### Model Guidelines

- The model shall be working or non-working. Do not use thermocol for making the model. It is advised to use non-polluting or environment friendly materials for making the model. More weightage shall be given to the working model.
- The student shall introduce him/herself with Slot Number (to be given at the time of registration on the day of the Convention) only. He/she shall not reveal his/her identity as well as the identity of his/her College/Institute/Department on the model. In case, the identity is revealed, his/her research project shall be disqualified.
- Use of fireworks / arms / explosive material during model presentation shall be strictly prohibited. However, if it is unavoidable for an exhibit, its limitation may be used with the prior permission of the organizer and/or Director, Students' Development, University of Mumbai.
- Every participant shall be provided a space for the display of model. Participant shall communicate the additional facilities (electricity point, water connection, etc.) required for the display of the model to the Principal/Director/Head of the Host College/Institute/Department a week prior to the Convention through his/her Teacher Co-ordinator.
