एकंदरित विकासासाठी ज्या सत्याचा वापर होतो तेच सत्य स्विकारले गेले पाहिजे अशी त्यांची कल्पना होती. मानवीजीवनाच्या गरजा ज्या तत्त्वज्ञानातून पूर्ण होतील ते दर्शन वस्तूनिष्ठ आहे. हे ते आवर्जून सांगत असे. ह्यांतूनच विद्यार्थी, तरुण वर्ग व नागरी समाज उपक्रमशील होईल असा विश्वास त्यांना होता. अनेकांचे त्यांनी आपण उपक्रमशील का, कशासाठी व कसे होऊ शकतो या संदर्भात प्रबोधन केले. आपण सर्वांनी उपक्रमशील राहिले पाहिजे, हे विद्यार्थ्यांना व त्यांचे मार्गदर्शन घ्यालला येणाऱ्यांना सर्वांना ते आवर्जून सांगत असे. या प्रयत्नांमध्ये थोडे कष्ट पडले वा अडचणी आल्या किंवा ते थोडे कठिण आहे असे वाटले तरी ते करण्याचा प्रयत्न आपण केला पाहिजे यावर त्यांची श्रद्धा होती.

‘तत्त्वज्ञानातील माझी वाटचाल’ ह्या त्यांच्या लेखामध्ये त्यांच्या तत्त्वज्ञानाची epistemology सहज आपल्याला समजते. त्यांनी आपल्या अध्यापनामध्ये सामाजिक व नैतिक तत्त्वज्ञान तसेच धर्माचे तत्त्वज्ञान हे आपल्या अध्यापनाच्या केंद्रस्थानी असले पाहिजे असे सांगितले आहे. भारतात प्रत्येक व्यक्तीने सामाजिक - नैतिक - धार्मिक तत्त्वांचा अभ्यास केला पाहिजे. कारण भारतीय समाज व्यवस्थेची मुळात जडण घडणच त्या आधारावर करायाची आहे याची जाणीव ते अनेकांना आपल्या व्याख्यानामध्ये करून देत असत. ते नेहमी महाराष्ट्रातील राजकीय - सामाजिक विचारपरंपरांचा दाखला हा विषय समजून सांगण्यासाठी देत असत. त्यांनी मराठी वाचकांसाठी पाश्चात्य विचारवंत जास्त सोप्या भाषेत समजून सांगण्यासाठी तत्त्वज्ञानातील बरेचसे साहित्य मराठीत लिहून ते मराठी वाचकांना उपलब्ध करून दिले. प्रा. रा. भा. पाटणकर यांच्या पुस्तकात “कांटचा विचारव्यूह” या विस्तृत परिशिष्टामध्ये त्यांच्या ह्याच भूमिकेचे सहज दर्शन होते.

श्रेष्ठ तत्त्वज्ञानाच्या विचारांचे विश्लेषण व परीक्षण करणाऱ्या ग्रंथ हे सुरुवातीला वाचावेत पण त्यानंतर मात्र एकदा का विचारावंताची वैचारिक बैठक आपल्याला पक्की समजली, तर मात्र त्या विचारवंताच्या मूळ ग्रंथाचे वाचन करून त्या विचारवंतासंदर्भात अभ्यासकाने आपली स्वतंत्र भूमिका तयार

करणे आवश्यक आहे असे ते ठामपणे सांगत असे. म्हणूनच त्यांनी अनेक विचारवंतांचे ग्रंथ हे मराठीत भाषांतरित केले होते. ह्याचे उत्तम उदाहरण म्हणजे बर्ट्रंड रसेल यांचे The Problem Of Philosophy हा ग्रंथ.

प्रा. रेगे यांना स्वःताला तत्त्वज्ञानाच्या कोण्या एका कप्पेबंद साच्यामध्ये बसायला कधी आवडले नाही. तुम्ही कोणत्या विचारप्रवाहाचे प्रतिनिधित्व करता व कोणत्या विचारधारेचे पुरस्कर्ते आहात. ह्या प्रश्नांना उत्तर देताना ते सांगत असत की, “अनेक तत्त्ववेत्त्यांचा मी अभ्यास केला आहे व त्यांच्या विचारांचे वैचारिक परिशीलन करून इतर ही गोष्टींचा त्या विचारांच्या अनुषंगाने विचार करून मी माझे स्वतःचे मत किंवा तत्त्वज्ञान विकसित करण्यावर भर देतो. ते एखाद्या प्रख्यात तत्त्ववेत्त्याच्या विचारांच्या जवळ येते का, हे वाचकांनी ठरवायचे आहे”. प्रा. रेगांच्या लिखाणाचे मूल्यमापन करता असे म्हणावे लागेल की, ते विवेकवादी होते व मानवी विवेकशीलता, सामाजिक जीवनाचा ध्यास घेणारी व ते जीवन समृद्ध करणारी उर्जा आहे हे तत्व त्यांच्या विचारांच्या केंद्रस्थानी होते. विवेकवादाचा विचार करताना त्यांच्यापुढे प्लेटो अॅरिस्टोटल प्रणीत विवेकवाद येतो व त्यांना तो जास्त उपयुक्त वाटतो. असा मूल्यलक्षी विवेकवाद त्यांना उपयुक्त वाटण्याचे कारण म्हणजे हा विवेकवाद मानवी संस्कृतीच्या अध्ययनाने संस्कारीत झालेला होता. त्यामुळे ते कोरडी वैज्ञानिक अनुभववादी, विवेकवादी भूमिका घेत नाही. म्हणूनच कांट चा विवेकवाद त्यांना जास्त रास्त वाटतो. त्यामुळे कांटवादी उदारमतवादी भूमिका ते घेताना दिसतात व स्वतःचा उल्लेखही कांटवादी उदारतावादी असेच ते करत असत. “माझ्या टिकाकारांना उत्तर” यामध्ये ते असे सांगतात की कांट च्या मते, ज्ञानेंद्रियांच्या मदतीने मिळविलेले ज्ञान हे खरे ज्ञान नव्हेच व हेच खरे ज्ञान असो व त्यावरच नैतिकता व मुल्ये विराजमान होतात. आपली नैतिक कृती व जगाचे आकलन होण्यास विवेकवाद मदत करतो. हा विवेकवाद प्रा. रेगांना जास्त महत्त्वाचा वाटतो. त्यामुळे स्वतःला ते पुरोगामी कधीच म्हणत नव्हते. ते स्वतःला पुरोगामी मानणाऱ्या आणि पुरोगामी म्हणून ओळखल्या जाणाऱ्या आपल्या मंडळीपासून अंमळ दूर असत. पुरोगाम्या संदर्भात बोलताना त्यांची भूमिका अशी होती की जेव्हा आपण एखादा विचार (उदा.पुरोगामी) स्वीकरतो तेव्हा त्या भूमिकेविषयी मूलभूत व तत्त्वज्ञानात्मक प्रश्न आपल्याला नेहमी

**आकलन**  
**AKALAN**

उद्भवतात पण पुरोगाम्यांना ह्या संदर्भाची अजिबात जाणीव नाही. त्यामुळे आपण स्विकारलेल्या मूल्यांमध्येच तफावत, ताण, विसंवाद असू शकेल व वेळ प्रसंगी एका मूल्याच्या तुलनेत दुसऱ्या मूल्यांना गौण स्थान द्यावे लागेल इ सारख्या प्रश्नांचे विचार अशा पुरोगाम्यांना पडत नाहीत, म्हणून ते स्वतःला पुरोगामी म्हणून कधीच घेत नसत.

अशा पध्दतीने थोडक्यात, प्रा. रेग्यांच्या तत्त्वज्ञानातील प्रेरणा, त्यांची उद्दीष्टे, जीवनाविषय धारणा व तत्त्वज्ञानासंबंधीतचे विचार मंथनविषयीच्या भूमिका कोणत्या होत्या याचा थोडक्यात अंदाज घेण्याचा प्रयत्न ह्या लेखाद्वारे करण्यात आला आहे.

## श्रीमंत आठवणी - ज्येष्ठ गुरु तत्त्वज्ञ मे. पुं. रेगे यांच्या

कीर्ती कॉलेजात १९६७-६८ पासून इंटर आर्ट्स वर्गात प्रवेश घेतल्यापासून माझी रेगे सरांशी ओळख एक अत्यंत प्रसन्न व्यक्तिमत्त्व ! रुबाबदार, राजबिंडे पाहता क्षणीच आदर निर्माण व्हावे असे गौरवणं देखणे व्यक्तिमत्त्व !

अमेरिकेचे पूर्ण राष्ट्राध्यक्ष जॉन एफ केनेडी यांच्यासारखे ते दिसत असत. आणि अशा तेजस्वी व्यक्तिचा गुरु-शिष्य या नात्याने त्यांचा सहवास मिळाला, हे आमचे महद्भाग्य होय !

१९६७-६८ चे पुढील चार वर्ष विद्यार्थी म्हणून आणि त्यानंतर १९७२ नंतर त्यांचा सहकारी म्हणून दोन दशके त्यांचा सहकारी म्हणून काम करण्याची संधी मला मिळाली आणि व्यक्तिमत्त्वाचे अनेक विलोभनीय पैलू अनुभवायला मिळाले.

रेगे सर आम्हाला लॉजिक शिकवायचे. प्राचार्य पदाच्या व्यस्ततेमुळे काही वेळा स्वतःकडून लेक्चरची वेळ चुकू नये म्हणून त्यांनी 'मला लेक्चरच्या आधी तूम्ही येऊन आठवण करून देत जा' अशी सूचना त्यांनी आम्हाला देऊन ठेवली होती, वर्गातील मुलांचा म्होरक्या बनून मी उत्साहाने ते काम.

करीत असे आणि सरही लागलीच वर्गावर येत असत. रेगे सरांचेलेक्चर म्हणजे आम्हाला आनंदाची पर्वणीच असायची Deductive logic सर आम्हाला शिकवती आणि त्यांच्या धीमच्या पण आश्चस्त आणि अभ्यासपूर्ण डौलदार शैलीतील व्याख्यान म्हणजे परमानंदाचा अनुभव असायचं.

योगासन करताना जसे दोन्ही हातांचे कोपर मांडीवर टेकवून आपली दोन्ही हातांची पोश्चर जशी असते तसे दोन हात चालताना अधांतरी ठेवून (एका काखेत छत्री आणि दुसऱ्या काखेत पुस्तक धरून ते दोन्ही सांभाळून आपण जसे हात काटकोनात ठेवतो तसे दोन्ही हात ठेवून) मान पाठ ताठ ठेवून अत्यंत धीमेपणे पावले टाकीत असत. कॉरिडॉरच्या एका टोकाला सर दिसले की दुसऱ्या टोकाला असलेली मुले सावध व्हायची आणि सरांना अतीव आदर द्यायची. बेशिस्त वागणे, दंगा करणे अशा गोष्टींना अर्थातच कोठे थाराही नसे.

माझा सरांशी आणकी जवळचा संबंध आला तो सरांचा पुढाकरअसलेल्या 'राष्ट्रीय सेवा योजले'तील माझ्या सहभागामुळे, गोरेगाव जवळ असलेल्या दिंडोशी गावात मा. आबा करमरकर करीत असलेल्या भातशेतीचा लागवडीच्या कामामध्ये मी भाग घेताल होता.

त्यावेळी मी कल्याणच्याही पुढे मोहने कॉलनीतून दादर पर्यंत प्रवास करून कॉलेजला येत असल्यामुळे कॅम्पला जायच्या आदल्या दिवशी आम्ही लांबून येणारे विद्यार्थ्यांनी ०.८ हॉल समोरच्या कॉरिडोर मध्ये पथारी टाकून मुक्काम केला होता अशी ही एक जिऱ्हाळ्याची आठवण माझ्या पोतडीत आहे.

'सायन हॉस्पिटल' ला विद्यार्थी स्वयंसेवकांनी जायचे आणि तिथे स्वच्छता मोहीम पार पाडायची अशा एका प्रोजेक्ट मध्ये देखील सहभाग घेतल्याते मला आठवते. या कार्यक्रमांमध्ये रेगे सरांच्या जोडीला संस्कृत विभागाचे तेव्हाचे प्रमुख डॉ. गोपाळ राणे यांचा सहभाग आणि मार्गदर्शन असायचे.

रेगे सरांचा स्वभाव मिशकील होता आणि अत्यंत धीमच्या आवाजात मार्मिक कसे बोलावे याचा वस्तुपाठ खरोखर सरांकडून घ्यावा !

एकदा कॉलेजात कसल्याशा शिबिरात मी व्हॉलेंटियर म्हणून काम करत होतो. सरांचा लोकसंपर्क दांडगा होता आणि त्या कार्यशाळेसाठी बहुधा प्रमिला दंडवते आल्या होत्या. आणि कार्यक्रमाचे संयोजन करण्यासाठी सरांच्या केबिनमध्ये त्यांच्याबरोबर चर्चा करीत होत्या.

कार्यशाळेत मुलांनी उत्साहाने काम करावे म्हणून सरांनी एक अभिनव युक्ती योजली होती. कामाची विभागणी करताना प्रत्येक विभागासाठी एक मुलगा आणि एक मुलगी अशी जोडी काम करील, ही योजना सांगण्यासाठी त्यांनी मला केबिनमध्ये बोलवले होते. तसा मी काही लाजाळू विद्यार्थी वगैरे नव्हतो पण कादचित मला संकोच वाटला असेल. हे ओळखून सर मार्मिकपणे मॅडमना म्हणाले, हा अगदी सरळमार्गी साधा विद्यार्थी आहे. माझे काम समजून घेऊन मी बाहेर पडलो.

इंटर आर्ट्स नंतर बी.ए. ला कोणता विषय घ्यायचा हे जवळपास ठरले होते. आमच्या ग्रुप मधील दोन मैत्रिणींनी फिलॉसॉफी विषय निवडला. आता यांना रेगे सरांच्या वर्गात त्यांच्या शिकवण्याचा आनंद मिळणार याचा मला हेवाही वाटला. इंटर आर्ट्स सहामाही आणि वार्षिक अशा दोन्ही परीक्षात मी मराठी विषयावर हाइयेस्ट आलो होतो. भाषा साहित्य विषयाकडे असलेला माझा कल ओळखून तेंडुलकर-सोमण सरांना मी मराठी विषय निवडावा असेच वाटच होते. एक दोन आठवडे मी इंग्रजी विषयाचे वर्गही

अटड करुन पाहिले, पण तिथे मी रमलो नाही आणि मराठी विषय घ्याचा विचार मी पक्का केला. नंतर एकदा रेगे सरांना भेटून 'सर तुमचे शिकवणे आवडते म्हणून फिलॉसॉफी विषय निवडावा असे मला वाटत होते.' असे मी त्यांना म्हणालो तेव्हा त्यांचे उत्तर शिक्षण-सोपानाचे दिशादर्शक होते. "तू विषय कोणताही निवड ! ते फारसे महत्वाचे नाही. आवडीचा विषय तू घे. पदवीधर होणे हे जितके महत्वाचे त्यापेक्षा चांगला माणूस, चांगला नागरिक होणे हे जास्त महत्वाचे ! शिक्षणाचे उद्दिष्ट ते असते." आवडीचा विषय शिकायला मिळणे आनंद सगळ्यांनाच घेता येत नाही पण मला तो मिळाला आणि या शिक्षणाला उच्च नैतिक विचारांचे अधिष्ठान गुरुजनांकडून सतत मिळत राहिले. त्यात विद्यार्थी शिक्षक आणि संस्था अशा तीनही स्तरांवर मे. पुं. रेगे याचे कार्य भरभक्कम आहे.

रेगे सर एन. सी. सी. चे अधिकारी होते आणि त्यांच्या शिक्षकी पेशाच्या कारकीर्दीत ते मेजर पदावर होते. प्राचार्यपद, एनसीसी प्रमुख पद, शैक्षणिक, सामाजिक वैचारिक धुरीणत्वाचे दायित्व सांभाळीत त्यातून येणारा अधिकार सकारत्मकतेने कसा सांभाळायचा असतो याविषयीचे चिंतन आणि अनुभव रेगे सरांनी त्यांच्या एका मनोगतात व्यक्त केले होते. (साहित्य जानेवारी ते मार्च २००१)

१९७२ मध्ये एम.ए. ची परीक्षा चांगल्या गुणांनी उत्तीर्ण होऊन मी कीर्ती कॉलेजमध्ये मराठी विभागात अध्यापक म्हणून काम सुरु केले आणि येथून पुढे रेगे सरांचा सहकारी म्हणून काम करण्याची संधी मला मिळाली आणि सरांच्या व्यक्तिमत्त्वाचे विविधांगी पैलू लक्षात यायला लागले.

कीर्ती कॉलेजच्या सिल्वर ज्युबिलीच्या काळातील (१९७८-७९) सरांची एक आठवण सांगण्यासारखी आहे. फाईन आर्ट्स सर्कलचा आणि गॅदरिंगच्या सांस्कृतिक कार्यक्रमाचा प्रमुख म्हणून दूहेरी जबाबदारी माझ्याकडे होती. उत्साहाने मी कामाला लागलो होतो. विद्यार्थी संपर्क होताच. माझ्या कामाच्या झपाट्याकडे रेगे सरांचे बारीक लक्ष असावे, कारण एकदा ते मला गमतीने म्हणाले. "अरे आणखीही काही विभाग काम करतात की नाही, तू एकटाच काम करतोयस असे दिसतेय....." मला त्यांच्या बोलण्यातील मार्मिक खोच कळली आणि त्याचबरोबर स्वतःच्या कामाबरोबर बाहेरच्या जगात बरेच काही चाललेले असते याचे थोडेफार भान येण्याची सुरुवात

माझ्या बाबतीत तेव्हापासून झाली असावी. अत्यंत थोडे शब्द वापरून विद्यार्थ्यांमध्ये अपेक्षित सकारात्मक बदल घडवणारे अध्यापक विरळा असतात. रेगे सर त्यापैकी एक होते.

इव्हनिंग कॉलेज हे कीर्ती कॉलेजचे वैशिष्ट्य होते. गरजू विद्यार्थ्यांना मदत करणे आणि त्याचा कोणताही गाजावाजा होऊ न देणे, जणु तो संस्थेचा सहज धर्म झाला होता. कीर्तीची ही अशी उदार परंपरा प्राचार्य एम.जी. भाटे यांच्यापासून सुरु झाली होती. प्राचार्य एम. जी. भाटे यांच्यापासून आलेला वारसा रेगे सरांनी समर्थपणे पुढे नेला. कीर्ती कॉलेज मैदानाची टाकी तिचे ऐतिहासिक महत्त्व राखून आहे. कीर्तीची जुनी वास्तू न पाहिलेल्या व्यक्तींना आज कदाचित हा संदर्भ माहीत नसेल. सर्वश्री भालचंद्र मुणगेकर, दया पवार, युक्रांदचे युवा कार्यकर्ते, समाजसेवक, रेगे सरांबरोबर चर्चा विचार मंथन करण्यासाठी त्यांचे मार्गदर्शन घेण्यासाठी जमत असत. ही एक माझ्या आठवणीतील यादी झाली. रेगे सरांच्या प्रभातक्षेत्रात अनेक व्यक्तींचा समावेश असल्याने विविध क्षेत्रातील नामवंतांची मोठी यादी तयार होऊ शकेल याची जाणीव मला आहे.

रेगे सर 'बी यू सी टी यू' युनियनच्या कामातही सक्रिय असत. युनियनचे काही काळ ते व्हाईस प्रेसिडेंटही होते. रेगे सर शिक्षक युनियन आणि तत्संबंधित चळवळीत आहेत हे पाहून आम्हालाही आधार वाटे. युनियनच्या मोर्चात ते नेतृत्व करायचे हेही दृश्य स्मरणात राहणारे आहे. कर्मचाऱ्यांचे प्रश्न सोडवण्याची त्यांच्यावर अन्याय होत असल्यास त्याचे निवारण करण्याची कळकळ त्यांच्या मनामध्ये वसत असे.

रमेश तेंडुलकरांनी पुढाकार घेऊन (१९७३-७४) सुरु केलेल्या 'मराठी भाषा अन्याय निर्मूलन परिषदे'चे रेगे सर प्रमुख आधार होते. भाषा शिक्षणाची भाषा मराठी असावी अशा अनेक संकल्पनांच्या बाबतीत सरांचा सल्ला महत्वाचा ठरत असे.

मे. पुं. रेगे हे तर्कतीर्थ लक्ष्मणशास्त्री जोशींचे पट्टशिष्य होते. वाईच्या प्राज्ञपाठशाळेत मराठी विश्वकोश निर्मितीत सरांचा मोठा सहभाग होता.

प्रा. पुणतांबेकर, देवदत्त, दाभोळकर, डॉ. तळपदे, डॉ. के. एम. राव, डॉ. गोपाळ राणे, डॉ. स. गं. मालशे, डॉ. होस्कोट, डॉ. पी. एस. जोशी, प्रा. लाड अशी मजबूत सहकार्याची फळी हाताळणे काही सोपी बाब नव्हती. पण रेगे सरांनी ही कामगिरी लील्य साधली डॉक्टर होस्कोट विद्वान खरे, पण फटकळ बोलत आणि

प्रसंगी सहकाऱ्यांना 'इडियट' म्हणून त्यांचा पाणउताराही करीत, पण त्यांनी रेगे सरांचे 'मेटल' जाणले होते. हॉस्कोस्ट रिटायर झाले त्या दिवशी निरोप समारंभाच्या प्रसंगी रेगे सर म्हणाले, 'मला सगळेच विचारीत.... डॉ. होस्कोट यांना तुम्ही कसे हाताळता ? - त्यावर माझे उत्तर असे... द बेस्ट वे टु हँडल डॉ. होस्कोट इज नॉट टू हँडल हिम अँटॉल' हे ऐकून अर्थातच श्रोत्यांत खसखस पिकली हे वेगळे सांगायला नकोच !

विद्वान व्यक्ती म्हटली की तिच्या बोलण्यात विद्वद्वज्रता येतेच, पण त्याचबरोबर रेगे सरांजवळ एखादा अवघड विषय सुगम करून सांगण्याची हातोटीही होती. डेक्कन एज्युकेशन सोसायटीच्या संस्थापक दिनी त्यांनी अध्यापक वर्ग आणि कॉलेज कर्मचारी वर्ग अशा मिश्र श्रोत्यांसमोर डेक्कन एज्युकेशन सोसायटी आणि संस्थापकांच्या कार्याविषयी एक अवघड विषय इंग्रजीत मांडला आणि वीस एक मिनिटांनी "तर"... शब्दाचा वापर करून पुढचा भाग सुगम मराठीत सांगितला. अभिजन वर्गाबरोबर श्रोत्यांचा साधारण जनवर्गही आहे याची जाणीव त्यांना होती.

एकदा युनिव्हर्सिटीतून एक परिपत्रक आले. "Non-formal education" या विषयावर टीचिंगस्टाफ मध्ये चर्चा घडवून आणा ! प्राचार्य व ज गोसावी यांनी पत्र वाचले आणि चर्चा सुरू करा म्हणून सांगितले. कोणालाही काही clue लागेना. ही कन्सेप्ट काय आहे. चर्चा कशावर आणि काय करायची हे कळेना. शांतता भेटून रेगे सर ही संकल्पना उलगडून सांगू लागले आणि मग अन्य प्राध्यापक चर्चेत भाग घेऊ लागले.

प्रशासन ही बाब काही सोपी असते असे नाही. त्यापेक्षा अकॅडमीशियन असणे हे जास्त महत्वाचे असते याची जाणकरी असण्याचा तो काळ होता. आजच्या तुलनेने तांत्रिक कामांचे जंजाळ अति गुंतागुंतीचे नव्हते. आचार्यांना आजच्या तुलनेने बऱ्यापैकी स्वातंत्र्य होते. भाटे रेगे आणि अगदी बोकील सरांपर्यंत ही अकॅडमिक स्कॉलरशिप ही परंपरा टिकून राहिली. रेगे सरांनी ती बाजू उत्तम पार पाडली. प्रशासनाची तांत्रिक बाजू त्याच्यासारख्या अभ्यासू शिक्षकाला जाचक वाटण्याची शक्यता होती. त्याच्यासारख्या अभ्यासू शिक्षकाला जाचक वाटण्याची शक्यता होती.

'नवीन सहकारी प्राध्यापक प्राचार्य पदावर रुजी होताना आधीचे प्राचार्य त्याला अधिकार पदाची सूत्रे देतात. म्हणजे नेमके काय

करतात हे मला काही कळले नाही. प्राचार्य भाटे यांनी काही अदृश्य सूत्रे मला दिली असावीत, तीच मी गोसावी सरांना दिली'.... असे ते एका स्टाफ मीटिंगमध्ये बोलल्याचे मला आठवते. अशा खुमासदार मिश्कीलपणा रेगे सरच करू जाणो!

धडाडीने नेतृत्व गुण दाखवीत सरांचा काम करण्याचा गुण दोन घटनांच्या आधारे सांगतो. इमर्जन्सी च्या काळात लोकनायक जयप्रकाश नारायण जललोक हॉस्पिटलमध्ये अॅडमिट होते. त्यांना भेटायला जाणाऱ्या ज्येष्ठ स्नेही परिवारात सहभागी होऊन डायप्रकाश यांना भेटून परत आल्यावर रेगे सरांनी स्टाफ रुम मध्ये त्याबद्दलचा किस्सा ऐकवला.

एखादे शिष्टमंडळ जयप्रकाशजींना भेटते आहे तेव्हा इमर्जन्सीच्या नियमाप्रमाणे रजिस्टर मध्ये सगळ्यांची नोंद करून तेथील अधिकाऱ्याने त्याचा धाक तशी काही नोंद वगैरे त्याने केली नसल्याचे समजण्याचा चाणाक्षपणा अर्थातच रेगे सरांजवळ होता. हा सगळा किस्सा सांगण्याचा मिश्कील अविर्भाव हा एक आमच्यासाठी अनुभवायचाच विषय होता.

मला आठवतंय त्याप्रमाणे साधारण ८०-९० च्या दशकात बीडीडी चाळीत दंगे उसळले होते आणि दंगल काही आटोक्यात येत नव्हती. तेव्हा काही समाजसेवक नेते मंडळींनी सगळ्यांनी एकत्र येऊन त्या भागात शांतता प्रस्थापनेचा प्रयत्न केला. त्यात रेगे सरांचा सहभाग होता. त्यांच्या अंगच्या निर्भिडपणा आणि समाजहितेष्टी वृत्तीचे दर्शन त्यातून घडते.

कालिना विद्यापीठात काम आटोपून परतताना ट्रकच्या धडकेमुळे प्राणावर बेतलेल्या जबर अपघातानंतर त्यांनी दाखवलेले मनोधैर्य आणि जिगीषा स्तिमित थक्क करून टाकणारी होती.

माझे आडवान बंधू आणि ज्येष्ठ स्नेही डॉक्टर विठ्ठल रामचंद्र आपटे यांनी आयुर्वेद संगीत आणि संत साहित्याची बैठक ठेवून पौराण शैलीत उपनिषदांचे विवेचन केले. त्या ग्रंथाला राज्य शासनाचा पुरस्कारही मिळाला.

नंतर त्यांनी १९९२-९३ नंतर 'वेदातील विज्ञानाचा शोध' आणि वेदातील सूक्तांचे विवेचन करणारे ग्रंथ दोन खंडात लिहिले. डॉक्टर आपटे यांचा हा अभ्यास मी रेगे सरांच्या कानावर घातला आणि त्यांना हे ग्रंथ वाचनासाठी दिले.

सरांबरोबर भेटण्याची वेळ ठरवून मी आणि डॉक्टर आपटे त्यांना भेटायला त्यांच्या "रागिणी" साहित्य सहवास मधील त्यांच्या घरी

आकलन  
AKALAN

गेलो. एखाद्या गृहस्थाश्रमी कुटुंब वत्सल आजोबा असे रेगे सरांचे वेगेळे रुपही पाहायला मिळाले. त्यांचे विद्वतेचे वलय मात्र झाकोळलेले नव्हते डॉक्टर आपटे यांच्या ग्रंथाचे अवलोकन करून सरांनी दिलेला अभिप्राय अत्यंत मोलाचा आणि प्रेरणादायी होता

लुक आपण जे काम करायला पाहिजे. ते काम डॉक्टर करीत आहेत हे कौतुकास्पद आहे. हे काम चांगले उतरले आहे. या ग्रंथातील एकेका प्रकरणाचा गोष्टवारा तयार केलास तर आपण त्याला यशोचित प्रसिद्धी देऊ.

रेगे सरांनी डॉक्टर आपटे यांना अतिथ्यशील आणि सन्मापूर्वक दिलेली वागणूक ही सरांच्या व्यक्तिमत्वाला शोभणारी अशीच होती. कीर्ती महाविद्यालयाचे प्राचार्य पद आणि डेक्कन एज्युकेशन सोसायटीचे आजीव सदस्यपद रेगे सरांनी भूषविले. जीडी पारीख सेंटर, प्राज्ञ पाठशाळा वाई अशा संस्थांशी संलग्न राहून सरांचा

ज्ञानाचा वसा सुरुच राहिला.

कीर्ती कॉलेजच्या ग्रंथालयातील संदर्भ वाचन हा रेगे सर आणि मी यांच्यातला गुरु-शिष्य दुवा आहे....राहीलही!
