

## Report of the One Day Seminar on Research Methodology

1. **Name of the Department:** Research Promotion & Policy Development Committee of R & D Cell
2. **Date of the Activity:** 15<sup>th</sup> February 2025, 10.00 AM to 1.30 PM
3. **Venue (Online platform or physical venue):** Auditorium (Room No 0.8)
4. **Objectives:**
  1. **To familiarize participants with the fundamentals of research methodology**, including research design, data collection techniques, and ethical considerations.
  2. **To enhance the understanding of quantitative and qualitative research approaches** and their practical applications across disciplines.
  3. **To guide students and researchers in selecting appropriate tools and techniques** for data analysis and interpretation.
  4. **To promote critical thinking and scientific inquiry** by discussing recent trends and challenges in academic research.
  5. **To provide a platform for interactive learning and knowledge exchange** among budding researchers, faculty members, and research scholars.

**Committee members:** Prof Harshad Bhosale, Prof C.M Joshi, Dr Nivedita Patgoankar, Mr Harshal Adani, Ms Janhavi Kolte, Ms Jiteesha Chavan,

### Details of the activity:

1. The seminar commenced with a warm welcome of guests and introductory remarks by Ms. Janhavi Kolte, who highlighted the significance of cultivating sound research methodology skills among undergraduate and postgraduate students. This was followed by the felicitation of meritorious students, conducted by Dr. Subhash Donde, who also delivered a short congratulatory address emphasizing the importance of academic excellence and its connection to research aptitude.
2. Subsequently, Dr. H. K. Bhosale introduced the theme of the seminar by presenting a crisp and thought-provoking concept note, underlining the need for robust research practices in the current academic climate.
3. The first technical session was delivered by **Prof. Wilber Gonsalves**,. Prof. Gonsalves focused on the fundamentals of **research design**, differentiating between

qualitative and quantitative approaches, and illustrating how to formulate research questions and hypotheses. He provided illustrative examples across social sciences, helping students grasp the importance of choosing an appropriate methodology. A **Q & A round** of 10 minutes followed, where participants actively engaged with the speaker on topics such as data reliability, validity, and sample size. This session was insightful for young researchers aspiring to build a strong foundation in structured research.

4. The second session, featured a lecture by **Prof. Bhavesh Sinha who spoke on** data interpretation, plagiarism, and ethics in research. His session delved into the importance of honest data reporting, referencing styles, software tools for citation, and the perils of unethical practices such as data fabrication and copying. The session was especially appreciated for its practical relevance and clarity. A lively **Q & A session** addressed questions from students about the use of AI tools, citation generators, and managing field data.
5. The seminar concluded with a **formal** Vote of Thanks who expressed gratitude to all dignitaries, resource persons, faculty, and participants. He also acknowledged the organizing team's efforts in curating such an impactful academic session. The event concluded with the National Anthem, marking a respectful and patriotic end to the day's proceedings.

## **5. Number of participants: Teaching Staff- 57 Students 34**

### **Important Takeaways:**

- a) **Clarity on Research Foundations:** Participants gained a deeper understanding of the structure and stages of the research process.
- b) **Ethical Awareness:** Emphasis was placed on maintaining integrity, transparency, and confidentiality in research.
- c) **Hands-on Knowledge of Tools:** Exposure to various data collection techniques and software tools used in research.
- d) **Encouragement for Interdisciplinary Work:** The seminar encouraged collaboration across streams and departments for impactful research.
- e) **Motivation for Young Scholars:** Undergraduate and postgraduate students were inspired to engage in structured academic research and contribute meaningfully to their fields.

Dear Sir,

D.E.S Kirti M. Doongursee College, Mumbai takes immense pleasure in announcing 'Seminar On Research Methodology' scheduled on 15<sup>th</sup> February 2025, Saturday between 10.00 am to 1.30 pm.

This seminar will emphasize to enhance knowledge of Research Methodology with special reference to 'Planning Quantitative Research : Critical Reflections by Wilber Gonsalves' and Scientific Experimentation : Methods and Approaches' by Prof Bhavesh Sinha.

Please kindly note that our detailed program is not yet finalized, but tentatively your speech is scheduled on 15<sup>th</sup> February 2025 at 10.25am to 11.25am including 10 mins Q/A. The Programme would begin at 10.00 am. We will update you with brochure soon.

Kindly confirm your acceptance/participation along with brief write-up/abstract and communicate to **Dr Subhash Donde, Director Research Development Cell** by email on: [dsubhash40@gmail.com](mailto:dsubhash40@gmail.com) or by phone on: +91 9869556607. It's our pleasure that we will provide honorarium to you as per permissible norms for your invaluable participation as resource person.

Thanking you with regards,

Yours faithfully,
